BANIGIPA G9

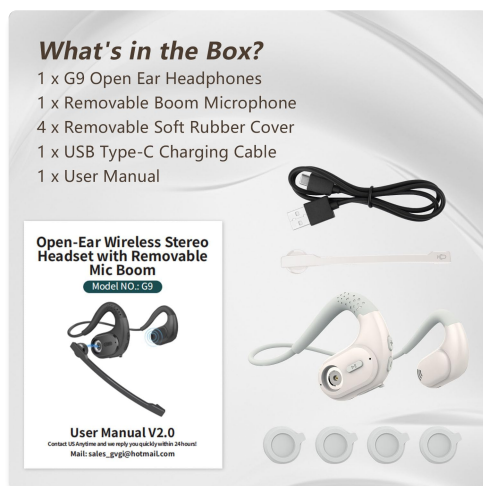

BANIGIPA G9 Bluetooth Headset User Manual

Model: G9 | Brand: BANIGIPA

INTRODUCTION

Thank you for choosing the BANIGIPA G9 Bluetooth Headset. This open-ear wireless headset features a removable microphone, DSP noise cancellation, and Bluetooth 5.4 connectivity, designed for comfort and clear communication across various devices and activities. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance and longevity of your device.

WHAT'S IN THE BOX

This image displays the complete contents of the BANIGIPA G9 headset packaging. It includes the main G9 Air Conduction Headset, a removable boom microphone, a USB Type-C charging cable, four removable soft rubber covers, and the user manual.

- 1 x G9 Air Conduction Headset
- 1 x Removable Boom Microphone
- 1 x USB Type-C Charging Cable
- 4 x Removable Soft Rubber Cover
- 1 x User Manual

KEY FEATURES

- **Open-Ear Air Conduction Design:** Allows awareness of surroundings while listening, promoting safety and ear hygiene.
- **Advanced Bluetooth 5.4:** Provides fast, stable, and wide-ranging connectivity (up to 33 feet/10 meters).
- **Dual Device Connection:** Connects to two devices simultaneously (e.g., phone and computer).
- **Detachable DSP Noise Cancelling Microphone:** Ensures clear calls by filtering up to 95% of background noise. The microphone is 360° rotatable.
- **IPX5 Waterproof Rating:** Suitable for sports and light rain/sweat (not for swimming).
- **Lightweight & Comfortable:** Ergonomic design with silicone ear hooks, weighing only 28g, for extended wear without discomfort.
- **Long Battery Life:** Up to 12 hours of music/call time on a single 1.5-hour charge (150mAh battery).
- **Multi-functional Buttons:** Easy control for power, playback, volume, calls, voice assistant, and mode switching.

SETUP GUIDE

1. Charging the Headset

Before first use, fully charge the headset. Use the provided USB Type-C charging cable.

1. Locate the Type-C charging port on the headset.
2. Connect the USB Type-C cable to the headset and the other end to a USB power source (e.g., computer USB port, wall adapter).
3. The charging indicator light will show charging status (refer to LED indicator section for details). A full charge takes approximately 1.5 hours.

This image shows the BANIGIPA G9 headset connected to a USB-C charging cable, illustrating the charging process.

2. Attaching the Microphone

The boom microphone is detachable and magnetically attaches to the headset.

1. Align the magnetic connector of the boom microphone with the corresponding port on the headset.
2. The microphone will snap into place magnetically.

3. Once attached, the microphone can be rotated 360° to position it optimally for voice pickup.

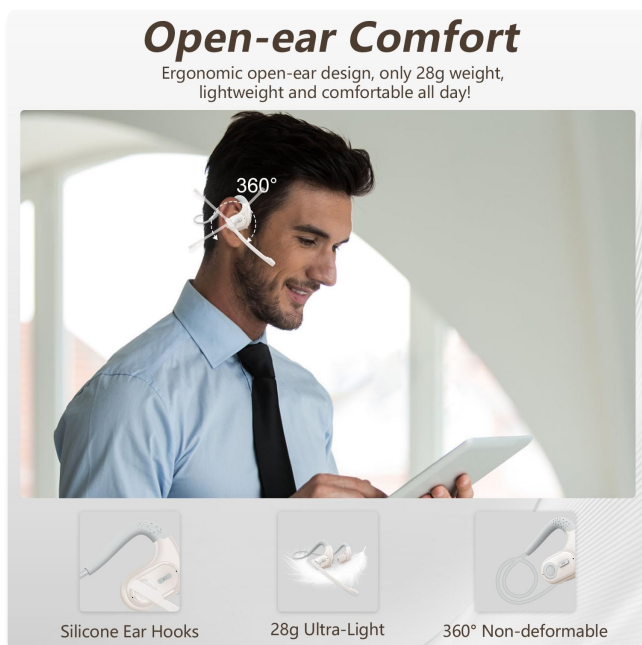

This image demonstrates the detachable and 360° rotatable boom microphone of the BANIGIPA G9 headset, showing how it can be positioned or removed.

