DOGIBIXO LED Bed Frame Queen Size

DOGIBIXO LED Bed Frame Queen Size with USB Charging Station Instruction Manual

Model: LED Bed Frame Queen Size (Rustic Brown)

1. Introduction

Thank you for choosing the DOGIBIXO LED Bed Frame. This industrial platform bed frame features a farmhouse barn door headboard, integrated LED lighting, and a convenient USB charging station. Designed for durability and comfort, it provides strong metal slat support and a noise-free experience, eliminating the need for a box spring. This manual will guide you through the assembly, operation, and maintenance of your new bed frame.

2. Safety Warnings

Important: Please read and understand all safety warnings before assembly and use.

- Do not exceed a total weight of 1200 pounds on the bed frame.
- Be cautious of sharp edges and metal support rods during assembly and use.
- Follow assembly instructions carefully to prevent instability or collapse.
- Ensure all screws and fasteners are securely tightened before use.
- Keep children and pets away from the assembly area to prevent injury.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged,

please contact customer support.

- Headboard (with integrated LED lights and USB/Type-C charging ports)
- Footboard
- Side Rails (Left and Right)
- Metal Slats
- Support Legs
- Assembly Hardware (screws, bolts, washers, Allen wrench)
- LED Remote Control
- Instruction Manual

Special Features	LED Lights, USB/Type-C Charging Station, Squeak Resistant
Color	Rustic Brown
Material	Wood, Metal
Assembly Required	Yes
Under-bed Clearance	10.4 inches

