SETUP GUIDE

1. Assembling the Stand

1. Unfold the X-style piano stand to its desired height. Ensure the locking mechanism is securely engaged.
2. Place the Starfavor SP-88S keyboard securely on top of the stand.

2. Connecting the Piano

1. **Power Connection:** Connect the power adapter to the DC IN port on the back of the keyboard and then plug it into a wall outlet.
2. **Sustain Pedal:** Insert the sustain pedal cable into the 'Sustain Pedal Jack' on the rear panel.
3. **Headphones:** For private practice, plug the included headphones into the 'Headphone Jack'.
4. **Music Holder:** Insert the music holder into the designated slots on the top panel of the keyboard.

OPERATING INSTRUCTIONS

1. Powering On/Off

Press the **ON/OFF** button located on the control panel to power the keyboard on or off.

2. Adjusting Volume

Rotate the **Volume Knob** to increase or decrease the overall sound level.

3. Selecting Tones and Rhythms

- Press the **TONE** button, then use the number keys or +/- buttons to select from 198 available timbres.
- Press the **RHYTHM** button, then use the number keys or +/- buttons to select from 198 available rhythms.

4. Using Metronome

Press the **METRONOME** button to activate the metronome. Press again to cycle through different time signatures or turn off.

5. Recording and Playback

The keyboard features a recording function. Consult the detailed instructions in the included user manual for specific steps on how to record and play back your performances.

6. Bluetooth Connectivity

Activate Bluetooth on your external device (phone, tablet). On the keyboard, ensure Bluetooth is enabled (refer to the main manual for specific button presses). Select 'Starfavor SP-88S' from your device's Bluetooth list to pair. This allows you to play along with music from your device.

7. USB MIDI Functionality

Connect the keyboard to a computer or other MIDI-compatible device using the USB cable. The keyboard will function as a MIDI controller, allowing you to use music software for recording, composing, and learning.

FEATURES OVERVIEW

- **88 Semi-Weighted Keys:** Provides a realistic playing feel similar to an acoustic piano.
- **128-Note Polyphony:** Allows for complex musical passages without notes cutting off.
- **198 Timbres & 198 Rhythms:** A wide selection of sounds and accompaniment styles.
- **80 Demo Songs:** Pre-loaded songs for listening and learning.
- **Recording Function:** Capture and review your performances.
- **Metronome & Transpose:** Essential tools for practice and performance.
- **Bluetooth & USB MIDI:** Versatile connectivity for modern music production and learning.
- **Portable Design:** Lightweight (11 lbs) and slim (2.36 inches thick) for easy transport.

- **Rechargeable Battery:** Built-in lithium battery provides over 10 hours of playtime on a single charge.

FULL SIZE 88 KEY PIANO KEYBOARD

As a portable 88 key keyboard for beginners and pianists, SP-88S's piano keys are full size, semi-weighted, and touch sensitive. You can get proper training of the correct hand gesture on full-size keys everyday during long-time piano practice. By simulating the touch of grand piano keys, with its sensitive sound change, the piano keys bounce faster for reducing the sense of force.

Image: A person's hands playing the full-size 88 semi-weighted keys of the Starfavor SP-88S digital piano, demonstrating its realistic touch.

CONNECTIVITY OPTIONS

The Starfavor SP-88S offers a range of ports for various connections:

Port	Function
Headphone Jack (3.5mm)	For connecting headphones for private practice.
Aux Out Jack	For connecting to external amplifiers or speakers.
Power Jack (DC IN)	For connecting the power adapter.
Microphone Jack	For connecting a microphone.
MP3 Jack	For connecting an external audio player.
Sustain Pedal Jack (Single)	For connecting a single sustain pedal.
Triple Pedal Jack	For connecting a triple pedal unit (if applicable).
MIDI Jack (USB MIDI)	For connecting to a computer or other MIDI devices.

MULTIPLE OUTPUTS

1 Headphone Jack	5 MP3 Jack
2 Aux Out Jack	6 Sustain pedal Jack Single
3 Power Jack	7 Triple Pedal Jack
4 Microphone Jack	8 MIDI Jack

MAINTENANCE

- **Cleaning:** Use the provided cleaning cloth or a soft, dry cloth to wipe the surface of the keyboard. Do not use abrasive cleaners, waxes, or solvents.
- **Storage:** When not in use, store the keyboard in its carrying bag to protect it from dust and moisture. Avoid storing in direct sunlight or extreme temperatures.
- **Battery Care:** For optimal battery life, fully charge the keyboard before its first use. If storing for an extended period, charge the battery periodically to prevent deep discharge.

TROUBLESHOOTING

If you encounter any issues, refer to the table below for common problems and solutions.

Problem	Possible Cause	Solution
No sound	Volume too low; headphones connected; power issue.	Increase volume; disconnect headphones; check power adapter connection or battery charge.
Keys not responding	Keyboard not powered on; internal malfunction.	Ensure power is on; if problem persists, contact customer support.
Bluetooth not connecting	Bluetooth not enabled on device/keyboard; device too far.	Ensure Bluetooth is active on both devices; move devices closer; try re-pairing.
Sustain pedal not working	Pedal not connected properly; faulty pedal.	Ensure pedal is fully inserted into the correct jack; test with another pedal if available.
