2. SETUP INSTRUCTIONS

The Nitori Gaming Chair Model 5688882 requires no assembly. Follow these simple steps to prepare your chair for use:

1. Carefully remove the chair from its packaging.
2. Place the chair on a flat, stable surface in your desired location.
3. Adjust the backrest and table to your preferred initial position.

3. OPERATING INSTRUCTIONS

3.1 Adjusting the Recline

The chair features a 14-tier reclining mechanism for both the backrest and the integrated table. To adjust:

- **For the Backrest:** Gently push the backrest forward slightly, then recline it to your desired angle. It will click into one of the 14 available positions.
- **For the Integrated Table:** Adjust the table surface independently by lifting or lowering it until it locks

into one of its 14 positions.

The chair can be adjusted to a full flat position for complete relaxation.

3.2 Using the Removable Cushion

The chair includes a removable cushion with an adjustable belt for personalized comfort and support.

- **Positioning:** Attach the cushion using its adjustable belt to provide support for your lower back, neck, or knees, depending on your current posture and activity.
- **Note:** The cushion is not washable.

4. MAINTENANCE

Proper care will extend the life of your Nitori Gaming Chair.

- **Cleaning the Chair:** Wipe the chair's surface with a soft, damp cloth. For stubborn spots, use a mild soap solution and then wipe clean with a dry cloth. Do not use abrasive cleaners or harsh chemicals, as these can damage the material.
- **Cushion Care:** The removable cushion is **not washable**. Spot clean only with a damp cloth and mild soap if necessary. Allow to air dry completely.
- **Cover:** The chair cover is **not removable**.
- **Storage:** When not in use for extended periods, store the chair in a dry, cool environment away from direct sunlight to prevent material degradation.

5. TROUBLESHOOTING

If you encounter any issues with your Nitori Gaming Chair, please refer to the following common solutions:

- **Reclining Mechanism Stiff:** Ensure there are no obstructions preventing the mechanism from

moving freely. Do not apply excessive force. If the issue persists, contact customer support.

- **Chair Instability:** Verify that the chair is placed on a flat, level surface. Uneven flooring can affect stability.
- **Unusual Noises:** If you hear creaking or other unusual noises, check all moving parts for any loose connections or foreign objects.

For problems not listed here or if solutions do not resolve the issue, please contact Nitori customer support.
