# JEU'DEMEURE DermiShuttle DD Cream User Manual

Model: DD Cream (Ceramide Cream)

## 1. PRODUCT OVERVIEW

The JEU'DEMEURE DermiShuttle DD Cream is an advanced skincare solution designed to provide deep hydration, intensive smoothness, and anti-aging benefits. This potent formula simplifies your routine by delivering comprehensive benefits in a single step, targeting visible signs of aging like wrinkles and loss of elasticity while promoting a more luminous complexion.

### Key Features:

- **All-in-One Rejuvenation:** Delivers comprehensive anti-aging and radiance-boosting benefits.
- **Advanced DermiShuttle Technology:** Ensures potent active ingredients penetrate deeply into the skin for noticeable and long-lasting improvements.
- **Powerful Ingredients:** Formulated with Hyaluronic Acid for deep hydration and collagen synthesis, and Madecassoside to calm irritation.
- **Even Tone & Stronger Barrier:** Infused with Niacinamide to improve dull skin and Ceramide NP to fortify the skin barrier, prevent moisture loss, and reduce sensitivity.
- **Non-Comedogenic:** Designed not to clog pores.

## 2. SAFETY INFORMATION

For external use only. Avoid direct contact with eyes. If irritation occurs, discontinue use and consult a physician. Keep out of reach of children. Store in a cool, dry place away from direct sunlight.

### 3. HOW TO USE

Follow these steps for optimal results:

1. **Dispense:** Take approximately 1 to 1.5g of cream onto your fingertips.
2. **Apply:** Gently apply the cream evenly to areas of concern, such as the face, neck, and hands.
3. **Massage:** Massage the cream into your skin using upward strokes until fully absorbed.
4. **Frequency:** For areas requiring more intensive care, apply twice daily (morning and night).
5. **Integration:** Use as the final step in your skincare routine, after other serums or creams. If used after a lifting kit, it is recommended to wait at least 30 minutes before applying the DD Cream.

## HOW TO USE

**1**

Apply approximately 1 ~ 1.5g evenly on wrinkled-care areas (face, neck, hand)

**2**

For areas with more concerns, apply twice for better results

*\* If used after Lifting kit, it is recommended to wait at least 30 mins afterwards.*

#### 4. KEY INGREDIENTS AND DERMISHUTTLE TECHNOLOGY

The JEU'DEMEURE DermiShuttle DD Cream leverages advanced technology and carefully selected ingredients to maximize skin benefits.

##### **DermiShuttle™ Technology:**

DermiShuttle is an innovative transdermal delivery system that ensures active ingredients penetrate deeply into the skin layers, beyond the surface. This needle-free skin booster effect is the result of 25 years of research, proven to transport actives 0.1mm into the real skin layer for enhanced efficacy.

## 7. TROUBLESHOOTING

If you encounter any issues while using the JEU'DEMEURE DermiShuttle DD Cream, please refer to the following common concerns and solutions:

- **Skin Irritation/Redness:** If you experience persistent redness, itching, or discomfort, discontinue use immediately. Ensure your skin is thoroughly cleansed before application. If symptoms persist, consult a dermatologist.
- **Lack of Absorption:** Ensure you are applying a thin, even layer. Over-application can lead to product sitting on the skin. Gently massage the cream until fully absorbed.
- **Product Consistency Change:** Ensure the product is stored correctly in a cool, dry place away from direct sunlight. Extreme temperatures can affect product stability.
- **No Visible Results:** Skincare results can vary by individual and skin type. Consistent use as directed (morning and night) is crucial. Allow sufficient time for the product to show its effects, typically several weeks.
