4. MAINTENANCE

To ensure the longevity and appearance of your IRONCK Vanity Makeup Desk Set, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a dry cloth for general dusting. For spills or stains, wipe with a damp cloth immediately. Avoid harsh chemicals or abrasive cleaners.
- **Mirror Care:** Use a soft, lint-free cloth and a glass cleaner specifically designed for mirrors. Do not spray cleaner directly onto the mirror surface; instead, spray onto the cloth first.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. Clean any dust or debris that may accumulate in the tracks.
- **General Care:** Avoid placing hot items directly on the surface. Use coasters or protective pads when necessary.

5. TROUBLESHOOTING

If you encounter any issues with your vanity desk set, please refer to the following common troubleshooting tips:

- **LED Mirror Lights Not Working:**
 - Ensure the vanity is properly plugged into a working power outlet.
 - Check the connection of the mirror's power cable to the vanity's power adapter.
 - Verify that the power outlet itself is functional by plugging in another device.
- **Drawers Sticking or Not Closing Smoothly:**
 - Check if the drawers are overloaded or if items are obstructing the slides.
 - Ensure the vanity is placed on a level surface. Uneven surfaces can affect drawer alignment.
 - Inspect the drawer slides for any debris or damage. Clean or lubricate if necessary.
- **Power Outlets/USB Ports Not Functioning:**
 - Confirm the main power cord of the vanity is securely plugged into a wall outlet.
 - Test with different devices to rule out device-specific issues.

If the problem persists after attempting these steps, please contact IRONCK customer support for further assistance.
