LUXOAK DBC22B

LUXOAK 72-inch Coffee Bar Wine Cabinet (Model DBC22B) Instruction Manual

Your guide to assembly, operation, and care.

1. PRODUCT OVERVIEW

The LUXOAK 72-inch Coffee Bar Wine Cabinet, Model DBC22B, is a versatile storage solution designed for kitchen, dining room, or living room environments. It features a farmhouse-style design with sliding barn doors, glass cabinets, three drawers, a wine bottle rack, and integrated LED lighting.

2. SAFETY INFORMATION

Please read and understand all instructions before assembly and use. General furniture assembly safety guidelines apply. Always use appropriate safety gear, ensure a stable and level surface for assembly, and seek assistance when handling heavy components. Do not exceed the maximum weight capacity of 150 lbs for the entire unit.

3. SETUP AND ASSEMBLY

Assembly of the LUXOAK Coffee Bar Wine Cabinet typically requires 1-2 people and can be completed within 1.5-2 hours. All necessary hardware and anti-slipping tapes are provided. Follow the detailed instructions included in the packaging for step-by-step assembly. Ensure all connections are secure before use.

3.1 Adjustable Shelves

The cabinet features adjustable shelves within the glass compartments, allowing for customized storage configurations. Carefully remove and reposition the shelf pins to adjust shelf height as needed.

4. OPERATING INSTRUCTIONS

4.1 Sliding Barn Doors

The lower section of the cabinet features smooth-gliding barn doors. To open or close, gently slide the doors along the metal track using the handles. This allows flexible access to the wine rack and additional storage compartments.

Sliding Barn Doors & Storage Cabinet

More flexible and easy for
store and access

Sturdy & Durable Base Legs

Made of premium engineered

4.2 LED Lighting System

The cabinet is equipped with double LED strips offering 6 brightness levels, breathing, and instant night modes. Use the provided RF wireless remote control to power the lights on/off, adjust brightness, select modes, and set a timer for automatic shut-off (30m, 1h, 2h, 3h, 4h).

5. MAINTENANCE

5.1 Cleaning

Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish. For glass panels, use a standard glass cleaner. Ensure all surfaces are dry after cleaning.

5.2 LED Strip Care

Periodically check the LED strips for secure adhesion. If any part becomes loose, re-secure it with appropriate adhesive. Avoid direct contact with water or excessive moisture.

6. TROUBLESHOOTING

- **LED Lights Not Functioning:** Ensure the power adapter is securely plugged into a working outlet and the LED strip is properly connected. Check the remote control battery.
- **Sliding Doors Sticking:** Inspect the metal track for any obstructions or debris. Clean the track and ensure the rollers are moving freely.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and free from obstructions. Lubrication with a silicone-based spray may improve movement.
- **Unstable Unit:** Confirm all assembly hardware is tightened. Ensure the cabinet is placed on a level surface.
- **Wine Bottles Not Fitting:** Note that the shelves are designed for standard bottle sizes. Some larger or unusually shaped bottles may not fit upright.

7. SPECIFICATIONS

PRODUCT SIZE

Image 7.1: Product dimensions and weight capacities.

Feature	Detail
Brand	LUXOAK
Model Name	DBC22B
Product Dimensions	15.5"D x 42"W x 72"H