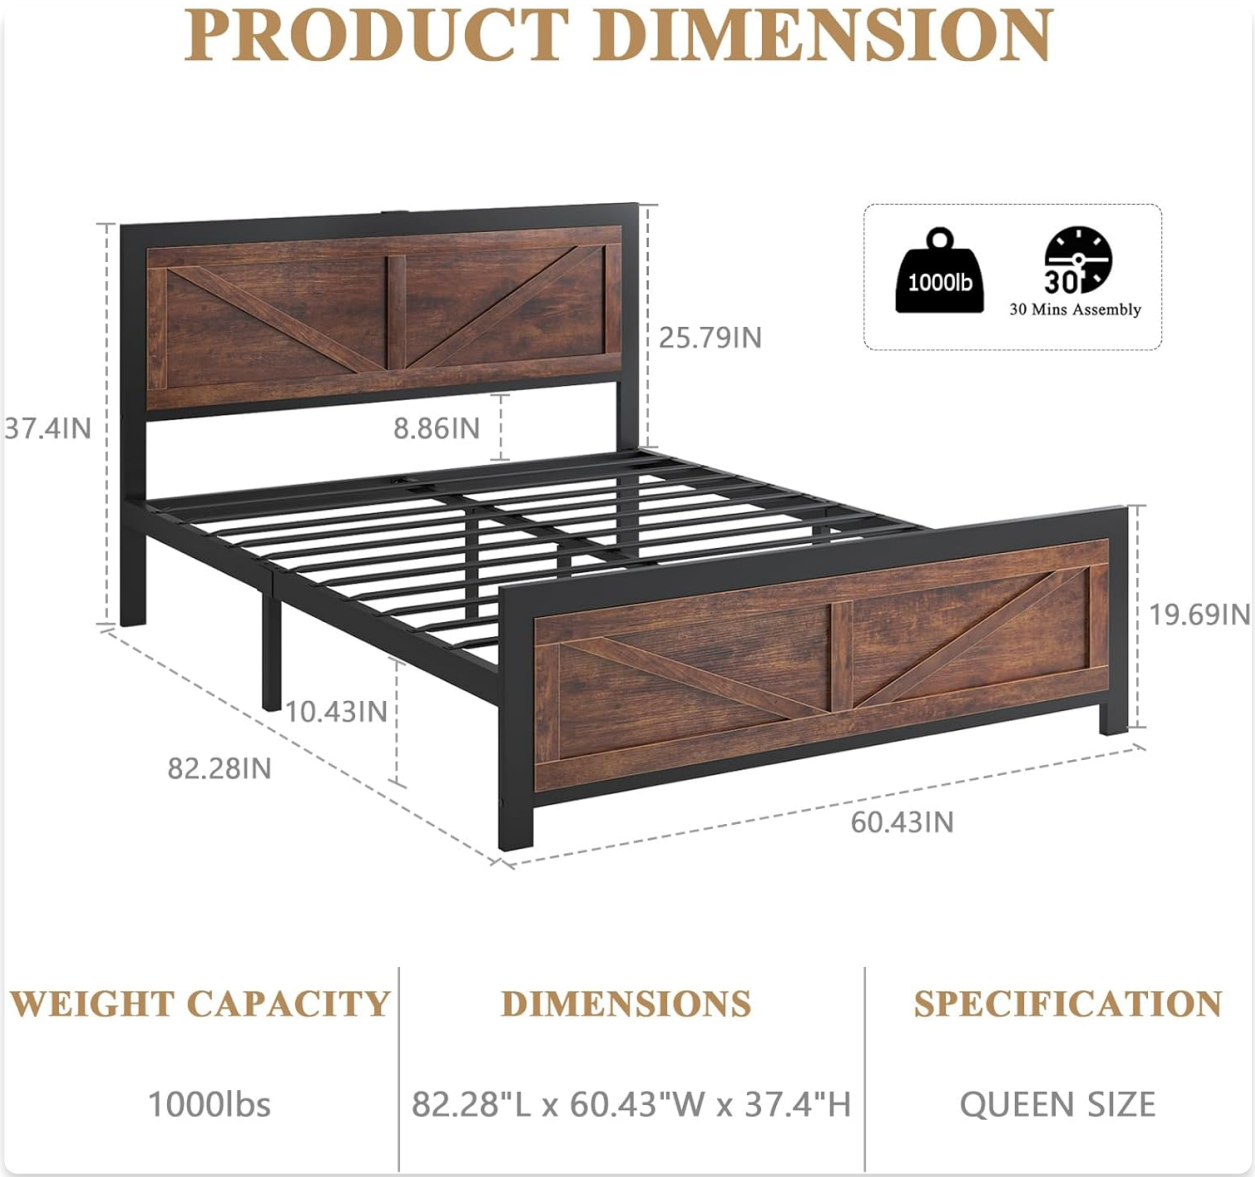

Image Description: A detailed diagram illustrating the dimensions of the Queen size bed frame, including length, width, height, and under-bed clearance. It also highlights the 1000 lbs weight capacity and estimated 30-minute assembly time.

5. Setup and Assembly

Assembly is designed to be straightforward. It is recommended to have two people for easier and faster setup. All necessary tools are included.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the package contents list.
2. **Assemble Headboard and Footboard:** Attach the support legs to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Connect Side Rails:** Attach the side rails to the assembled headboard and footboard. Make sure the connections are firm and stable.
4. **Install Metal Slats:** Place the metal slats across the bed frame. Secure them to the side rails using the provided screws. The slats are designed to be bolted down for enhanced stability and noise reduction.
5. **Connect LED Lights and Charging Station:**Carefully attach the LED light strips to the designated areas on the headboard and footboard. Connect the USB and Type-C charging station to a power source.

6. **Final Check:** Double-check all screws and bolts to ensure they are fully tightened. Place your mattress on the assembled frame.

