- Attach Wheels:** Insert the four 360-degree swivel wheels into the designated slots at the base of the cart frame. Ensure they snap securely into place.

CARE AND MAINTENANCE

- **Drawer Care:** Periodically remove the drawers and clean them separately. Ensure the tracks are free of debris to maintain smooth operation.
- **Wheel Maintenance:** Check the wheels occasionally for hair or debris that may hinder smooth rotation. Clean as needed.
- **Storage:** Store the cart in a dry environment away from direct sunlight or extreme temperatures to prevent material degradation.
