Uuoeebb 607

Uuoeebb 4-in-1 Bedside Bassinet Instruction Manual

Model: 607

1. INTRODUCTION

Thank you for choosing the Uuoeebb 4-in-1 Bedside Bassinet. This versatile product is designed to provide a safe, comfortable, and convenient sleeping and changing solution for your infant. Please read this manual thoroughly before assembly and use to ensure proper operation and the safety of your child.

2. SAFETY INFORMATION

WARNING: Failure to follow these warnings and the instructions could result in serious injury or death.

- Always ensure all parts are correctly assembled and securely fastened before placing your child in the bassinet.
- Discontinue use of the bassinet when the infant begins to push up on hands and knees, or has reached the weight limit of 20 lbs (9 kg), or is 5 months old, whichever comes first.
- Never use this product near open flames, heating elements, or other sources of strong heat.
- Never leave your child unattended in the bassinet.
- Only use the mattress pad provided by the manufacturer. Do not add a second mattress, pillow, comforter, or other padding.
- Keep all small parts and packaging materials away from children.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly:

- Bassinet Frame (with wheels)
- Bassinet Fabric Assembly
- Mattress Pad
- Changing Table Attachment
- Storage Basket
- Mosquito Net/Canopy
- Instruction Manual

4. SETUP AND ASSEMBLY

The Uuoeebb 4-in-1 Bedside Bassinet is designed for quick and tool-free assembly. Follow these steps:

1. **Unfold the Frame:** Carefully unfold the main bassinet frame until it locks into place. Ensure all locking mechanisms are engaged.
2. **Attach Fabric Assembly:** Slide the bassinet fabric assembly onto the frame, ensuring the support bars are correctly inserted into their designated slots.
3. **Insert Mattress Pad:** Place the mattress pad firmly into the bottom of the bassinet.
4. **Attach Storage Basket:** Secure the large storage basket to the designated hooks or clips at the bottom of the bassinet frame.
5. **Install Changing Table (Optional):** If using the changing table, attach it securely to the top rails of the bassinet as shown in the diagram.
6. **Attach Mosquito Net/Canopy (Optional):** Secure the mosquito net or canopy to the designated attachment points on the bassinet frame.

5. OPERATING MODES

Your Uuoeebb bassinet offers four versatile modes to adapt to your needs:

5.1. Bassinet with Mosquito Net

This mode provides a secure and enclosed sleeping space for your baby, protecting them from insects with the integrated mosquito net. The main image shows the bassinet in this configuration.

Figure 5.1: Bassinet with Mosquito Net, offering a protected sleeping environment.

5.2. Bedside Sleeper

To use as a bedside sleeper, adjust the bassinet height to match your bed. The bassinet features a scientific five-position adjustment level. Unzip and unclip one side of the bassinet to lower the mesh wall, allowing easy access to your baby during the night without leaving your bed.

5.3. Changing Station

The bassinet includes a convenient changing table attachment. Simply secure it to the top rails. This allows you to change diapers comfortably at a suitable height, protecting your back.

5.4. Rocking Bassinet (Cradle Mode)

The bassinet can be easily converted into a rocking cradle. Simply adjust the wheels to the rocking position by pressing the round button and rotating them as indicated. This mode provides gentle motion to soothe your baby.

5.5. Portable Movable Bassinet

Equipped with wheels, the bassinet can be easily moved between rooms. The wheels also feature a locking mechanism for stability when stationary. The easy folding mechanism allows for quick disassembly and portability, making it ideal for travel.

6. MAINTENANCE AND CARE

To ensure the longevity and hygiene of your Uuoeebb bassinet:

- **Cleaning:** The fabric components, including the mattress cover, are hand wash only. Use mild soap and cold water. Do not bleach.
- **Drying:** Air dry thoroughly. Do not tumble dry.
- **Frame:** Wipe the metal and plastic parts of the frame with a damp cloth and mild soap. Dry thoroughly.

- **Storage:** When not in use, store the bassinet in a clean, dry place, away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

If you encounter any issues with your bassinet, please refer to the following common solutions:

- **Bassinet not stable:** Ensure all frame joints are fully extended and locked into place. Check that the wheels are locked if you intend for the bassinet to remain stationary.
- **Difficulty adjusting height:** Verify that the height adjustment buttons or levers are fully depressed or released as required for adjustment. Do not force the mechanism.
- **Side mesh not lowering:** Ensure the zippers are fully unzipped and the clips are released. Check for any fabric obstruction.
- **Wheels not rolling smoothly:** Check for any debris or hair caught in the wheels. Ensure the wheel locks are disengaged.

If the problem persists, please contact customer support.
