- **Premium Material for All-Around Protection:** Constructed from soft PU material, providing drop-proof and scratch-resistant protection for your tablet.

5. Setup Instructions

5.1. Installing Your Tablet

1. Gently align your Samsung Galaxy Tab with the case's frame.
2. Press the tablet firmly into the case, ensuring all edges are securely seated.
3. Verify that all ports, buttons, and the S Pen slot are accessible and unobstructed.

5.2. Pairing the Bluetooth Keyboard

1. Ensure the keyboard is fully charged.
2. Turn on the keyboard by sliding the power switch to the 'ON' position. The indicator light will illuminate.
3. Press the 'Connect' button on the keyboard. The Bluetooth indicator light will begin to flash, indicating it is in pairing mode.
4. On your Samsung Galaxy Tab, go to 'Settings' > 'Connected devices' > 'Bluetooth'.
5. Turn on Bluetooth and search for available devices.
6. Select 'Bluetooth Keyboard' (or a similar name) from the list of found devices.
7. Follow any on-screen prompts to complete the pairing process. Once paired, the Bluetooth indicator light on the keyboard will stop flashing.

Supports operation system with  **Bluetooth**

Image 5.1: Keyboard layout highlighting the 'Connect' and 'ON/OFF' switches for Bluetooth pairing.

6. Operating Instructions

6.1. Adjusting Viewing Angles

The case features anti-slip grooves that allow you to adjust your tablet to three different viewing angles. Simply place the edge of your tablet into one of the grooves to set your desired angle for typing, watching videos, or drawing.

6.2. Using Keyboard Shortcuts

The keyboard includes several shortcut keys for enhanced productivity:

- **Fn + Q:** Switch to iOS system layout.
- **Fn + W:** Switch to Android system layout.
- **Fn + E:** Switch to Windows system layout.

- Other function keys (F1-F12) may vary in functionality depending on your tablet's operating system and applications.

6.3. S Pen Usage

The integrated S Pen holder keeps your S Pen secure and allows for wireless charging when placed in the designated slot. Ensure the S Pen is correctly oriented for charging.

7. Maintenance

7.1. Charging the Keyboard

Connect the provided USB-C cable to the keyboard's charging port and to a standard USB power adapter (not included). The charging indicator light will show the charging status. A full charge typically takes 2.5 hours.

7.2. Cleaning Instructions

To clean the keyboard case, gently wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the material. Ensure the keyboard is powered off and disconnected from any power source before cleaning.

8. Troubleshooting

- **Keyboard not connecting via Bluetooth:**
 - Ensure the keyboard is charged and powered on.
 - Press the 'Connect' button to enter pairing mode.
 - Turn off and on your tablet's Bluetooth, then try searching again.
 - If previously paired, try 'forgetting' the device on your tablet and re-pairing.
- **Keys not responding or delayed input:**
 - Check the keyboard's battery level and charge if necessary.
 - Ensure the keyboard is within effective Bluetooth range (typically 10 meters).
 - Restart both the keyboard and your tablet.
- **Auto Wake/Sleep function not working:**
 - Ensure the tablet is correctly seated in the case and the cover is fully closed.
 - Check your tablet's settings to ensure the smart cover function is enabled.
