Black Shark T9

Black Shark T9 Bluetooth Earphones User Manual

Model: T9

1. Introduction

Thank you for choosing the Black Shark T9 Bluetooth Earphones. This manual provides detailed instructions on how to set up, operate, and maintain your new earphones. Please read this manual thoroughly before use to ensure optimal performance and longevity of your device.

2. Package Contents

Please verify that all items listed below are included in your package:

- Black Shark T9 Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

3. Product Overview

3.1 Earbud Components

The Black Shark T9 earbuds feature an ultra-lightweight, semi-in-ear design for comfortable wear. Each earbud weighs approximately 3.5 grams.

This image displays the Black Shark T9 earbuds in their charging case. The earbuds are white, featuring a semi-in-ear design with a stem. The charging case is also white, with the 'BLACK SHARK' logo visible on the front. A small LED indicator is present below the logo.

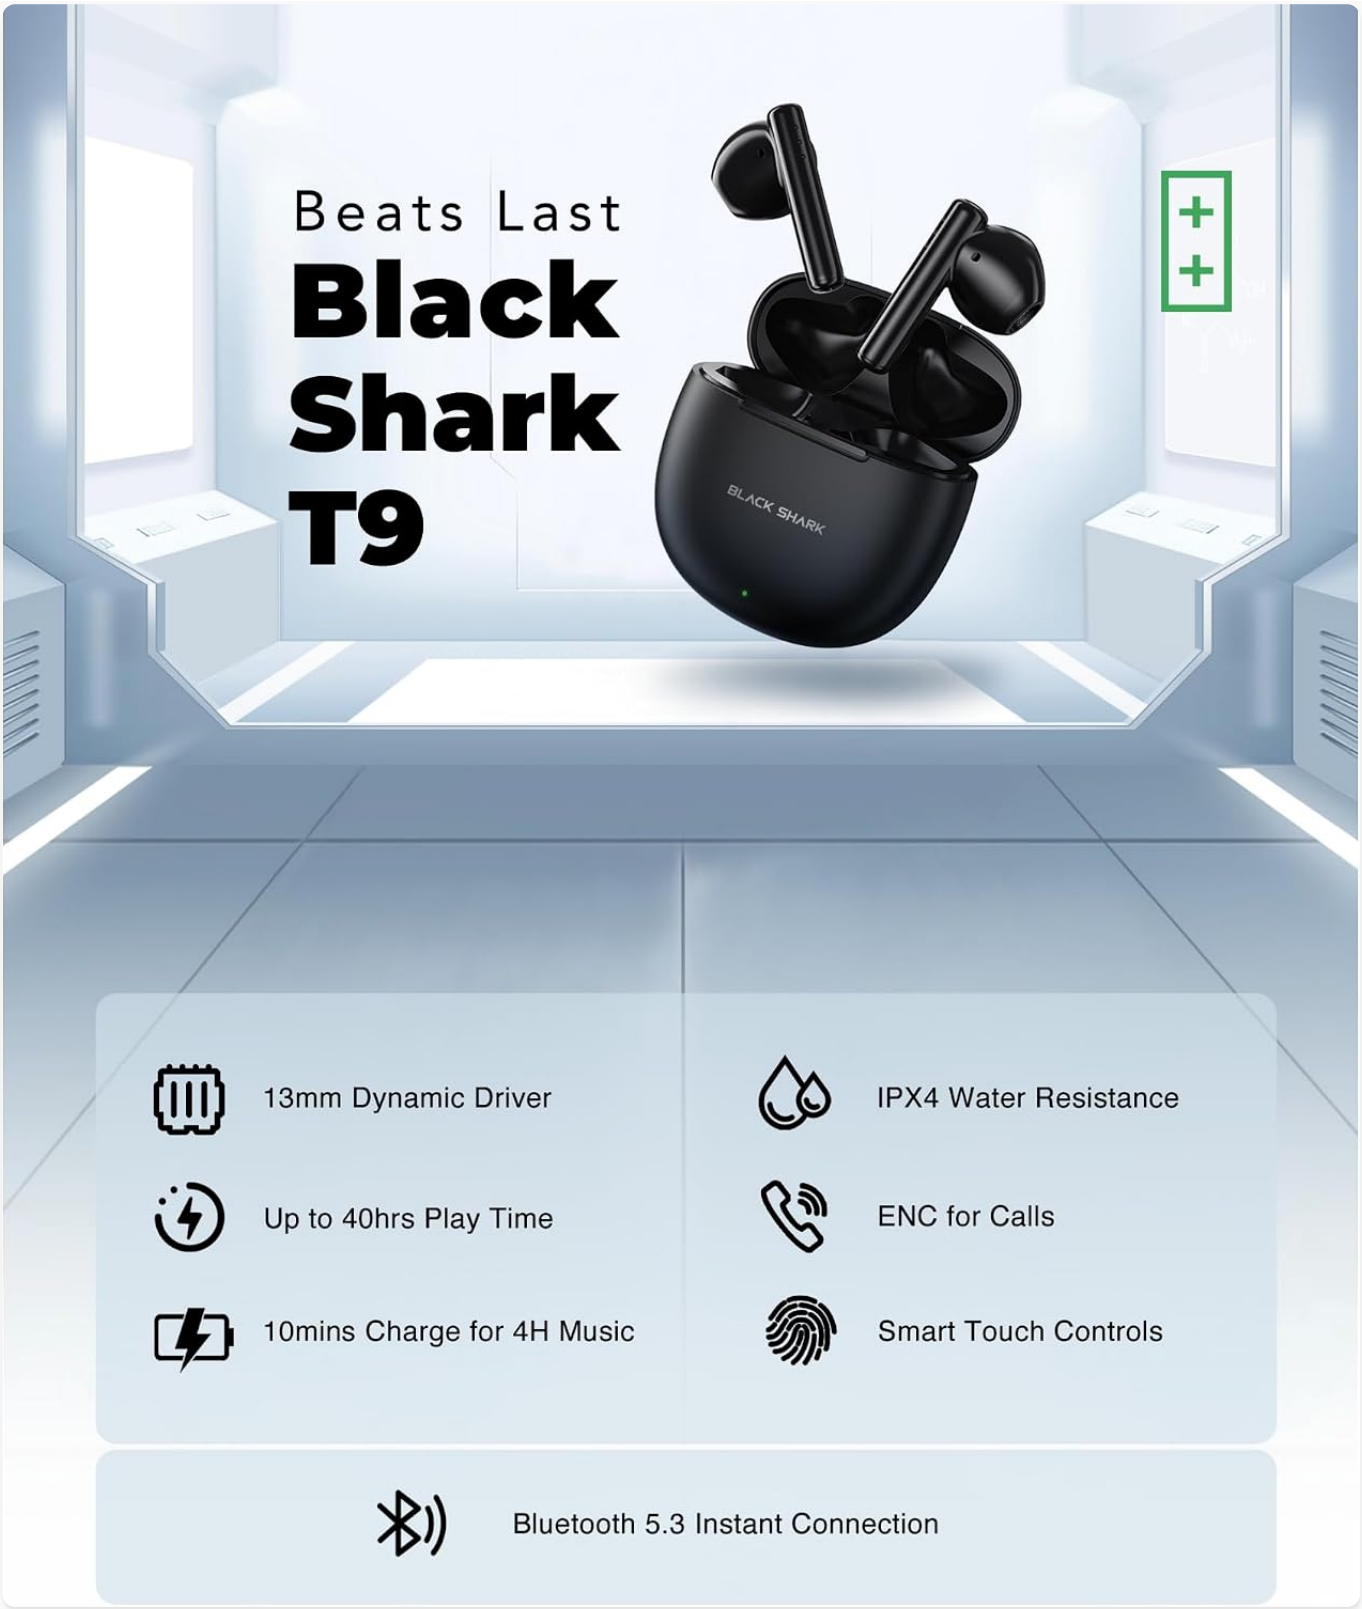

Another view of the white Black Shark T9 earbuds resting in their open charging case. The design elements of both the earbuds and the case are clearly visible.

