## SAFETY INFORMATION

- Keep all small parts and packaging materials away from children.
- Ensure all screws and connections are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the desk. The desktop has a maximum load capacity of 50kg (110 lbs).
- Avoid placing hot items directly on the desktop surface.
- Do not stand or sit on the desk.
- Use only the provided power adapter for the LED lighting and power outlets.
- If any parts are missing or damaged, do not proceed with assembly. Contact customer support immediately.

## PACKAGE CONTENTS

Please verify that all components listed below are present before beginning assembly. If anything is missing, please contact customer support.

| Part                   | Description                    | Quantity |
|------------------------|--------------------------------|----------|
| Desktop Panels         | Main L-shaped desktop sections | Various  |
| Steel Frame Components | Legs, crossbars, support beams | Various  |

orientation of the panels.

4. **Install Drawers and Shelves:** Insert the fabric drawers into their designated slots. Attach any fixed wooden shelves to the frame as indicated in the assembly instructions.
5. **Mount the Monitor Stand:** Attach the monitor stand to the designated area on the desktop. Ensure it is securely fastened.
6. **Install Power Strip and LED Lighting:** Secure the integrated power strip to the underside of the desktop. Attach the RGB LED strip along the designated channel. Connect the LED strip to its controller and then to the power strip.
7. **Adjust Leveling Feet:** The desk is equipped with adjustable feet. Once the desk is in its desired location, rotate the feet at the bottom of the legs to level the desk and prevent wobbling on uneven floors.
8. **Final Tightening:** Once all components are in place, go back and fully tighten all screws and bolts to ensure maximum stability.

## MAINTENANCE

- **Cleaning:** Wipe the desk surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as they may damage the melamine finish.
- **Spills:** Immediately wipe up any spills to prevent water damage or staining.
- **Tightening:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain stability.
- **Heat Protection:** Use coasters or heat-resistant pads under hot beverages or dishes to protect the desktop surface.