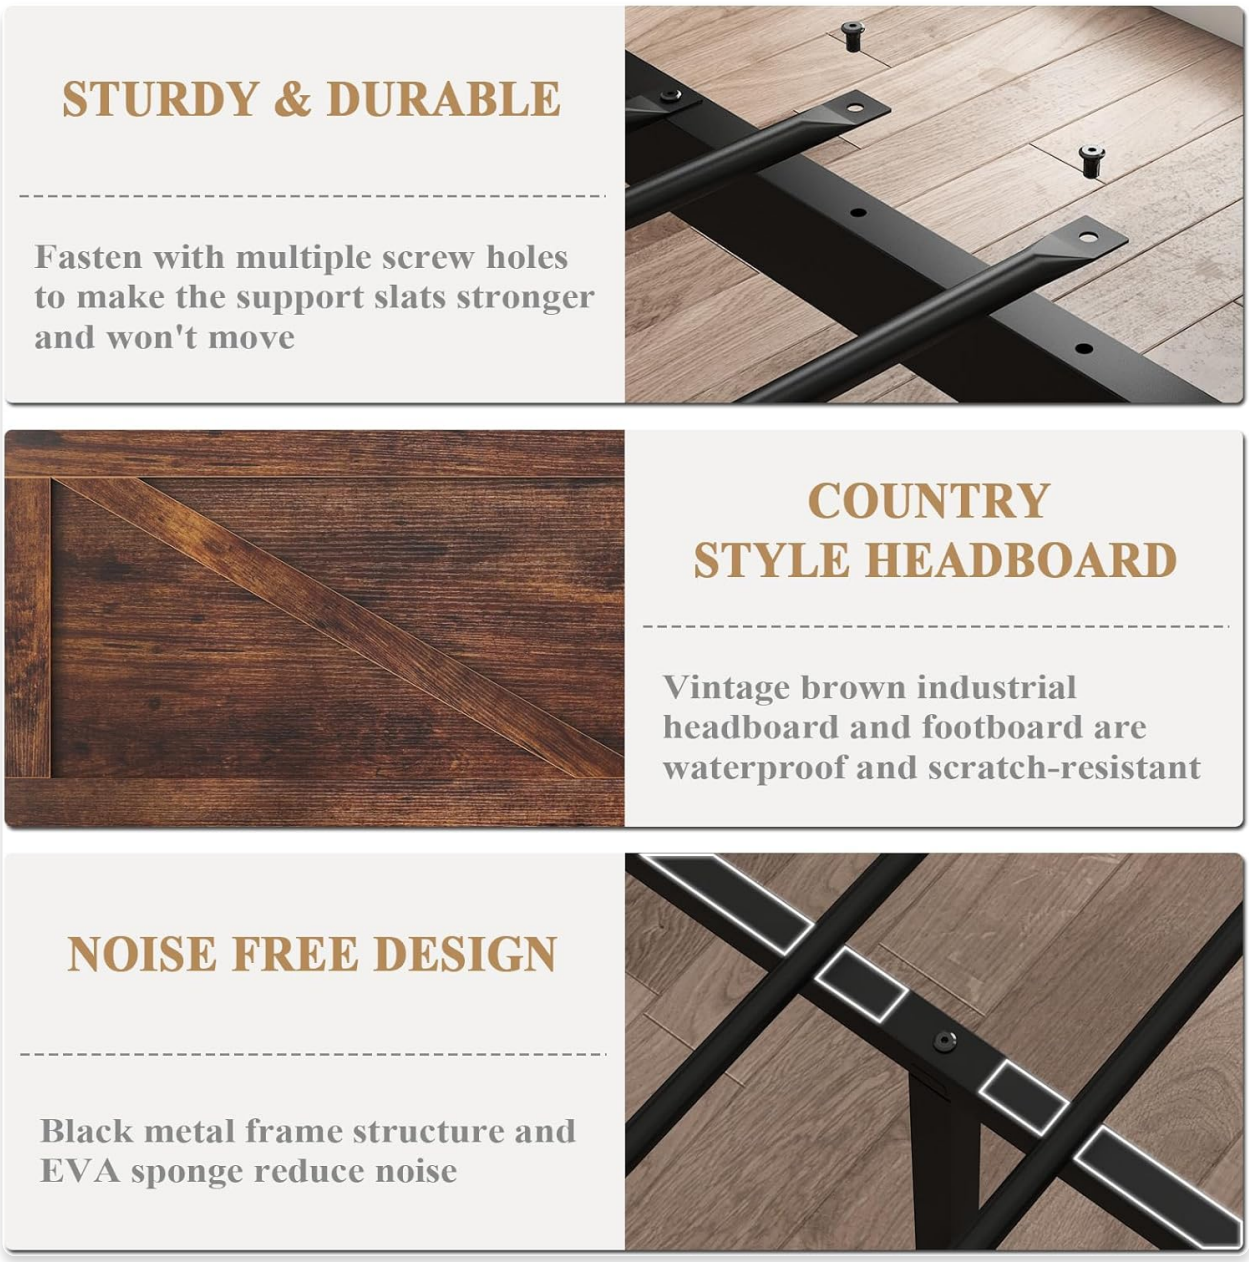

Image Description: This image provides a close-up view of the bed frame's construction, emphasizing its sturdy and durable design with multiple screw holes for strong support slats. It also showcases the vintage brown industrial headboard and footboard, highlighting their waterproof and scratch-resistant properties, and details the noise-free design with black metal frame structure and EVA sponge to reduce noise.

6. Operating Instructions

6.1. LED Lights Operation

Your bed frame is equipped with RGB LED lights on both the headboard and footboard, offering over 60,000 color options and various modes.

- **Remote Control:** Use the provided remote control to change colors, adjust brightness, select different lighting modes (e.g., static, flash, pulse), and set timers.
- **Smartphone App:** Scan the QR code provided in the packaging to download the companion smartphone app. The app allows for more advanced control, including custom color selection, music sync mode, and

scheduling.

Image Description: A visual representation of the DOGIBIXO LED Bed Frame with its smart RGB LED lights illuminated. The image highlights the remote control and smartphone app interface for controlling over 60,000 colors, mic mode, music mode, and timing functions.

6.2. USB Charging Station

The headboard features a built-in USB and Type-C port for convenient device charging.

- **Connect Devices:** Simply plug your mobile phones, tablets, or other electronic devices into the USB or Type-C ports located on the headboard.
- **Power Source:** Ensure the bed frame is connected to a wall outlet for the charging station to function.

Image Description: A close-up view of the headboard's integrated USB and Type-C charging ports, showing devices connected and charging. This feature allows for easy charging of electronics directly from the bed.