3.2 Key Features

The Black Shark T9 earphones are equipped with several features designed to enhance your audio experience:

- **13mm Dynamic Driver:** Delivers rich and immersive sound.
- **IPX4 Water Resistance:** Provides protection against splashes and sweat.
- **Environmental Noise Cancellation (ENC):** Dual microphones reduce background noise for clearer calls.
- **Bluetooth 5.3:** Ensures stable and low-latency wireless connectivity.
- **Extended Battery Life:** Up to 40 hours of total playback with the charging case.
- **Smart Touch Controls:** Intuitive tap gestures for music and call management.

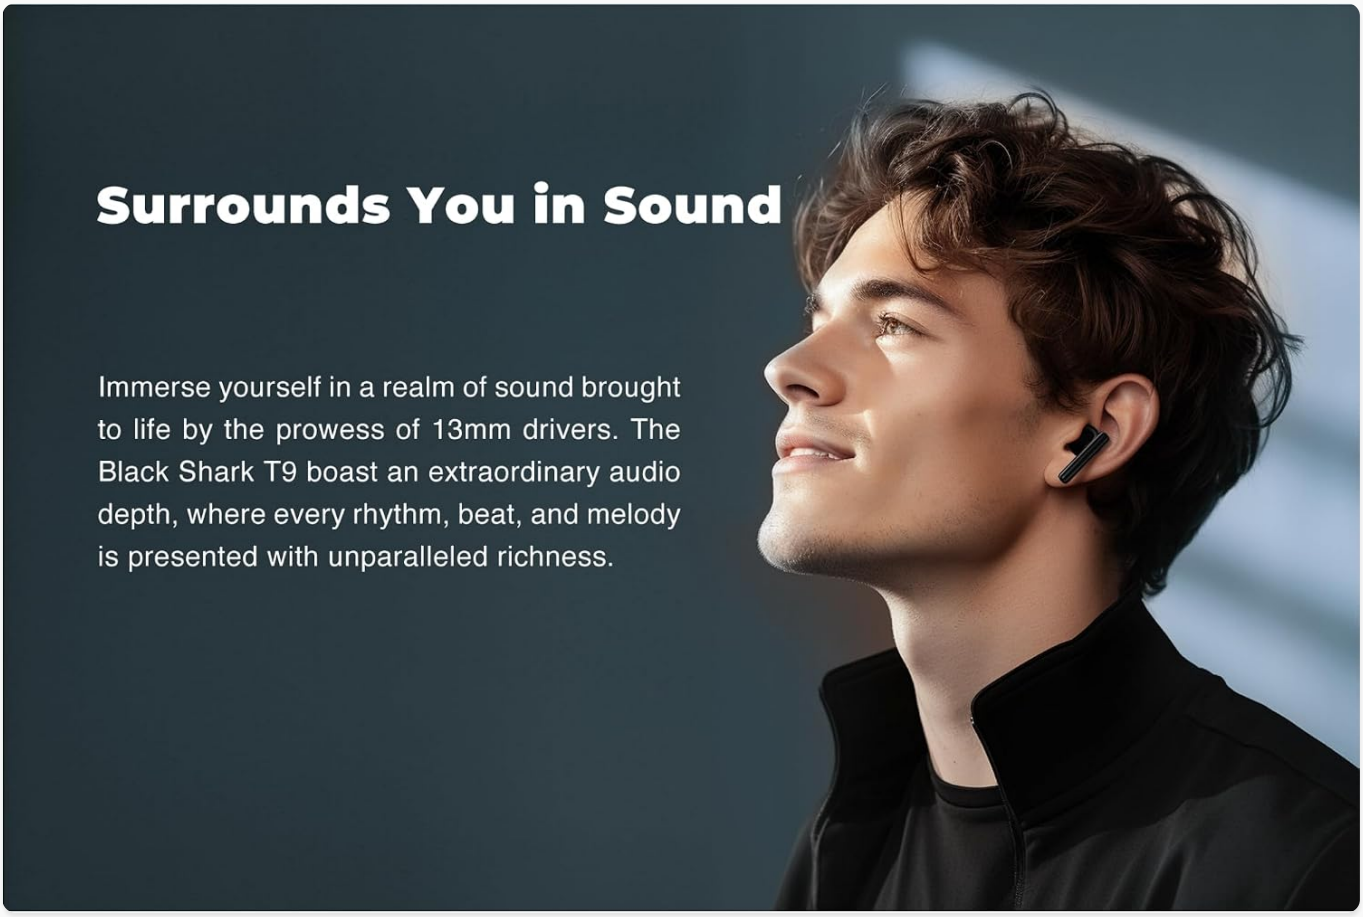

This graphic showcases the Black Shark T9 earbuds in black, within their charging case. Surrounding the product are icons and text detailing its main features: a 13mm dynamic driver, IPX4 water resistance, Environmental Noise Cancellation (ENC) for calls, up to 40 hours of play time, 10-minute fast charging for 4 hours of use, and smart touch controls. Bluetooth 5.3 instant connection is also highlighted.

Light Up Sound

Step into the future with ultra-lightweight earbuds, each weighing a mere 3.5g.The semi-in-ear design ensures a comfy fit, making your sound an effortless part of your style.

This image illustrates both the white and black versions of the Black Shark T9 earbuds, highlighting their lightweight nature with a large '3.5G' graphic. The semi-in-ear design is visible, emphasizing comfort.

