Operation and Usage

Once installed, the Tissting Under Shelf Storage Basket provides convenient access to your items.

- **Storage:** Place items such as spices, small containers, kitchen towels, office supplies, or books into the basket.
- **Hanging Functionality:** The wire design allows for easy visibility and retrieval of items. Some models may also support hanging accessories from the bottom grid (refer to Figure 3).
- **Weight Distribution:** For optimal stability, distribute the weight of items evenly within the basket. Avoid placing excessively heavy items that could exceed the shelf's or basket's capacity.

Maintenance and Cleaning

Maintaining your Tissting Under Shelf Storage Basket is straightforward, ensuring its longevity and appearance.

- **Regular Cleaning:** Wipe the basket regularly with a soft, damp cloth to remove dust and light grime.
- **Stubborn Stains:** For more stubborn marks, a mild soap solution can be used, followed by wiping with a clean, damp cloth and then drying thoroughly.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, scouring pads, or harsh chemical detergents, as these can damage the finish of the metal.
- **Drying:** Ensure the basket is completely dry after cleaning to prevent water spots or potential rust, although the iron material is designed for rust resistance.

Troubleshooting

If you encounter any issues with your Tissting Under Shelf Storage Basket, please refer to the following common solutions:

- **Basket is not stable:**
  - Ensure the shelf thickness is within the recommended limit (less than 3.5 cm).
  - Verify that the basket's hanging arms are fully engaged with the shelf.
  - Check if the weight of the contents is evenly distributed.
- **Basket appears scratched or damaged:**
  - Inspect the packaging upon arrival for any signs of damage.
  - Contact customer support if the product arrived damaged.