7. Maintenance

Regular maintenance will help prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe down metal and wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Tighten Fasteners:** Periodically check all screws and bolts and tighten them as needed to maintain stability and prevent squeaking.
- **LED Lights:** If LED lights malfunction, check the power connection and remote control battery.
- **Charging Ports:** Keep USB and Type-C ports free of dust and debris.

8. Troubleshooting

Problem	Possible Cause / Solution
Bed frame is noisy/squeaking	Ensure all screws and bolts are tightly secured. Check for any loose connections between frame components. The design includes silent strips and foam to minimize noise, so re-tightening is usually effective.
LED lights are not working	Verify the power adapter is securely plugged into a wall outlet and the bed frame. Check the remote control battery. Ensure the LED strips are properly connected to the control unit.
USB/Type-C charging ports are not working	Confirm the bed frame is powered on and connected to a functional wall outlet. Try a different charging cable or device to rule out external issues.
Parts are missing or damaged upon arrival	Contact DOGIBIXO customer service immediately with your order details for assistance.

9. Warranty and Support

DOGIBIXO is committed to providing quality products and customer satisfaction. While specific warranty details are not provided in this manual, we encourage you to contact our customer service team for any issues or inquiries.

Customer Support: If you encounter any problems or have questions regarding your DOGIBIXO LED Bed Frame, please message us via Amazon. Our customer team aims to provide a satisfactory answer within 24 hours and ensure a pleasant shopping experience.