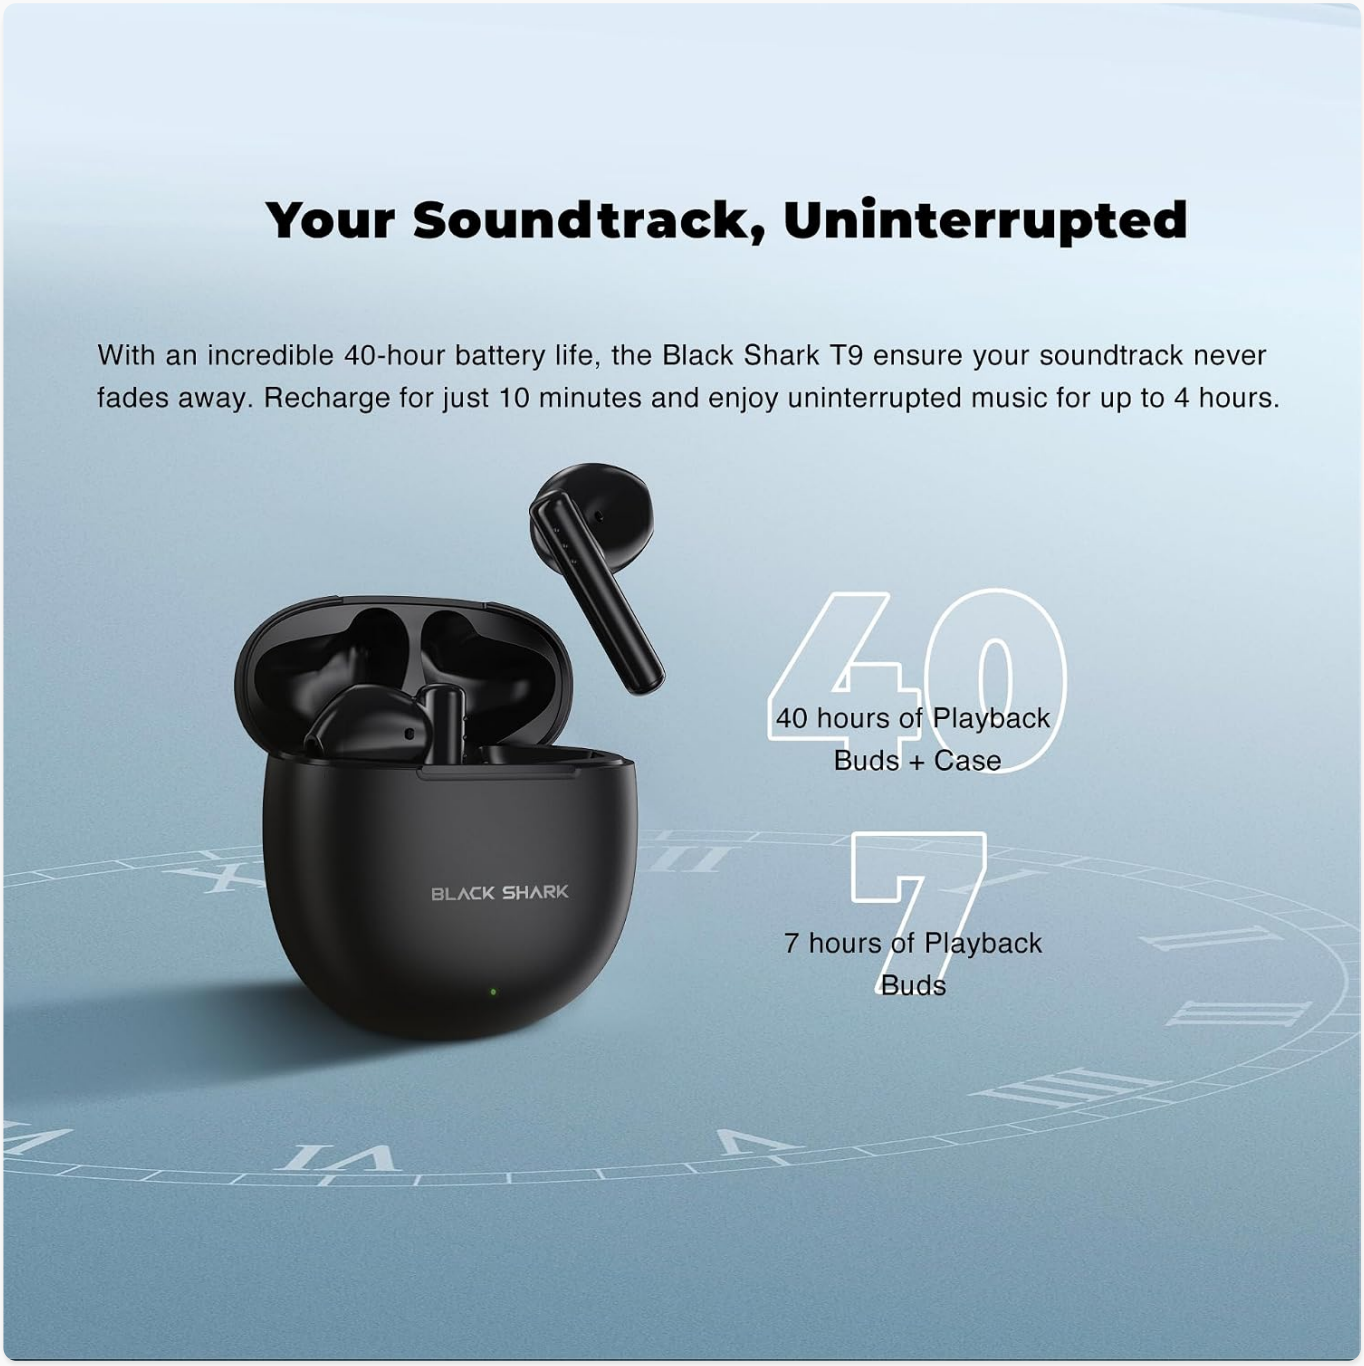

This image shows a person wearing a black Black Shark T9 earbud, conveying an immersive audio experience provided by the 13mm drivers.

4. Setup

4.1 Initial Charging

Before first use, fully charge the Black Shark T9 earphones and their charging case.

1. Place both earbuds into the charging case.
2. Connect the charging case to a power source using the provided USB charging cable.
3. The LED indicator on the case will show charging status. A full charge typically takes a few hours.
4. A 10-minute charge can provide up to 4 hours of playback time. The fully charged case provides up to 40 hours of total playback.

This image features the black Black Shark T9 earbuds in their charging case, with text and graphics indicating the impressive battery life: up to 40 hours of total playback with the charging case, and 7 hours of playback from the earbuds on a single charge.

4.2 Bluetooth Pairing

Follow these steps to pair your Black Shark T9 earphones with your device:

1. Ensure the earbuds are charged and placed inside the charging case.
2. Open the charging case lid. The earbuds will automatically enter pairing mode, and the indicator light will flash.
3. On your device (e.g., smartphone), enable Bluetooth and search for available devices.
4. Select "Black Shark T9" from the list of found devices.
5. Once connected, the indicator light on the earbuds will turn off or show a steady light, and you will hear a confirmation tone.

