Mukiya T618-F

Mukiya T618-F 3-in-1 Magnetic Wireless Charging Station User Manual

Model: T618-F | Brand: Mukiya

Introduction

Thank you for choosing the Mukiya T618-F 3-in-1 Magnetic Wireless Charging Station. This versatile device is designed to efficiently charge your Apple iPhone, Apple Watch, and AirPods simultaneously, offering convenience and portability. Featuring a foldable design, adjustable night light, and robust safety features, it is an ideal charging solution for home, office, or travel.

Package Contents

Please verify that all items are present in your package:

- 1 x Mukiya 3-in-1 Magnetic Wireless Charging Station
- 1 x 18W QC 3.0 Power Adapter
- 1 x USB-A to Type-C Cable (1m/3.3ft)
- 1 x User Manual

Product Features

- **3-in-1 Charging:** Simultaneously charges iPhone, Apple Watch, and AirPods.
- **Foldable & Portable Design:** Easily folds flat for convenient storage and travel.
- **Adjustable Touch Control Nightlight:** Features a warm ambient light with touch control, suitable for

bedside use.

- **Magnetic Alignment:** Built-in magnets ensure precise and secure MagSafe alignment for your devices.
- **Fast & Safe Charging:** Includes an 18W QC 3.0 adapter for quick charging and an ETL Certified Chip for protection against overcharging, over-current, over-voltage, overheating, and short circuits.
- **Multiple Charging Modes:** Supports Portrait Mode, Landscape Mode, and Flat Mode for versatile viewing and charging.

Compatibility

This charging station is compatible with a wide range of Apple devices:

- **Apple iPhone:** iPhone 17/17 Air/17 Pro/17 Pro Max, iPhone 16/16 Plus/16 Pro/16 Pro Max, iPhone 15/15 Plus/15 Pro/15 Pro Max, iPhone 14/14 Plus/14 Pro/14 Pro Max, iPhone 13/13 Pro/13 Pro Max/13 mini, iPhone 12/12 Pro/12 Pro Max/12 mini.
- **Apple Watch:** iWatch 10/9/8/7/6/5/4/3/2/SE/Ultra/Ultra 2.
- **AirPods:** AirPods Pro 2, AirPods Pro, AirPods 3, AirPods 2 (only with wireless charging case)*Note: Not compatible with AirPods 2/3/4 charging cases A3058, A2897, A1602.*

Important: Please remove your phone case when charging, or use a magnetic phone case for optimal performance.

Setup Instructions

1. **Connect Power:** Plug the provided USB-A to Type-C cable into the charging station's Type-C port and connect the USB-A end to the 18W QC 3.0 power adapter. Plug the adapter into a wall outlet.
2. **Unfold the Station:** Gently unfold the charging station to its upright position. The magnetic phone stand will click into place.
3. **Place Devices:**

- **iPhone:** Place your MagSafe-compatible iPhone (or iPhone with a magnetic case) onto the upright magnetic charging pad. It will snap into place.
- **Apple Watch:** Place your Apple Watch onto the dedicated watch charging module.
- **AirPods:** Place your AirPods (with wireless charging case) onto the base charging pad.

Operating Instructions

Charging Your Devices

Once the charging station is powered on and your devices are correctly placed, charging will begin automatically. The station provides dedicated charging areas for each device.

- **iPhone:** The magnetic charging pad ensures optimal alignment for fast wireless charging.
- **Apple Watch:** The watch module is designed for secure placement and efficient charging.
- **AirPods:** The base pad provides wireless charging for your AirPods case.

Adjustable Night Light

The charging station features an adjustable night light:

- **Activation:** Touch the designated sensor area on the base to turn the light on or off.
- **Light Modes:** The warm light can be used as a night light when the station is powered on or in standby mode. When an iPhone is charging, the light will turn blue. For AirPods and Apple Watch charging, there is no light indication.

Image: The Mukiya 3-in-1 Magnetic Wireless Charging Station demonstrating its controllable LED night light. It shows the touch sensor for activation, warm white light during standby, and blue light when a phone is actively charging.

Charging Modes

The magnetic phone charger supports three different charging orientations:

- **Portrait Mode:** Ideal for vertical viewing while charging.
- **Landscape Mode:** Perfect for watching videos or using apps horizontally.
- **Flat Mode:** The station can be folded flat for compact charging.

charging cable, and user manual.

Safety Information

The Mukiya T618-F charging station is equipped with an intelligent ETL Certified Chip to ensure the safety of your devices and the charger itself. This chip provides comprehensive protection against:

- Overcharging
- Over-current
- Over-voltage
- Overheating
- Short circuits

Always use the provided 18W QC 3.0 adapter and USB-C cable for optimal performance and safety.

Maintenance

- **Cleaning:** Wipe the charging station with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- **Storage:** When not in use or for travel, fold the station flat and store it in a cool, dry place away from direct sunlight.
- **Avoid Liquids:** Do not expose the device to water or other liquids.
- **Handle with Care:** Avoid dropping or subjecting the device to strong impacts.

Troubleshooting

- **Device not charging:**
  - Ensure the charging station is properly connected to the power adapter and wall outlet.
  - Verify that your device is correctly aligned on the charging pad.
  - Remove any non-magnetic phone cases or ensure your magnetic case is compatible.
  - Check if your AirPods case supports wireless charging.
- **Night light not working:**
  - Ensure the charging station is powered on.
  - Gently touch the sensor area to activate the light.
- **Slow charging:**
  - Ensure you are using the provided 18W QC 3.0 power adapter. Lower wattage adapters may result in slower charging.
  - Avoid charging multiple devices if you require the fastest possible charge for a single device.

Specifications

Model Number	T618-F
Brand	Mukiya
Manufacturer	Shenzhen Dsenbor Technology Co., Ltd
Connector Type	USB Type C
Wattage	18 watts (Max)
Amperage	3600 Milliamps
Total USB Ports	1
Item Weight	9.9 ounces
Package Dimensions	5.75 x 4.61 x 1.46 inches
Color	White
