1. OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your Domi 5-Piece Outdoor Kitchen Island, Model LTFA52. This modular outdoor kitchen system is constructed from durable powder-coated aluminum, featuring a stainless steel sink with faucet, ample storage, and a protective cover. It is designed to enhance your outdoor living space with functional and convenient features.

2. SAFETY INFORMATION

Important Safety Instructions:

- Always assemble the kitchen island on a stable, level surface.
- Use the adjustable leveler feet to ensure stability and prevent wobbling.
- Exercise caution during the assembly and disassembly of all modular components to avoid personal injury.
- Do not use the kitchen island on uneven or unstable surfaces, as this may compromise its stability and lead to accidents.

3. PACKAGE CONTENTS

Your Domi 5-Piece Outdoor Kitchen Island package includes the following components:

- Aluminum Frame Components for all units
- Outdoor Sink with Faucet
- Multiple Storage Cabinets
- Countertop Sections
- Protective Cover
- Adjustable Leveler Feet

- All necessary hardware for assembly

4. SETUP (ASSEMBLY INSTRUCTIONS)

The Domi Outdoor Kitchen Island features a modular design, allowing for flexible arrangement to suit your outdoor space. Follow the detailed diagrams and instructions provided with your hardware for specific assembly steps.

4.1. General Assembly

1. Unpack all components and verify against the package contents list.
2. Assemble each module according to the specific instructions provided with the hardware.
3. Connect the modules using the fixed connectors to create your desired layout.
4. Ensure all connections are secure and tightened appropriately.

Figure 4.1: Fixed connectors are used to securely join the modular components, enabling various configurations.

4.2. Leveling the Island

Each unit is equipped with adjustable leveler feet. After assembly, adjust these feet to ensure the entire kitchen island is

stable and level on uneven outdoor terrain.

Height-adjustable Legs

Each of the four legs is equipped with height-adjustable leveler feet to ensure stability on uneven floors.

4.3. Assembly Video Guide

Video 4.1: This video demonstrates the modularity and assembly process of the Domi Outdoor Kitchen Island, showing how different units can be combined to create a customized setup.

5. OPERATING INSTRUCTIONS

5.1. Sink and Faucet Usage

The integrated stainless steel sink and faucet provide a convenient outdoor clean-up station. To use, connect the faucet to a standard garden hose for water supply. Ensure the drain tube is directed into a suitable pail or catch basin for wastewater collection.

Figure 5.1: A detailed view of the stainless steel faucet and sink, highlighting its integration into the countertop.

Figure 5.2: The outdoor sink in use, emphasizing its function as a practical clean-up station.

5.2. Countertop and Storage

The food-safe aluminum countertop offers a spacious surface for preparing meals, serving food, or holding cooked items. Utilize the integrated storage cabinets and open shelves to keep your kitchen essentials, dishes, and other items organized and within reach.

5.3. Operation Video Guide

Video 5.1: This video highlights the functional aspects of the Domi Outdoor Kitchen, showcasing its use for food preparation, washing, and storage in an outdoor setting.

6. MAINTENANCE

6.1. Cleaning

To maintain the appearance and longevity of your outdoor kitchen island, regularly wipe down all surfaces with a damp cloth. For stubborn stains, a mild soap solution can be used, followed by rinsing with clean water and drying thoroughly.

6.2. Protective Cover

The included protective cover is designed to shield your kitchen island from environmental elements such as rain, snow, and UV rays. Always use the cover when the kitchen island is not in use for extended periods or during inclement weather to prevent damage and prolong its lifespan.

Figure 6.1: The included protective cover shields the entire outdoor kitchen setup from environmental elements.

7. TROUBLESHOOTING

If you encounter any issues during the assembly or operation of your Domi Outdoor Kitchen Island, please review the relevant sections of this instruction manual. Ensure all connections are secure and components are correctly installed.

- **Sink Leaks:** Check all plumbing connections for the faucet and drain tube to ensure they are securely tightened. Replace any worn gaskets if necessary.
- **Instability:** Verify that the kitchen island is placed on a level surface. Adjust the leveler feet on each unit until stability is achieved.

For further assistance, please contact Domi Outdoor Living customer support.
