Your Dyonery mattress is conveniently shipped in a box, compressed and rolled for easy transport. Follow these steps for proper setup:

1. **Unbox the Mattress:** Carefully remove the mattress from its shipping box. Place the rolled mattress on your bed frame or desired flat surface.
2. **Unroll and Unseal:** Gently unroll the mattress. Cut and remove the outer plastic wrapping. The mattress will begin to expand immediately.
3. **Allow for Full Expansion:** For optimal comfort and to allow the mattress to reach its full 14-inch height and intended firmness, allow it to expand for at least 12 hours. Some mattresses may take up to 72 hours to fully decompress.
