DOGIBIXO Full Size LED Bed Frame

DOGIBIXO Full Size LED Bed Frame with Charging Station Instruction Manual

Model: Full Size LED Bed Frame (ASIN: B0CNCNY91F)

Brand: DOGIBIXO

1. Important Safety Information

Please read and understand all instructions before beginning assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Do not exceed the maximum weight limit of 1200 pounds.
- Be cautious of sharp edges and metal parts during assembly and use.
- Always follow the assembly instructions carefully to prevent instability or collapse.
- Keep the bed frame away from heat sources to prevent damage to the finish and potential fire hazards.
- Ensure all connections are securely tightened before use. Periodically check and re-tighten fasteners.

2. Package Contents

Before assembly, verify that all components are present and undamaged. Refer to the packing list included with your product for a detailed inventory of parts and hardware.

Typically, the package includes:

- Headboard and Footboard panels
- Side rails
- Metal support slats
- Center support legs
- Hardware pack (screws, bolts, washers, Allen wrench)
- LED light strips and controller
- USB/Type-C charging module
- Instruction manual

3. Assembly Instructions

Assembly typically requires two adults. Please follow the step-by-step instructions provided in the separate assembly guide included in your package. The following provides a general overview and key considerations.

3.1 Preparation

- Clear a spacious area for assembly.
- Lay out all parts and hardware on a soft, clean surface to prevent scratches.
- Ensure all tools (usually an Allen wrench is provided, a screwdriver may be needed) are at hand.

3.2 General Assembly Steps

1. Attach the side rails to the headboard and footboard using the provided bolts and nuts. Do not fully tighten until all major components are connected.
2. Install the center support beam(s) and legs.
3. Place the metal support slats across the frame. Secure them to the side rails using the designated screws. The design includes silent strips and multiple screw holes for stability and noise reduction.
4. Once all structural components are in place, fully tighten all bolts and screws.
5. Install the LED light strips and charging station module into the designated slots on the headboard and footboard. Connect the necessary power cables.

Figure 3.2.1: Product dimensions for the DOGIBIXO Full Size LED Bed Frame. The frame measures 76.38 inches in length, 57.48 inches in width, and 37.4 inches in height at the headboard. It features a 10.43-inch under-bed clearance and a weight capacity of 1000 lbs (note: text states 1200 lbs, refer to specific product manual for exact capacity).

