

## Allewie AK-RBC002

# Allewie Queen Size Platform Bed Frame

Model: AK-RBC002

## IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not exceed the maximum mattress weight limit of 800 lbs.
- Assemble the bed frame strictly according to the provided instructions to ensure stability and safety.
- Exercise caution during assembly and use to avoid sharp edges or pinch points.
- Ensure all bolts and screws are securely tightened before use and periodically check for tightness.

## PRODUCT OVERVIEW

The Allewie Queen Size Platform Bed Frame (Model AK-RBC002) is designed for comfort and durability. It features an adjustable faux leather headboard with diamond stitching and button tufting, providing a modern aesthetic. The sturdy wood and steel frame eliminates the need for a box spring, offering reliable support for your mattress.

### Key Features:

- **Adjustable Headboard:** Two-level height adjustment (45.2" / 49.2") to accommodate mattresses between 8" and 14" thick.
- **Quiet Design:** Engineered with upgraded quiet pads and fixed slats to minimize noise and mattress shifting.
- **Durable Construction:** Heavy-duty wood and steel frame with reinforced slats for robust support.
- **No Box Spring Needed:** Designed for direct mattress placement on the sturdy slat system.
- **Easy Assembly:** All necessary tools and instructions are included for a straightforward setup.

## PACKAGE CONTENTS

The Allewie Queen Size Platform Bed Frame is shipped in one package containing all components and hardware required for assembly. Please verify all parts are present before beginning assembly.

Image: All components of the Allewie Queen Size Platform Bed Frame, including the headboard, side rails, support legs, and wooden slats, laid out before assembly.

## SETUP AND ASSEMBLY

Assembly of the Allewie Queen Size Platform Bed Frame typically requires two people and can be completed within an hour. Follow the step-by-step instructions provided in the included manual. Ensure you have adequate space for assembly.

### Assembly Steps:

1. Unpack all components and verify against the parts list.
2. Attach the side rails to the headboard and footboard using the provided hardware.
3. Install the center support beam and its legs.
4. Place and secure the wooden slats onto the frame.
5. Adjust the headboard height to your preference before tightening all connections.

## OPERATING AND USAGE

This platform bed frame is designed for use with a mattress directly on its slats, eliminating the need for a box spring. The adjustable headboard allows for customization based on your mattress height.

### Headboard Adjustment:

The headboard can be set to two different heights: 45.2 inches or 49.2 inches. This adjustment ensures a proper fit and aesthetic with mattresses ranging from 8 to 14 inches in thickness.

# QUEEN

L  
81.1"

W  
62.4"

H  
45.2/49.2"

Weight Capacity: 800 LBS

## Under-Bed Clearance:

The bed frame provides 6.3 inches of clearance from the floor, allowing for easy access for robot vacuums and providing space for under-bed storage.

## MAINTENANCE

Proper maintenance will extend the life and appearance of your Allewie bed frame.

- **Cleaning:** The faux leather headboard and frame should be dry cleaned only. For general cleaning, wipe with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Tightness Check:** Periodically (e.g., every 3-6 months) check all bolts and screws to ensure they remain tight. Retighten if necessary to maintain stability and prevent squeaks.
- **Ventilation:** If a new product smell is present upon unboxing, allow the room to ventilate for a few days after assembly.

## TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem                             | Possible Cause                          | Solution                                                                               |
|-------------------------------------|-----------------------------------------|----------------------------------------------------------------------------------------|
| Bed frame squeaks or feels unstable | Loose connections or uneven floor.      | Check and re-tighten all bolts and screws. Ensure the bed is on a level surface.       |
| Missing parts or hardware           | Packaging error or lost during transit. | Contact Allewie customer support immediately for replacement parts.                    |
| Chemical smell after assembly       | New product off-gassing.                | Ensure adequate ventilation in the room. The smell should dissipate within a few days. |
