## ACwO DwOTS Bliss

# ACwO DwOTS Bliss Truly Wireless Earbuds

## USER MANUAL

### Introduction

---

Thank you for choosing ACwO DwOTS Bliss Truly Wireless Earbuds. This manual provides essential information for setting up, operating, and maintaining your earbuds to ensure optimal performance and longevity. Please read these instructions carefully before use.

### What's in the Box?

---

- 1 x Wireless Earbuds (ACwO DwOTS Bliss)
- 1 x Type-C Fast Charging Cable
- 2 x Extra Earmuffs
- 1 x Warranty Card
- 1 x Catalogue
- 1 x Scan Me Card

### Setup

---

#### Initial Charge

Before first use, fully charge your ACwO DwOTS Bliss earbuds and charging case. Connect the provided Type-C cable to the charging port on the case and a power source. The charging indicator will show the charging status.

#### Pairing with a Device

1. Ensure the earbuds are in the charging case and the case lid is open.
2. On your device (smartphone, tablet, laptop), enable Bluetooth.
3. Search for available Bluetooth devices and select "ACwO DwOTS Bliss" from the list.
4. Once selected, the earbuds will automatically connect to your device. Subsequent connections will be automatic when the earbuds are removed from the case and Bluetooth is enabled on your device.

## Operating Instructions

### Touch Controls

The earbuds feature intuitive touch controls for managing audio playback, calls, and voice assistants.

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap right earbud.
- **Previous Track:** Double tap left earbud.
- **Answer/End Call:** Single tap on either earbud.
- **Reject Call:** Press and hold either earbud.
- **Activate Voice Assistant (Ok Google/Hey Siri):** Triple tap on either earbud.
- **Volume Control:** Specific gestures may vary; refer to the included catalogue for detailed instructions.

### Making Calls

The ACwO DwOTS Bliss earbuds are equipped with 4 microphones and Environmental Noise Cancellation (ENC) technology, ensuring clear voice calls by filtering out background noise.

## Gaming Mode (Low Latency)

For an optimized gaming experience, the earbuds offer an ultra-low latency mode (up to 50ms). This minimizes audio delay, providing real-time sound synchronization for gaming and video streaming. Refer to the included catalogue for instructions on how to activate gaming mode.

## Features

- **Extended Playtime:** Enjoy up to 50 hours of music playtime on a single charge, ensuring long-lasting entertainment.
- **Ultra-Low Latency:** With 50ms low latency, these earbuds provide seamless audio-visual synchronization, ideal for gaming and video consumption.
- **Environmental Noise Cancellation (ENC):** Four integrated microphones with Sonic Shield ENC technology deliver crystal-clear call quality by effectively reducing ambient noise.
- **Advanced Bluetooth V5.3:** Experience stable and efficient wireless connectivity with faster pairing and an extended range.
- **IPX5 Water & Sweat Resistant:** Designed to withstand splashes and sweat, making them suitable for workouts and outdoor activities.

- **Instant Auto Connect:** Earbuds automatically pair with your last connected device upon opening the charging case.
- **10mm Bass Boom X Driver:** Delivers powerful and immersive audio with enhanced bass.

## Maintenance

- Clean earbuds regularly with a soft, dry cloth.
- Avoid exposing earbuds to extreme temperatures or direct sunlight.
- Store earbuds in their charging case when not in use to protect them and maintain charge.
- Do not use abrasive cleaners or immerse the earbuds in water, despite their IPX5 rating, to prevent damage.

## Troubleshooting

- **Earbuds not pairing:** Ensure Bluetooth is enabled on your device and the earbuds are charged. Try

resetting the earbuds (refer to the catalogue for specific reset instructions).

- **No sound:** Check volume levels on both your device and the earbuds. Ensure earbuds are properly connected.
- **Charging issues:** Verify the Type-C cable is securely connected to both the case and the power source. Try a different charging cable or adapter.
- **Poor call quality:** Ensure microphones are not obstructed. Environmental Noise Cancellation works best in moderately noisy environments.

## Specifications

Feature	Detail
