Sweiko 31136163AAA

Sweiko Rattan Sideboard Instruction Manual

Brand: Sweiko | **Model:** 31136163AAA

1. Introduction and Safety Information

This manual provides essential instructions for the assembly, operation, and maintenance of your Sweiko Rattan Sideboard. Please read all instructions carefully before beginning assembly or use to ensure safe and proper functionality.

1.1 Important Safety Notes

- **Odor Warning:** The product may have a raw material odor upon receipt. It is recommended to place the product in a well-ventilated area for approximately one week to allow the odor to dissipate.
- **Assembly Caution:** Follow all assembly instructions carefully. Incorrect assembly can lead to instability, injury, or damage to the product. Ensure all parts are securely fastened before use.
- **Weight Limit:** Do not exceed the maximum weight capacity of 36.65 kg for the entire unit. Distribute weight evenly.
- **Stability:** This sideboard is designed for floor mounting. Ensure it is placed on a flat, stable surface.

2. Package Contents and Pre-Assembly

Your Sweiko Rattan Sideboard is delivered in two packages. Before starting assembly, verify that all components and hardware are present and undamaged. Refer to the included assembly guide for a detailed list of parts.

2.1 Product Dimensions

Understanding the dimensions is crucial for planning placement and assembly.

Image: Detailed diagram illustrating the overall dimensions of the sideboard (120 cm Length x 40 cm Depth x 78 cm Height) and internal measurements for drawers and shelves.

Overall Dimensions (L x D x H): 120 cm x 40 cm x 78 cm

3. Assembly Instructions

The Sweiko Rattan Sideboard requires assembly. A detailed, illustrated assembly instruction manual is included with your product. Please follow the steps outlined in that guide precisely. Ensure you have sufficient space and the necessary tools (typically a screwdriver) before you begin.

3.1 General Assembly Steps

1. Unpack all components and verify against the parts list.
2. Assemble the main frame of the sideboard according to the diagrams.
3. Attach the solid pine wood legs to the base.
4. Install the drawer slides and assemble the three drawers.

5. Insert the adjustable shelves into the cabinet sections.
6. Mount the rattan sliding doors onto their tracks.
7. Perform a final check to ensure all screws and fasteners are tight and the unit is stable.

4. Operating Instructions

4.1 Drawers

The sideboard features three drawers equipped with metal slide rails for smooth operation. To open, gently pull the golden knob. To close, push the drawer back until it is fully seated.

4.2 Sliding Doors

The sideboard includes two sliding doors with rattan panels. To open or close, gently slide the door along its track. Ensure the track is clear of obstructions for smooth movement.

4.3 Adjustable Shelves

The internal shelves are adjustable to three different heights, allowing for flexible storage configurations. To adjust a shelf, carefully remove it from its current position, reposition the shelf pins to the desired height, and then reinsert the shelf securely.

5. Maintenance and Care

Proper care will extend the life and appearance of your Sweiko Rattan Sideboard.

- **Cleaning:** The laminated surface of the sideboard is designed for easy cleaning. Wipe with a dry cloth to remove dust and light spills. Avoid abrasive cleaners or harsh chemicals, which can damage the finish.
- **Ventilation:** If any residual odor persists from the raw materials, ensure the room is well-ventilated.
- **Stability Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.
- **Base Height:** The 20 cm base height provides space for floor ventilation and simplifies cleaning underneath the unit.

6. Troubleshooting

If you encounter any issues with your Sweiko Rattan Sideboard, consider the following:

- **Instability:** Ensure the sideboard is placed on a level surface. Verify that all assembly hardware is securely tightened.
- **Drawers/Doors Sticking:** Check for any obstructions in the slide rails or tracks. Ensure the drawers/doors are correctly aligned.
- **Missing Parts:** If you find any parts missing upon delivery, refer to your purchase documentation or contact the seller for assistance.

For persistent issues not resolved by these steps, please contact customer support.

7. Specifications

Brand	Sweiko
Model Number	31136163AAA

Color	Oak (Châne)
Material	Engineered Wood, Particle Board, Pine Wood (legs), Metal (handles, rails)
Product Dimensions (L x D x H)	120 cm x 40 cm x 78 cm
