

## BUXFMHT Sewing Mat-2PCS-US

# BUXFMHT Sewing Mat Set Instruction Manual

Model: Sewing Mat-2PCS-US

## 1. INTRODUCTION

This manual provides instructions for the proper use and maintenance of your BUXFMHT Sewing Mat Set. This set is designed to enhance your sewing experience by reducing machine noise, vibration, and preventing movement or slipping of your sewing machine and foot pedal during operation.

## 2. PRODUCT OVERVIEW

The BUXFMHT Sewing Mat Set includes two components:

- **Sewing Machine Mat:** A larger mat designed to be placed under your sewing machine.
- **Foot Pedal Pad:** A smaller mat designed for placement under your sewing machine's foot pedal.

Both mats are constructed from high-density TPE material, offering durability, anti-slip properties, and shock absorption. They feature distinct patterns on the front and back to optimize friction with both the desktop surface and the sewing equipment.

## 3. SETUP

1. **Unpacking:** Upon receiving the product, remove the mats from their packaging. Due to the packaging method, the mats may exhibit a slight curvature or curl mark. This is normal.
2. **Flattening (if needed):** To restore the mats to their normal flat form, gently reverse roll and fold them a few times, or reverse roll them and place them back into the paper tube packaging for a short period.
3. **Placement of Sewing Machine Mat:** Place the larger mat on your work surface. Ensure the patterned side designed for machine contact is facing upwards. Position your sewing machine directly on top of this mat.
4. **Placement of Foot Pedal Pad:** Place the smaller mat on the floor or designated foot pedal area. Position your sewing machine's foot pedal on top of this pad.

**Effectively reduces sewing machine noise, vibration and slippage**

## 4. OPERATING INSTRUCTIONS

Once properly set up, the BUXFMHT Sewing Mat Set provides several operational benefits:

- **Enhanced Stability:** The anti-slip design ensures your sewing machine remains stable and does not shift, even during high-speed operation.
- **Reduced Vibration and Noise:** The shock-absorbing material significantly reduces vibrations and noise generated by the sewing machine, contributing to a quieter work environment.
- **Improved Comfort:** The mat under the sewing machine prevents direct contact with hard surfaces, which can reduce arm soreness during extended sewing sessions. The foot pedal pad offers a comfortable and resilient surface, preventing the pedal from migrating during use.

## 5. MAINTENANCE

To ensure the longevity and performance of your BUXFMHT Sewing Mat Set, follow these maintenance guidelines:

- **Cleaning:** The mats can be wiped clean. Use a mild detergent and gently scrub the surface. Do not wring the mats.
- **Drying:** After cleaning, hang the mats or lay them flat to air-dry completely.
- **Storage:** For convenient storage, the mats can be rolled up and placed back into their original eco-friendly paper tube packaging.

## 6. TROUBLESHOOTING

- **Mat Curvature/Curl Marks:** If the mats retain a curvature or slight curl mark after unpacking, refer to the "Flattening" step in Section 3. Setup. This is a normal occurrence due to packaging and can be resolved by reverse rolling.
- **Reduced Anti-slip Performance:** Ensure both the desktop surface and the mat surfaces are clean and free of debris or oils, which could reduce friction.

## 7. SPECIFICATIONS

Feature	Detail
Product Model	Sewing Mat-2PCS-US
Sewing Machine Mat Dimensions	20 x 15 x 0.4 inches (approx. 50.8 x 38.1 x 1 cm)
Foot Pedal Pad Dimensions	9.85 x 7.1 x 0.4 inches (approx. 25 x 18 x 1 cm)
Material	High-density TPE
Color	Rose Red
Item Weight	1 pound (approx. 0.45 kg)

## 8. WARRANTY AND SUPPORT

BUXFMHT provides a 12-month warranty service for this product from the date of purchase. This warranty covers quality problems caused by non-human factors. For any product-related inquiries or to claim warranty service, please contact the manufacturer directly through your purchase platform or the official BUXFMHT website.
