Hasuit California King Bed Frame

Hasuit California King Bed Frame with 4 Storage Drawers, LED Light, and Charging Station Instruction Manual

Brand: Hasuit | Model: California King Bed Frame

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your new Hasuit California King Bed Frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: To prevent serious injury, please observe the following safety guidelines:

- Do not exceed a load capacity of 900 pounds.
- Be cautious of sharp edges and drawers to prevent injury.
- Always follow assembly instructions carefully to ensure stability and prevent collapse.
- Ensure all connections are securely fastened before use.
- Keep small parts away from children during assembly.

PACKAGE CONTENTS

Before assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

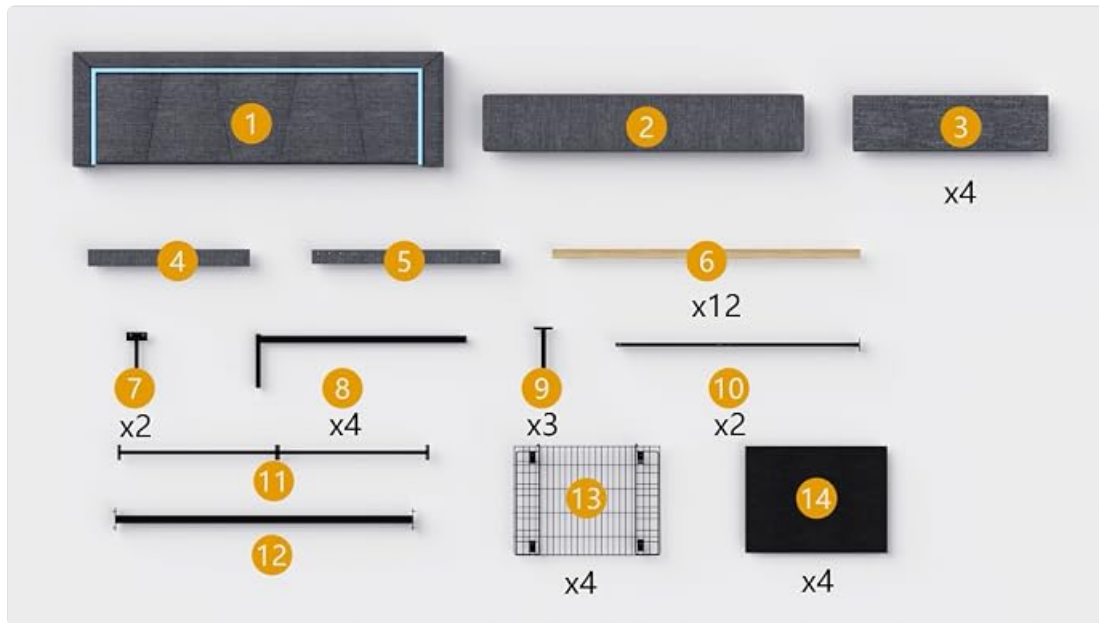

Image: Exploded view of all bed frame components and hardware. This image illustrates the various parts and fasteners included in the package, numbered for easy identification during assembly.

The package includes the upholstered headboard with LED lights and charging station, side rails, footboard with storage drawers, wooden slats, and all necessary hardware (screws, bolts, nuts, and tools).

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly typically takes 30-45 minutes with two people. Detailed instructions, numbered parts, and assembly tools are included. An electronic drill may expedite the process.

Step-by-Step Assembly:

- Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all parts against the included parts list.
- Assemble Headboard:** Attach the headboard support legs to the main headboard panel using the provided bolts. Ensure the LED light strip is facing the front.
- Attach Side Rails:** Connect the side rails to the headboard and footboard using the designated hardware. Ensure all connections are tight.
- Install Center Support:** Secure the center support beams and legs to the bed frame.
- Place Wooden Slats:** Lay the wooden slats across the bed frame. The plastic snap locks should secure them in place. Ensure the Eva Sponge is correctly positioned for noise reduction.
- Assemble Storage Drawers:** Construct the wire baskets for the drawers and attach them to the drawer fronts. Insert the wheels.
- Insert Drawers:** Slide the assembled storage drawers into their designated compartments under the bed frame. The closing buckle mechanism will help keep them in place.
- Connect LED Lights and Charging Station:** Plug in the LED light power adapter and connect the USB/Type-C charging station.

OPERATING INSTRUCTIONS

LED Headboard Lights:

The upholstered headboard features three-side hidden LED light strips. These lights offer a variety of colors and patterns to customize your bedroom ambiance.

- **Control:** Use the included remote control or a compatible mobile application to adjust colors, brightness, and lighting modes (e.g., music mode, timing function, mic mode).
- **Power:** Ensure the LED light power adapter is securely plugged into a wall outlet.

USB and Type-C Charging Station:

The headboard includes 2 USB ports and 2 Type-C ports (12V/4.8A) on each side for convenient device charging.

- **Usage:** Simply plug your phone, tablet, or other compatible devices into the available ports for charging.
- **Power:** The charging station is powered when the bed frame's main power is connected.

Storage Drawers:

The bed frame is equipped with 4 large-capacity storage drawers underneath. Each drawer has 4 smooth wheels for easy access.

- **Opening/Closing:** Gently pull or push the drawers to open or close them.
- **Security:** Each drawer is designed with a closing buckle to prevent accidental opening.

Adjustable Headboard:

The headboard can be adjusted to three different heights (40.1", 42.3", or 44.1") to accommodate mattresses between 10-12 inches thick.

- **Adjustment:** Refer to the assembly instructions for details on how to adjust the headboard height during initial setup.

MAINTENANCE

- **Cleaning:** Wipe the bed frame with a dry cloth to remove dust and debris. Avoid harsh chemicals that may damage the artificial leather or finish.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability.
- **Drawer Care:** Keep the drawer wheels clean to ensure smooth operation.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Bed frame is wobbly or noisy.	Loose bolts or screws; improper assembly of slats.	Ensure all hardware is securely tightened. Verify that wooden slats are correctly seated in their plastic snap locks and the Eva Sponge is in place.
LED lights are not working.	Power adapter unplugged; remote control battery low (though typically pre-installed); faulty connection.	Check if the power adapter is securely plugged in. Ensure the remote control has power. Recheck all LED strip connections.
USB/Type-C ports are not charging.	Bed frame not powered; device cable faulty; device incompatible.	Ensure the bed frame is connected to power. Try a different charging cable or device to rule out external issues.
Storage drawers do not slide smoothly.	Obstruction in the track; dirty wheels; drawer overloaded.	Clear any obstructions. Clean the drawer wheels. Reduce the weight in the drawer.

SPECIFICATIONS

Feature	Detail
Size	California King
Product Dimensions	87.3"L x 75.3"W x 44.1"H
Special Features	4 Storage Drawers, Charging Station, Adjustable Headboard, LED Lighting, No Box Spring Needed
Color	Black
Material	Artificial Leather, Wood, Metal
Weight Capacity	900 pounds
Recommended Mattress Thickness	10-12 inches
Assembly Required	Yes (approx. 30-45 minutes)