This image displays a graphic representation of a Bluetooth 5.3 chip, symbolizing the stable and low-latency wireless connection provided by the Black Shark T9 earbuds.

5. Operating Instructions

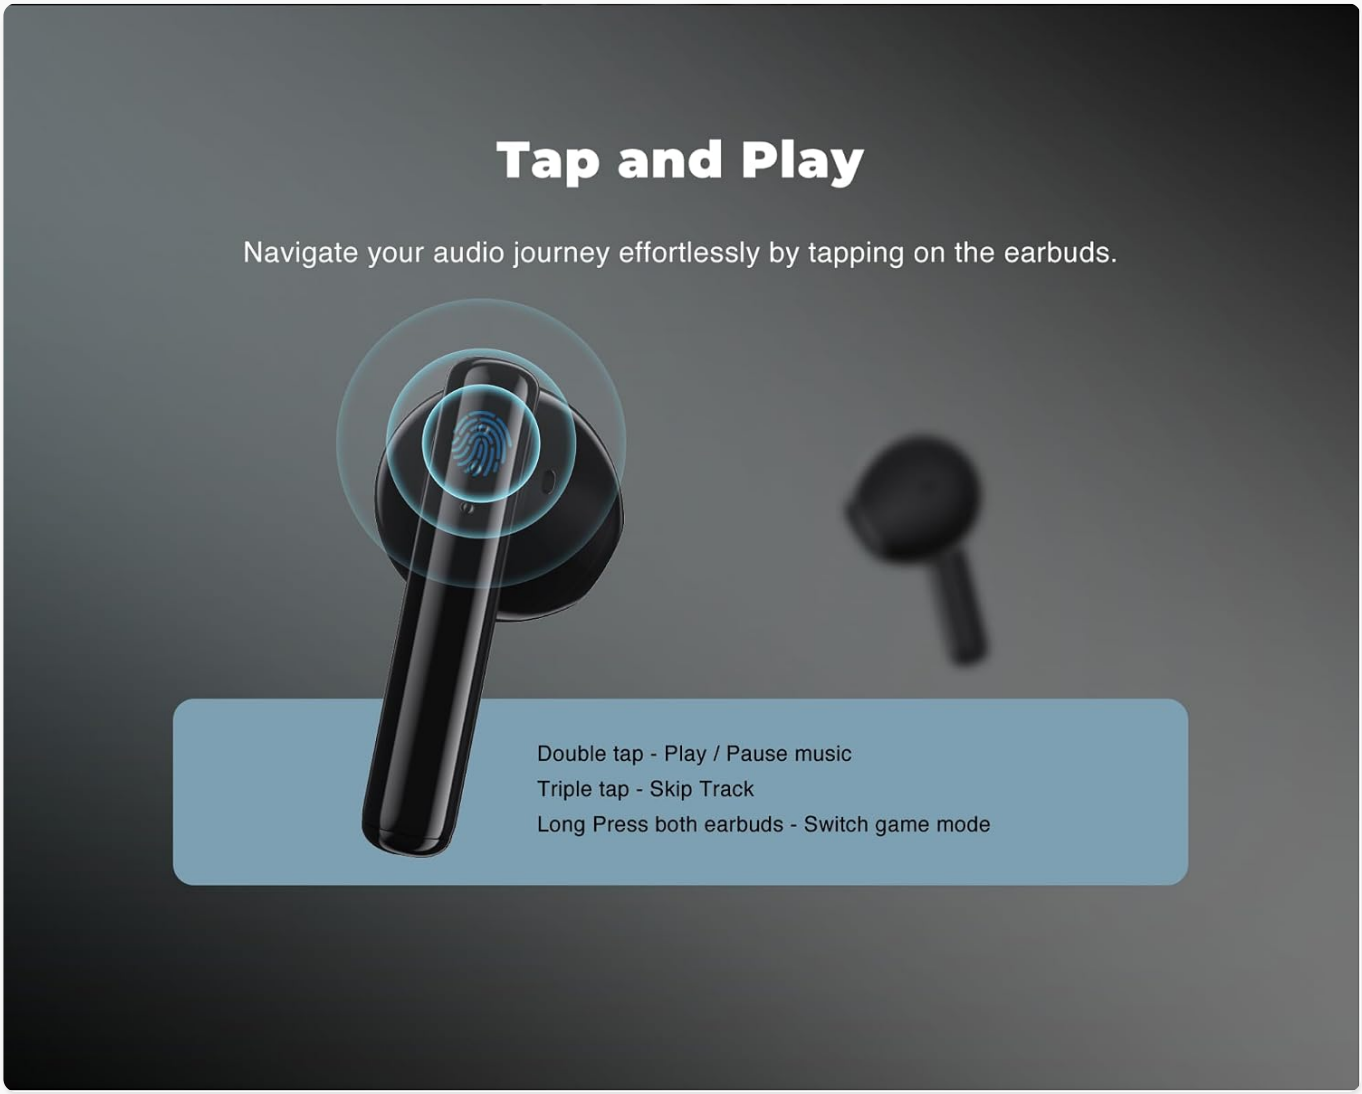

5.1 Power On/Off

- **Power On:** Open the charging case lid, and the earbuds will automatically power on and attempt to connect to the last paired device.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically power off and begin charging.

5.2 Touch Controls

The Black Shark T9 earphones feature intuitive touch controls on each earbud:

