Sweiko AB20293334N

Sweiko Upholstered Bed Frame 90x200 cm - Instruction Manual

Model: AB20293334N | Brand: Sweiko

1. Introduction

Thank you for choosing the Sweiko Upholstered Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read these instructions carefully before beginning assembly and retain them for future reference.
Your Sweiko bed frame features a comfortable upholstered headboard with integrated reading lamps, a convenient USB charging port, and a practical gas lift storage mechanism to maximize your bedroom space.

2. Safety Information

- **Weight Capacity:** This bed frame has a maximum load capacity of 660 lbs (approximately 300 kg). Do not exceed this weight limit.
- **Assembly:** For safe and efficient assembly, it is highly recommended that two people participate.
- **Mattress:** A mattress is not included with this bed frame. Ensure the mattress used is compatible with the 90x200 cm dimensions.
- **Electrical Components:** Ensure all electrical connections for the reading lamps and USB port are securely made and follow local electrical safety guidelines. Do not overload the USB port.
- **Gas Lift Mechanism:** Exercise caution when lifting and lowering the bed base. Keep hands and fingers clear of moving parts to prevent injury. Ensure the mechanism is fully engaged when open.
- **Children:** Keep children away from the assembly area. Do not allow children to play with the gas lift mechanism.

3. Package Contents

Your Sweiko bed frame is shipped in two separate cartons, which may arrive on different dates. Please verify that all components are present before beginning assembly. Refer to the included assembly diagram for a detailed list of parts.

If any parts are missing or damaged, please contact customer service immediately.

4. Setup and Assembly Instructions

Estimated assembly time: 1 hour (with 2 people).

1. **Unpack and Identify:** Carefully unpack all components from both cartons. Lay them out on a clean, soft surface to prevent scratches. Identify each part by comparing it with the provided assembly diagram.
2. **Assemble the Bed Frame:** Follow the step-by-step instructions in the assembly guide to connect the side rails, footboard, and central support beam. Ensure all bolts are tightened securely.
3. **Install the Gas Lift Mechanism:** Attach the gas lift mechanism to the bed frame according to the instructions. This mechanism allows for easy access to the under-bed storage.
4. **Attach the Slatted Base:** Secure the solid wood slats to the bed frame. Ensure they are evenly spaced and firmly attached to provide proper mattress support.
5. **Connect the Headboard:** Attach the upholstered headboard to the assembled bed frame. Ensure it is stable and aligned.
6. **Electrical Connections:** Connect the wiring for the integrated reading lamps and the USB charging port as indicated in the manual. Plug the power adapter into a suitable wall outlet.

5. Operating Instructions

5.1. Gas Lift Storage

To access the spacious storage compartment beneath the bed, firmly grasp the handle located at the foot of the bed base and lift upwards. The gas lift mechanism will assist in raising the base smoothly. To close, gently push the bed base downwards until it locks into place. The storage area is lined with Oxford cloth to protect your belongings from dust.

5.2. Reading Lamps

The integrated reading lamps are located on the headboard. To turn them on or off, use the switch located on each lamp. The flexible design allows you to adjust the light direction to suit your reading needs without disturbing others.

5.3. USB Charging Port

A USB charging port is conveniently located on the headboard. Simply plug your electronic devices, such as smartphones or tablets, into the port to charge them. Ensure the bed frame is connected to a power source for the USB port to function.

6. Maintenance

- **Upholstery Care:** The linen upholstery should be cleaned by hand wash only or dry cleaned. Do not machine wash or tumble dry. Use a soft cloth and mild detergent for spot cleaning.
- **Frame Maintenance:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
- **Dusting:** Regularly dust the bed frame with a soft, dry cloth to prevent dust buildup.
- **Gas Lift Mechanism:** Do not apply oil or grease to the gas lift mechanism unless specifically instructed by customer support. Keep the mechanism free of obstructions.

7. Troubleshooting

- **Missing Parts:** If you find any parts missing upon delivery, please contact Sweiko customer service immediately with your purchase details.
- **Difficulty Assembling:** Ensure you are following the assembly instructions precisely. Verify that all parts are correctly oriented. If issues persist, refer to the diagrams or contact customer service.
- **Gas Lift Not Working Smoothly:** Check for any obstructions around the mechanism. Ensure the bed base is properly aligned. If the issue continues, avoid forcing the mechanism and contact customer service.
- **Reading Lamps/USB Port Not Functioning:** Verify that the bed frame's power adapter is securely plugged into a working wall outlet. Check all electrical connections within the headboard. If the problem persists, contact customer service.
- **Squeaking Noises:** Check and tighten all bolts on the bed frame, especially those connecting the side rails and slats.

8. Specifications

Feature	Specification
Brand	Sweiko
Model Number	AB20293334N
Dimensions (L x W x H)	2.21 x 0.91 x 1.03 meters (for 90x200 cm mattress size)
