HOMCOM Sideboard Cabinet with Solid Wood Countertop (Model 835-144V81BK) - Instruction Manual

Your guide to assembly, usage, and maintenance.

1. INTRODUCTION AND OVERVIEW

Thank you for choosing the HOMCOM Sideboard Cabinet. This versatile storage solution is designed to enhance your home with its functional design and durable construction. It features a solid wood countertop, two drawers, and a two-tier cabinet with an adjustable shelf, making it suitable for various uses such as a coffee bar, kitchen organizer, or accent cabinet.

This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new cabinet. Please read it thoroughly before beginning assembly and retain it for future reference.

2. SAFETY INFORMATION

WARNING: Failure to follow these safety instructions could result in injury or damage to the product.

- Ensure the cabinet is attached to the wall using the anti-tipping design to prevent tipping and potential injury. This is especially important in households with children or pets.
- Do not overload shelves or drawers. Distribute weight evenly.
- Keep small parts and packaging materials away from children during assembly.
- Assemble the unit on a soft, clean surface to prevent scratches.
- Periodically check all connections and fasteners to ensure they remain tight.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts and hardware listed in the included assembly guide are present and undamaged. If any parts are missing or damaged, please contact customer support for assistance.

4. ASSEMBLY INSTRUCTIONS

Assembly of the HOMCOM Sideboard Cabinet is designed to be straightforward. Follow the step-by-step visual instructions provided in the separate assembly manual included with your product. It is recommended to have a power screwdriver for efficiency, but manual tools are also sufficient.

1. **Step 1:** Unpack all components and lay them out on a clean, soft surface. Verify all parts against the parts list.
2. **Step 2:** Begin by assembling the main frame of the cabinet, ensuring all connections are secure.
3. **Step 3:** Install the drawer slides and assemble the two drawers. Ensure they glide smoothly.
4. **Step 4:** Attach the cabinet doors using the provided hinges. Adjust as necessary for proper alignment.
5. **Step 5:** Insert the adjustable shelf into the desired position within the cabinet.
6. **Step 6:** Secure the anti-tipping device to the back of the cabinet and to a wall stud to prevent accidental tipping.

5. OPERATING INSTRUCTIONS (USAGE)

The HOMCOM Sideboard Cabinet offers versatile storage and display options:

- **Top Surface:** The natural rubber wood countertop provides a durable and easy-to-clean surface, ideal for placing small appliances like coffee makers, toasters, or decorative items.
- **Drawers:** Two smooth-gliding drawers are perfect for organizing smaller items such as utensils, napkins, straws, or coffee pods.
- **Cabinet Storage:** Behind the two doors, a two-tier storage area with a 3-level adjustable shelf allows for customized organization of plates, food containers, baking supplies, or small pots and pans. The magnetic locks ensure doors remain securely closed.

AMPLE STORAGE SPACE

6. MAINTENANCE

To ensure the longevity and appearance of your HOMCOM Sideboard Cabinet:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. The rubber wood countertop is easy to clean with a normal dishcloth.
- **Spills:** Clean up spills immediately to prevent staining, especially on the wood countertop.
- **Hardware:** Periodically check and tighten all screws and fasteners to maintain stability.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.

7. TROUBLESHOOTING

If you encounter any issues with your cabinet, please refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws are tightened. Verify the anti-tipping device is securely installed.
- **Drawers Not Sliding Smoothly:** Check that the drawer slides are correctly installed and free from obstructions. Lubricate if necessary.
- **Doors Not Aligning:** Adjust the hinges as per the assembly instructions. Ensure the cabinet is on a level surface.

For persistent issues, please contact HOMCOM customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	HOMCOM