3. Wearing the Headset

The headset is designed for open-ear comfort.

1. Place the headset over your ears, ensuring the ear hooks sit comfortably and securely.
2. Adjust the position for optimal sound and comfort.

This image shows a person wearing the BANIGIPA G9 open-ear headset, highlighting its ergonomic design and comfortable fit.

4. Bluetooth Pairing

The headset uses Bluetooth 5.4 for wireless connection.

1. **Power On:** Press and hold the Multi-function button until the LED indicator flashes blue and red, indicating pairing mode.

2. **Enable Bluetooth:** On your device (phone, laptop, tablet), turn on Bluetooth.
3. **Search for Devices:** In your device's Bluetooth settings, search for available devices.
4. **Select "G9":** Choose "G9" from the list of found devices.
5. **Confirm Connection:** Once connected, the LED indicator on the headset will flash blue slowly.

The headset can connect to two devices simultaneously. After connecting the first device, put the headset back into pairing mode and connect to the second device. The headset will automatically connect to the last paired device upon power-on.

Situational Awareness

Stay aware of your surroundings while enjoying your favorite music whether working at home or communicating with colleagues at the office!

This image illustrates the BANIGIPA G9 headset's ability to connect to two devices, such as a smartphone and a laptop, simultaneously via Bluetooth 5.4.

OPERATING INSTRUCTIONS

Button Functions

This diagram labels the various buttons on the BANIGIPA G9 headset and their corresponding functions, including volume control, track navigation, play/pause, call management, and voice assistant activation.

Button/Action	Function
Multi-function Button (Center button on main unit)	Press and hold: Power On/Off Single press: Play/Pause music, Answer/End call Double press: Activate Voice Assistant Triple press: Switch Music/Game Mode Press and hold (incoming call): Reject call
Volume + Button	Single press: Increase Volume Press and hold: Next Song
Volume - Button	Single press: Decrease Volume Press and hold: Previous Song
Microphone Mute Button (On boom mic)	Single press: Mute/Unmute Microphone

Call Management

- **Answering Calls:** Press the Multi-function button once.
- **Ending Calls:** Press the Multi-function button once during a call.
- **Rejecting Calls:** Press and hold the Multi-function button when an incoming call rings.
- **Redialing Last Number:** Double-press the Multi-function button (functionality may vary by device).

Music Playback

- **Play/Pause:** Single press the Multi-function button.
- **Next Song:** Press and hold the Volume + button.
- **Previous Song:** Press and hold the Volume - button.
- **Volume Up:** Single press the Volume + button.
- **Volume Down:** Single press the Volume - button.

Maintenance and Care

- **Cleaning:** Wipe the headset with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, but ensure the headset is completely dry before charging or storing. Do not use harsh chemicals or abrasive cleaners.
- **Water Resistance:** The headset is IPX5 waterproof, meaning it is resistant to splashes and sweat. Do not submerge it in water or expose it to heavy rain.
- **Storage:** Store the headset in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the headset regularly, even if not in use for extended periods.
- **Microphone Care:** Handle the detachable microphone gently when attaching or removing it.

Troubleshooting

Problem	Possible Solution
Headset does not power on.	Ensure the headset is fully charged. Press and hold the Multi-function button for 3-5 seconds.
Cannot pair with device.	Ensure the headset is in pairing mode (LED flashing blue and red). Turn off and on Bluetooth on your device. Move the headset closer to your device. Clear previous Bluetooth connections on your device and try again. Restart both the headset and your device.
No sound or low volume.	Increase the volume on both the headset and your connected device. Ensure the headset is properly connected to your device. Check if the audio output on your device is set to the headset.
Microphone not working.	Ensure the boom microphone is securely attached. Check if the microphone is muted (press the Mute button on the mic). Verify microphone input settings on your connected device.
Intermittent connection/audio drops.	Move closer to your connected device (within 10 meters). Avoid strong electromagnetic interference. Disconnect and reconnect the headset.