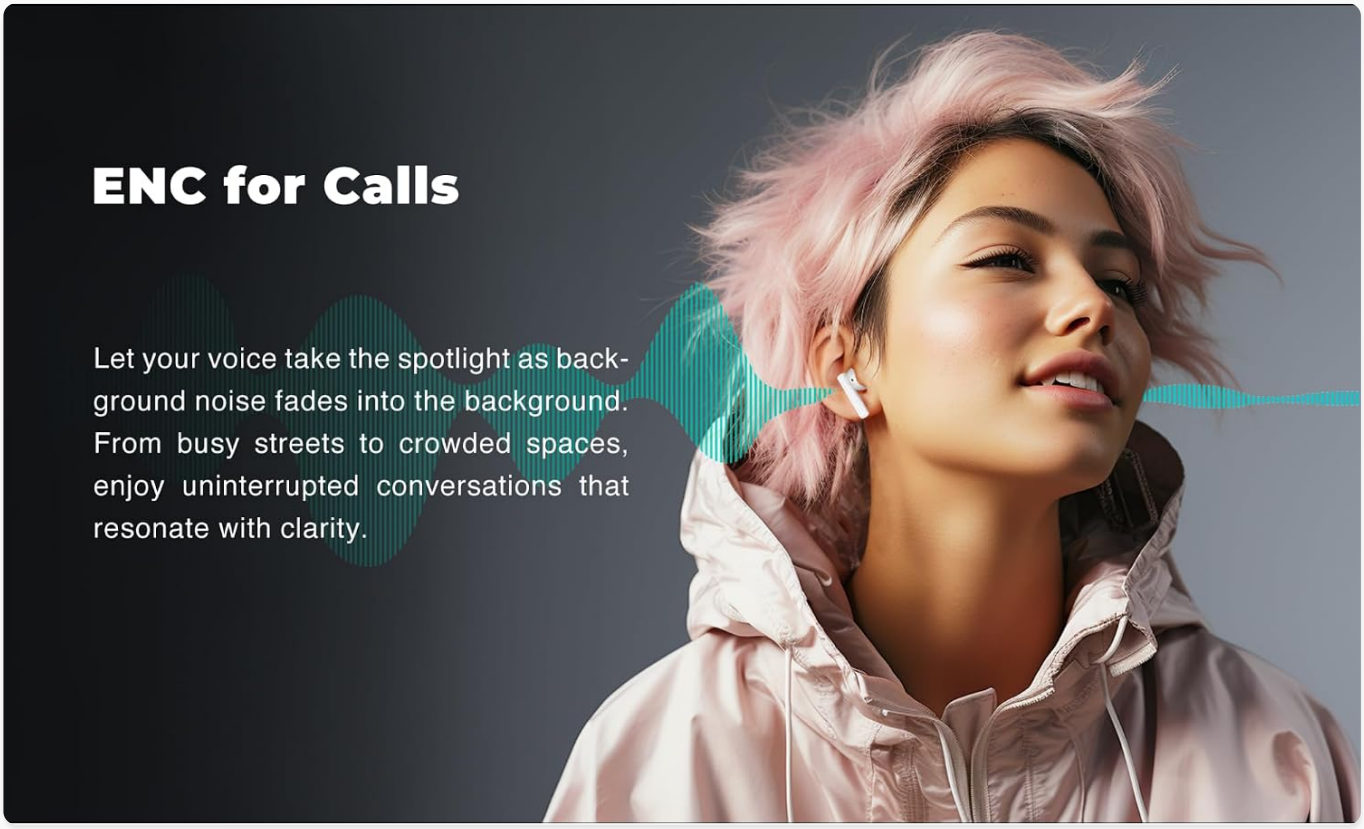

- **Double Tap:** Play/Pause music.
- **Triple Tap:** Skip to the next track.
- **Long Press (both earbuds simultaneously):** Switch to Game Mode.

This image provides a visual guide to the touch controls on the Black Shark T9 earbud. It shows that a double tap controls play/pause, a triple tap skips tracks, and a long press on both earbuds activates game mode.

5.3 Environmental Noise Cancellation (ENC) for Calls

The dual microphones with ENC technology actively detect and reduce ambient background noise, ensuring your voice is clear during phone calls, even in noisy environments.

This image depicts a person wearing a white Black Shark T9 earbud, with a visual representation of sound waves around them, symbolizing the Environmental Noise Cancellation (ENC) feature that helps in reducing background noise during calls.

5.4 Game Mode

Activate Game Mode by long-pressing both earbuds simultaneously. This mode optimizes audio transmission for minimal latency, providing a more synchronized gaming experience.

6. Maintenance

Proper maintenance ensures the longevity and performance of your earphones:

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Water Exposure:** While IPX4 rated for water resistance, avoid submerging the earbuds in water or exposing them to heavy rain. Dry them thoroughly if they get wet.

7. Troubleshooting

If you encounter issues with your Black Shark T9 earphones, refer to the following common solutions:

- **Earbuds not pairing:** Ensure both earbuds are charged, placed in the case, and the lid is open. Turn off and on your device's Bluetooth, then try pairing again.
- **Only one earbud working:** Place both earbuds back into the charging case, close the lid, wait a few seconds, then open it again. This often re-syncs them.
