SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before using the vanity desk. Periodically check and re-tighten as necessary.
- Do not overload drawers or the stool's storage compartment.
- Position the vanity desk on a flat, stable surface to prevent tipping.
- Handle the mirror with care to avoid breakage.
- For electrical components (lighted mirror), ensure the power cord is not pinched or damaged. Do not expose electrical parts to water or excessive moisture.
- Unplug the lighted mirror from the power source when not in use or during cleaning.

SETUP

Assembly is required for the Furmax Vanity Desk Set. Tools and detailed instructions are included with your product packaging. Please refer to the separate assembly guide for step-by-step instructions and diagrams specific to your model.

General Assembly Steps:

1. Unpack all components and verify against the parts list provided in the assembly guide.
2. Organize hardware and tools for easy access.
3. Follow the numbered steps in the assembly guide, paying close attention to diagrams.
4. Assemble the main desk frame, then attach the drawers and mirror frame.
5. Install the light bulbs into the mirror frame and connect the electrical components as instructed.
6. Assemble the cushioned stool.
7. Ensure all connections are secure and the unit is stable before use.

MAINTENANCE

To maintain the appearance and functionality of your Furmax Vanity Desk Set, follow these care instructions:

- **Cleaning the Wood Surfaces:** Wipe with a dry cloth for general dusting. For spills or marks, use a damp cloth and immediately dry the surface to prevent moisture damage. Avoid abrasive cleaners.
- **Cleaning the Mirror:** Use a soft, lint-free cloth and a glass cleaner. Spray the cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into the edges.
- **Cushioned Stool:** Spot clean the cushioned seat with a mild fabric cleaner as needed. Avoid saturating the material.
- **Light Bulbs:** Ensure the vanity is unplugged before cleaning or replacing light bulbs. Replace bulbs with the

same type and wattage if necessary.

TROUBLESHOOTING

If you encounter any issues with your Furmax Vanity Desk Set, please refer to the following common troubleshooting tips:

- **Lights Not Working:** Check if the power cord is securely plugged into an outlet. Ensure the power button on the control switch is pressed. Verify that the light bulbs are properly screwed in.
- **Lights Flickering:** This may indicate a loose connection or a faulty bulb. Check bulb connections and try replacing the bulb.
- **Drawers Sticking:** Ensure the drawer slides are clean and free of debris. Apply a small amount of silicone lubricant to the slides if necessary. Check for any obstructions inside the drawer or along the tracks.
- **Vanity Wobbles:** Confirm that the vanity is placed on a level surface. Check all assembly screws and tighten any that are loose.

If problems persist, please contact Furmax customer support for further assistance.
