

NOVAMAISON SH0004

NOVAMAISON Shoe Storage Cabinet SH0004 User Manual

1. SAFETY INFORMATION

For safe use and to prevent injury or damage, please observe the following precautions:

- Always secure the shoe cabinet to the wall using the provided anti-tipping devices. This prevents accidental tipping, especially in households with children or pets.
- Do not submerge the cabinet in water. While the material is water-resistant, prolonged exposure to water can cause damage.
- Ensure all screws and fasteners are tightened securely during assembly. Periodically check and re-tighten as needed to maintain stability.
- Do not overload the drawers. Distribute weight evenly to prevent strain on the structure.
- Keep small parts and hardware away from children during assembly to avoid choking hazards.

2. PRODUCT OVERVIEW

The NOVAMAISON Shoe Storage Cabinet SH0004 is designed to provide an efficient and stylish solution for shoe organization in narrow spaces such as entryways, hallways, or small apartments. It features a slim profile with two flip-down drawers, gold-colored handles, and sturdy metal legs.

Image: Front view of the assembled NOVAMAISON Shoe Storage Cabinet in black with gold handles and legs.

Key Features:

- **Space-Saving Design:** Slim construction ideal for narrow entryways.
- **Two Flip Drawers:** Provides concealed storage for multiple pairs of shoes.
- **Adjustable/Removable Panels:** Internal panels can be adjusted or removed to accommodate various shoe heights, including flats, mid-boots, and heels.
- **Additional Storage:** A bottom space is available for slippers, and the top surface can be used for decorative items or small essentials.
- **Durable Construction:** Made from high-quality MDF with an environmentally friendly resin paint finish, offering water resistance and easy maintenance.
- **Ventilated Design:** The open back panel promotes air circulation to help dissipate shoe odors.

3. PACKAGE CONTENTS

Before beginning assembly, please ensure all parts and hardware are present and undamaged. Refer to the included parts list in your physical manual for specific quantities and identification.

Main Components:

- Top Panel
- Bottom Panel
- Side Panels (Left and Right)
- Back Panel
- Flip Drawers (2 sets)
- Metal Legs (4)
- Gold Handles (2)

Hardware and Tools:

- Various screws, dowels, and cam locks (as per the detailed parts list in your manual).
- Anti-tipping hardware.
- Hex key (included).
- Phillips head screwdriver (not included, required for assembly).

4. ASSEMBLY INSTRUCTIONS

Follow these steps carefully for proper assembly. It is recommended to assemble the unit on a soft, clean surface to prevent scratches.

Video: Official NOVAMAISON Shoe Cabinet Installation Guide. This video demonstrates the complete assembly process from start to finish.

Step-by-Step Guide:

1. **Prepare Side Panels:** Insert cam bolts (A) and wooden dowels (D) into the designated holes on the side panels (parts 3 and 4). Ensure they are fully seated.
2. **Attach Support Bar:** Connect the central support bar (part 5) between the two side panels (3 and 4) using cam locks (B) and screws (C). Tighten securely.
3. **Install Metal Legs:** Attach the four metal legs (M) to the bottom panel (part 2) using screws (I). Ensure they are firmly attached.
4. **Connect Base to Sides:** Attach the assembled bottom panel (part 2) with legs to the side panels (3 and 4) using wooden dowels and cam locks.
5. **Attach Top Panel:** Secure the top panel (part 1) to the side panels (3 and 4) using wooden dowels and cam locks.
6. **Install Back Panel:** Slide the back panel (part 6) into the grooves on the side panels and secure it with small nails or screws (K) as indicated in the manual.
7. **Assemble Flip Drawers (Part 1):** Attach the side mechanisms (L and R) to the drawer base (part 8) using screws (K).
8. **Assemble Flip Drawers (Part 2):** Connect the front panel (part 7) to the assembled drawer base and side mechanisms using screws (K). Repeat for both drawers.
9. **Attach Handles:** Secure the gold handles (J) to the front of each flip drawer (part 7) using screws (K).
10. **Insert Flip Drawers:** Carefully insert the assembled flip drawers into the cabinet frame. Ensure they operate smoothly.
11. **Secure to Wall:** Using the provided anti-tipping hardware (G and N), attach the cabinet to a sturdy

wall. Drill pilot holes if necessary and ensure the cabinet is stable.

For visual guidance, please refer to the embedded installation video above.

5. USAGE

Storing Shoes:

The cabinet features two flip-down drawers. To access, gently pull the handle to open the drawer. Each drawer contains adjustable partition panels.

- **Adjusting Panels:** The internal panels can be adjusted up or down in two grooves to accommodate different shoe heights.
- **Removing Panels:** For taller footwear like mid-boots, the partition panels can be completely removed.
- **Capacity Note:** This cabinet is designed for various shoe types, but please note it may not fit men's shoes size 10 or larger. The overall capacity depends on the style and size of your shoes.

Image: Illustration showing how to adjust or remove the internal partition panels within the flip drawers to fit different shoe sizes.

Top Surface and Bottom Storage:

The top surface of the cabinet can be used to display decorative items, store keys, wallets, or other small entryway essentials. The space beneath the cabinet, supported by the metal legs, can be utilized for storing slippers or frequently used footwear.

6. MAINTENANCE

To ensure the longevity and appearance of your NOVAMAISON Shoe Storage Cabinet, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Although the cabinet has a water-resistant finish, promptly wipe up any spills to prevent moisture damage.
- **Dusting:** Regularly dust the surfaces to prevent buildup.
- **Hardware Check:** Periodically inspect all screws and fasteners to ensure they remain tight. Retighten if any looseness is detected.

- **Ventilation:** The open back design aids in ventilation. Ensure the back is not completely blocked against a wall to allow for air circulation.

7. TROUBLESHOOTING

If you encounter any issues with your shoe cabinet, please refer to the following common solutions:

- **Cabinet feels wobbly:**
 - Ensure all assembly screws are fully tightened.
 - Verify that the anti-tipping device is securely installed and attached to a wall stud or appropriate anchor.
 - Check that the cabinet is placed on a level surface.
- **Drawers do not open/close smoothly:**
 - Confirm that the drawer mechanisms (parts L and R) are correctly installed and all screws are tight.
 - Ensure no shoes or objects are obstructing the drawer's movement.
 - Check if the internal partition panels are correctly seated and not interfering with the drawer's operation.
- **Missing or damaged parts:**
 - Refer to the "Warranty and Support" section for information on obtaining replacement parts.

8. SPECIFICATIONS

Brand:	NOVAMAISON
Model Number:	SH0004
Color:	Black
