## WILLED WJP-010

# WILLED 5W Mirror Lights User Manual

Model: WJP-010 | Brand: WILLED

### PRODUCT OVERVIEW

The WILLED 5W Mirror Light is a versatile and rechargeable lighting solution designed for various home applications. Featuring 120 energy-saving LEDs, it offers ample illumination with adjustable brightness and color temperatures. Its magnetic mounting system allows for easy installation and angle adjustment, making it ideal for makeup mirrors, under-cabinet lighting, closets, bunk beds, and more. The light includes a convenient battery level display and can be controlled via touch or remote.

## WHAT'S IN THE BOX

- 1 x LED Light Bar
- 2 x Magnetic Base
- 1 x Remote Control
- 1 x Type-C Charging Cable
- 1 x User Manual

## SETUP AND INSTALLATION

The WILLED Mirror Light features an easy magnetic stick-on installation. It comes with two sturdy magnetic mounts with adhesive backing, allowing flexible placement in various locations.

1. **Prepare Surface:** Ensure the desired installation surface is clean, dry, and smooth.
2. **Attach Magnetic Base:** Tear off the adhesive tape from the back of a magnetic base. Firmly press the base onto the chosen surface (e.g., under a cabinet, above a mirror, inside a closet).
3. **Mount Light Bar:** Align the LED light bar with the magnetic base. The strong magnets will securely hold the light bar in place.
4. **Adjust Angle:** The exclusive magnetic mount allows for a 135° adjustable lighting angle to direct light precisely where needed.

Image: Visual guide demonstrating the simple two-step installation: peeling the adhesive tape and sticking the magnetic base onto a smooth surface.

## OPERATING INSTRUCTIONS

The WILLED Mirror Light offers dual control modes: touch control directly on the light bar and remote control for convenience.

### Power On/Off

- **Touch Control:** Press the power button ( ) on the light bar to turn it on or off.
- **Remote Control:** Press the "ON" or "OFF" button on the remote.

### Adjusting Brightness

The light features 5-level brightness adjustment.

- **Touch Control:** Use the '+' and '-' buttons on the light bar to increase or decrease brightness.
- **Remote Control:** Use the brightness percentage buttons (10%, 30%, 50%, 70%, 100%) on the remote.

### Changing Color Temperature

Choose from three color temperature options: 3000K (warm white), 4500K (neutral white), and 6000K (cool white).

- **Touch Control:** Press the circular button ( ) on the light bar to cycle through the color temperatures.
- **Remote Control:** Use the color temperature buttons (3000K, 4500K, 6000K) on the remote.

### Timer Function (Remote Control Only)

Set the light to automatically turn off after a set period.

- **Remote Control:** Press the timer buttons (15 min, 30 min, 60 min) on the remote.

## MAINTENANCE

### Charging the Battery

The light bar features a built-in 2000mAh rechargeable battery with a battery level display. This display shows the exact percentage of remaining battery life, alerting you when it's time to recharge.

- Connect the provided Type-C charging cable to the charging port on the light bar.
- Connect the other end of the cable to a compatible USB power source (e.g., wall adapter, computer USB port).
- The battery level display will indicate charging progress. The light is fully charged within 4 hours.

## Long Battery Life

Lasts 30 hours at 10% brightness  
and 4 hours at 100%

## Battery Level Display

Type-C Rechargeable  
Fully charged within 4 hours

Image: Close-up of the light bar's end, displaying the 100% battery level and the Type-C charging port.

## Cleaning

To clean the light bar, gently wipe it with a soft, dry cloth. Do not use abrasive cleaners or immerse the unit in water.

## TROUBLESHOOTING

- **Light not turning on:** Ensure the battery is charged. Connect the light to the charging cable and check the battery level display.
- **Remote not working:** Check if the remote's battery needs replacement. Ensure there are no obstructions between the remote and the light bar.
- **Light flickering or dim:** Recharge the battery. If the issue persists after charging, contact customer support.

## SPECIFICATIONS

<b>Brand</b>	WILLED
<b>Model Name</b>	Under Cabinet Light (WJP-010)
<b>Color</b>	Remote Control (Black)
<b>Material</b>	Plastic
<b>Product Dimensions</b>	11.8"L x 0.6"W x 1.45"H
