

Tapo Tapo P135 KIT

TP-Link Tapo P135 KIT Smart Dimmer Plug Kit Instruction Manual

Model: Tapo P135 KIT

1. PRODUCT OVERVIEW

The Tapo P135 KIT is a Matter-certified smart Wi-Fi Lamp Dimmer Kit. It includes a smart dimmer plug and a smart dimmer button. This kit allows for simultaneous brightness adjustment of two lamps from 1% to 100% using various control methods. The dimmer button provides instant, local control over connected lamps. The smart dimmer plug integrates seamlessly with certified smart home platforms such as Apple Home, Amazon Alexa, Google Assistant, and Samsung SmartThings.

2. KEY FEATURES

- **Matter-Certified:** Compatible with Apple Home, Alexa, Google Home, and SmartThings.
- **Wireless Button Dimming:** Use the dimmer button for instant dimming and brightening of two lamps simultaneously. No hub required; the button is bound to the dimmer plug.
- **Dual Outlets:** Two outlets for simultaneous control of two lamps. Ensure connected lights have the same load and dimming type.
- **Brightness & Fade Control:** Adjust dimming range from dimmest to brightest levels. Smoothly illuminate or dim lamps for eye comfort.
- **App & Voice Control:** Control via the free Tapo App or voice commands with Siri, Amazon Alexa, Google Assistant, or Samsung SmartThings.

3. PACKAGE CONTENTS

The Tapo P135 KIT includes the following items:

- 1 x Tapo P135 Smart Dimmer Plug
- 1 x Wireless Dimmer Button
- 1 x Shim
- 1 x CR2032 Battery (for dimmer button)
- Quick Installation Guide (QIG)

4. SETUP INSTRUCTIONS

Setting up your Tapo P135 KIT Smart Dimmer Plug is a quick and simple process. You can choose between using the Tapo app with Bluetooth or scanning the Matter QR code with a compatible smart home app.

Important Note for Matter Setup:

The Matter portal is open for 15 minutes. If not set up within 15 minutes of plugging in the device, you will need to reboot or reset the device, or the Matter setup will not work.

Method 1: Using the Tapo App (Bluetooth Setup)

1. Plug in your Tapo P135 Smart Dimmer Plug.
2. Download and open the Tapo app on your smartphone or tablet.
3. Follow the in-app instructions to add the device using Bluetooth.

Method 2: Using a Matter-Compatible App (QR Code Scan)

1. Plug in your Tapo P135 Smart Dimmer Plug.
2. Open your preferred Matter-compatible smart home app (e.g., Apple Home, Amazon Alexa, Google Home, Samsung SmartThings).
3. Initiate the device setup process within the app.
4. Scan the Matter QR code provided with your product (found in the device box or Quick Start Guide).
5. Follow the on-screen prompts to complete the connection to your smart home platform and Wi-Fi network.

5. OPERATING INSTRUCTIONS

The Tapo P135 KIT offers multiple ways to control your connected lamps, providing flexibility and convenience.

Using the Wireless Dimmer Button:

- **Turn On/Off:** Tap the dimmer button once to toggle the connected lamps on or off.
- **Dim/Brighten:** Rotate the dimmer button clockwise to brighten the lamps, and counter-clockwise to dim them.

Dual Outlets

Two outlets on the left and right allow simultaneous control of two lamps with ease.

Using the Tapo App:

- **Remote Control:** Open the Tapo app to control your lamps from anywhere.
- **Brightness Adjustment:** Use the brightness slider in the app to precisely adjust the light intensity from 1% to 100%.
- **Fade On/Off:** Configure fade effects for gentle transitions when turning lights on or off.
- **Scheduling:** Set schedules for your lamps to automatically turn on/off or adjust brightness at specific times.