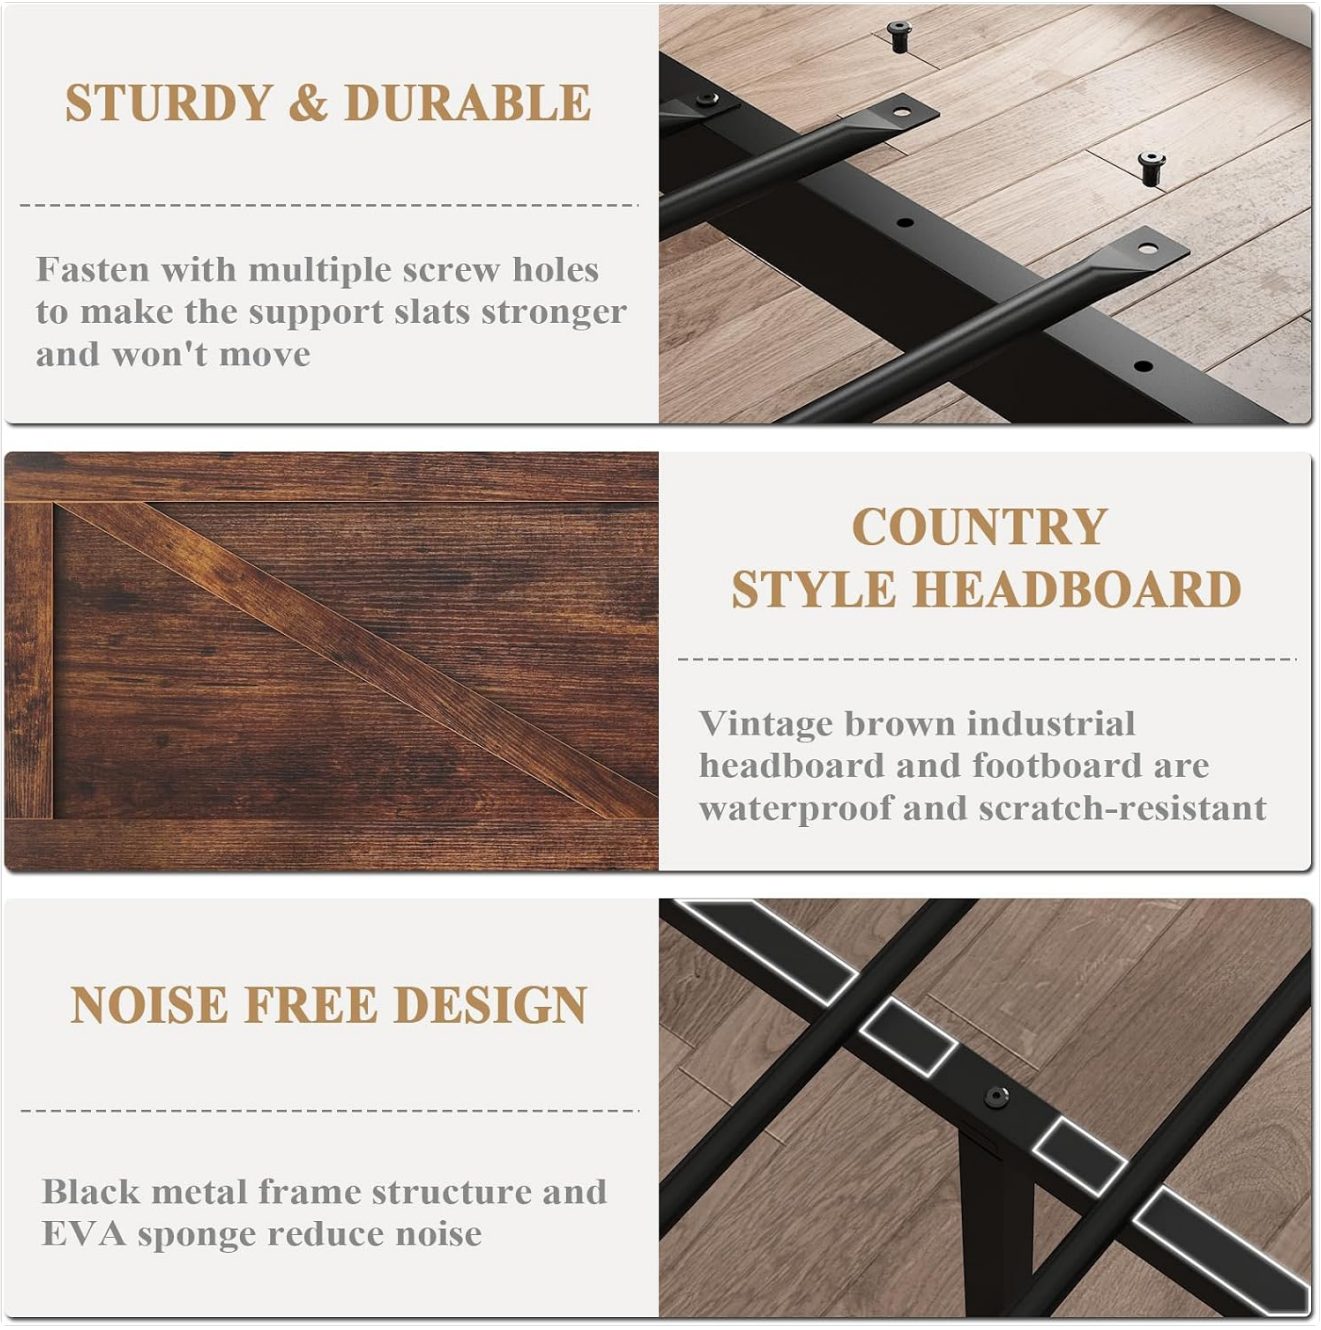

Figure 3.2.2: Illustration of the bed frame's sturdy and durable construction, featuring multiple screw holes for secure slat attachment, a country-style headboard, and a noise-free design with EVA sponge to reduce sound.

4. Operating Instructions

4.1 LED Lighting System

The bed frame is equipped with RGB LED lights on both the headboard and footboard, offering over 60,000 color options and various modes.

- **Control Methods:** The LED lights can be controlled via a remote control or a dedicated smartphone application.
- **Functions:** Adjust brightness, change colors, select from multiple lighting modes (e.g., mic mode, music mode), and set timers for automatic on/off.
- **Smartphone App:** Download the recommended app (refer to your specific LED controller instructions for app name) from your device's app store. Follow the in-app instructions to pair your device with the LED lighting system.

