Monster Shop Scorpion Collection 3-Piece Retail Counter Set
User Manual

Model: 211547 (A1200, B1200, TB60)

For assistance, please refer to the sections below or contact customer support.

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your Monster Shop Scorpion Collection 3-Piece Retail Counter Set. This set includes two display cabinets (A1200 and B1200) and one cash register stand (TB60), all designed with a durable maple laminated finish to enhance your retail space. Please read this manual thoroughly before assembly and use to ensure proper setup and longevity of your product.

This image displays the complete Monster Shop Scorpion Collection 3-Piece Retail Counter Set. It includes two display cabinets, one with a solid front (A1200 type) and another with glass panels (B1200 type), alongside a dedicated cash register stand (TB60 type). All units are shown in a maple finish.

SAFETY INFORMATION

- Always ensure all components are securely fastened during assembly.
- Assembly requires two people due to the size and weight of the components.
- Do not overload the shelves or surfaces of the counters.
- Keep small parts and assembly hardware away from children.
- Handle glass panels with care to prevent breakage and injury.
- Place the counters on a level and stable surface to prevent tipping.

PACKAGE CONTENTS

Your Monster Shop Scorpion Collection 3-Piece Retail Counter Set includes the following components:

- 1 x A1200 Display Counter (Solid Front)
- 1 x B1200 Display Counter (Glass Panels)
- 1 x TB60 Cash Register Stand
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Assembly Instructions (this manual)

SETUP AND ASSEMBLY

The retail counter set is delivered flat-packed and requires assembly. It is recommended that two people assemble these units for ease and safety.

Required Tools (Not Included):

- Phillips Head Screwdriver
- Hammer (for dowels)
- Soft Cloth (for protecting surfaces)

General Assembly Steps:

1. **Unpack Components:** Carefully unpack all parts and hardware. Lay them out on a clean, soft surface to prevent scratches. Verify all parts are present against the parts list (if provided separately).
2. **Assemble Side Panels:** Attach the side panels to the base and top panels using the provided screws and dowels. Ensure all connections are snug.
3. **Install Shelves:** Insert the shelves into the designated slots or attach them with the appropriate hardware. For adjustable shelves, ensure shelf pins are securely in place.
4. **Attach Back Panels:** Secure the back panels to the assembled frame.
5. **Install Glass Panels (B1200 only):** Carefully slide or secure the glass panels into their designated grooves or frames. Exercise caution to avoid breakage.
6. **Final Checks:** Once assembled, ensure all screws are tightened and the unit is stable.

Note: Specific assembly diagrams and detailed instructions for each unit (A1200, B1200, TB60) are typically included with the hardware packaging. Follow those specific diagrams for precise assembly.

OPERATING INSTRUCTIONS

A1200 Display Counter

- **Purpose:** This counter is ideal for general display of merchandise and provides additional storage space at the rear.
- **Usage:** Place items on the top surface for customer viewing. Utilize the rear shelves for storing inventory, supplies, or items requiring immediate access during transactions, keeping them out of public view.

B1200 Display Counter

- **Purpose:** Designed for visual merchandising with its glass top and front panels, allowing customers to view products clearly while maintaining security.
- **Usage:** Arrange high-value or featured products within the glass-enclosed section. The top surface can also be used for transactions or additional display.

TB60 Cash Register Stand

- **Purpose:** An ergonomically designed stand for your point-of-sale system, offering dedicated space for a cash register and card machine, along with ample storage.
- **Usage:** Place your cash register and card machine on the recessed top shelf. The large storage area below can accommodate plastic bags, receipt rolls, gift wrapping supplies, or even a small waste bin to maintain a tidy checkout area.

MAINTENANCE

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the laminated finish. For glass panels, use a standard glass cleaner.
- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Spills:** Clean up spills immediately to prevent staining or damage to the MDF material.
- **Avoid Excessive Moisture:** Do not expose the units to excessive moisture or humidity, as this can cause warping or damage to the material.

TROUBLESHOOTING

If you encounter any issues with your retail counter set, please refer to the following common solutions:

- **Wobbly Unit:** Ensure the unit is placed on a level surface. Check all assembly screws and tighten any that are loose.
- **Scratches/Minor Imperfections:** The product description mentions that some counters may have minor aesthetic imperfections. For minor scratches, a furniture repair pen matching the maple finish may be used.
- **Difficulty Assembling:** Review the specific assembly diagrams provided with the hardware. Ensure all parts are oriented correctly. If issues persist, contact customer support.