- **No sound:** Check the volume level on your connected device. Ensure the earbuds are properly paired and selected as the audio output.
- **Charging issues:** Verify the charging cable and adapter are working. Ensure the charging contacts on the earbuds

and inside the case are clean and free of debris.

- **Poor call quality:** Ensure the microphones are not obstructed. Move to a quieter environment if ENC is struggling with excessive background noise.

8. Specifications

Detailed technical specifications for the Black Shark T9 Bluetooth Earphones:

Feature	Detail
Model Name	Black Shark T9
Connectivity Technology	Bluetooth 5.3
Driver Size	13mm Dynamic Driver
Battery Life (Earbuds)	Up to 7 hours

Product Dimensions	5 x 1.3 x 10 cm
Material	Plastic
Control Method	Touch
Impedance	16 Ohms
Noise Control	Sound Isolation, Environmental Noise Cancellation (ENC) for calls
Compatible Devices	Cellphones

9. Safety Information

Please observe the following safety guidelines for safe and proper use of your earphones:

- Do not disassemble, repair, or modify the product.
- Avoid exposing the product to extreme temperatures, direct sunlight, or fire.
- Keep the product away from water and other liquids, despite its IPX4 rating, to prevent damage.
- Do not use the product at high volume for extended periods to prevent hearing damage.
- Keep out of reach of children and pets.
- Dispose of the product responsibly according to local regulations.

10. Warranty and Support

Black Shark products are designed for reliability and performance. For warranty information, please refer to the warranty card included in your product packaging or visit the official Black Shark website.

For technical support, troubleshooting assistance, or service inquiries, please contact Black Shark customer support through their official channels. Contact details can typically be found on the Black Shark website or in your product documentation.