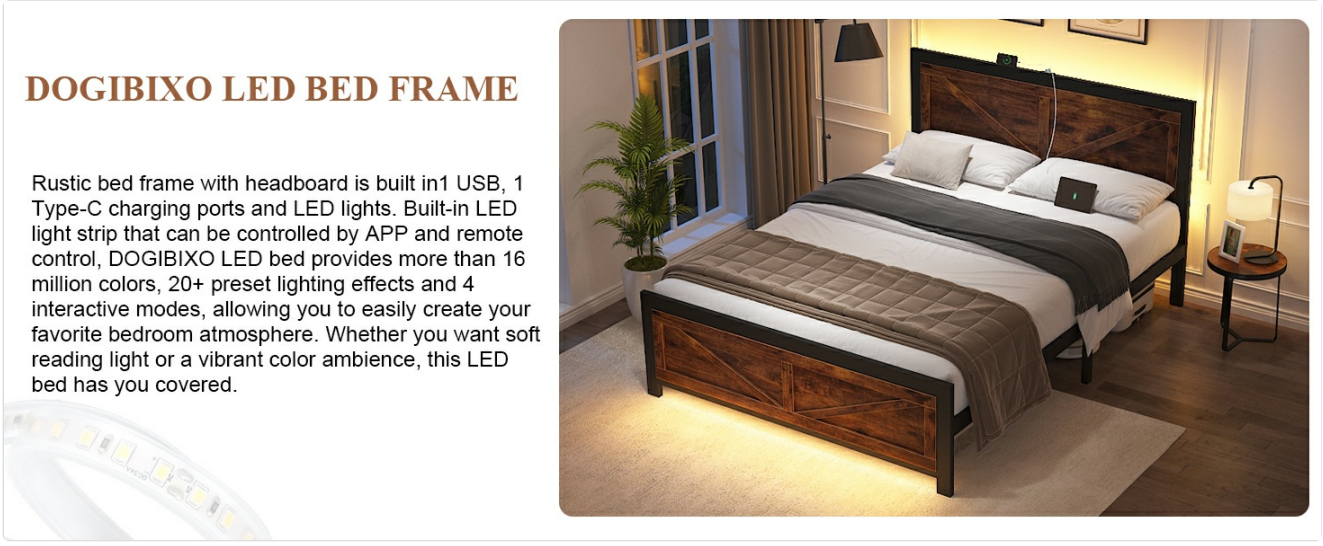

Figure 4.1.2: Visual representation of the smartphone app and remote control used to manage the LED lights, demonstrating various color and mode selections.

4.2 Charging Station

The headboard features a built-in USB and Type-C charging port for convenient device charging.

- **Usage:** Connect your electronic devices (smartphones, tablets, etc.) to the USB or Type-C ports using appropriate charging cables.
- **Power Source:** Ensure the bed frame's power cable for the charging station is properly plugged into a functional wall outlet.

Figure 4.2.1: Close-up view of the headboard's integrated USB and Type-C charging ports, showing devices being charged.

5. Maintenance

Regular maintenance helps prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Fasteners:** Periodically check all bolts and screws to ensure they are tight. Re-tighten as necessary to maintain stability and prevent squeaking.
- **LED Lights:** If LED strips become dirty, gently wipe them with a dry or slightly damp cloth. Avoid direct contact

with water.

- **Charging Ports:** Keep charging ports free of dust and debris. Use a dry, soft brush or compressed air if needed.

6. Troubleshooting

This section addresses common issues you might encounter.

6.1 Squeaking Noises

- **Cause:** Loose fasteners or friction between metal parts.
- **Solution:** Re-tighten all bolts and screws on the frame. Ensure silent strips (EVA sponge) are correctly positioned between metal components where applicable.

6.2 LED Lights Not Working

- **Cause:** Power disconnection, faulty remote/app, or damaged LED strip.
- **Solution:** Check if the LED power adapter is securely plugged into a wall outlet and the bed frame. Ensure the remote control has working batteries. Try controlling with the smartphone app if the remote fails, or vice-versa. Inspect LED strip connections for looseness.

6.3 Charging Station Not Functioning

- **Cause:** Power disconnection, faulty cable, or device incompatibility.
- **Solution:** Verify the charging station's power cable is plugged into a live wall outlet. Try a different charging cable or device to rule out cable/device issues.

7. Specifications

Feature	Detail
Brand	DOGIBIXO
Model	Full Size LED Bed Frame
Size	Full
Product Dimensions (L x W x H)	76.38" x 57.48" x 37.4"
