

Saie Glowly Super Gel

Saie Glowly Super Gel Lightweight Illuminator - Starglow Duo Instruction Manual

Comprehensive guide for optimal use and care of your Saie Glowly Super Gel.

1. PRODUCT OVERVIEW

The Saie Glowly Super Gel is a lightweight luminizer designed to provide a dewy, glowing finish to the skin. This duo includes both a full-size (1 fl oz) and a mini-size (0.5 fl oz) product in the Starglow shade, offering versatility for various applications.

It can be worn alone for a natural radiance, used as an illuminating primer under makeup, or mixed with foundation or tinted SPF for an enhanced glow. The formula is designed to feel weightless on the skin while delivering a luminous effect.

2. KEY FEATURES AND INGREDIENTS

- **Lightweight Luminizer:** Provides a dewy, lit-from-within finish without feeling heavy.
- **Multipurpose Use:** Can be applied alone, as a primer, mixed with foundation, or over makeup.
- **Hydrating Formula:** Enriched with beneficial ingredients to support skin health.
- **Clean Beauty:** Formulated without parabens, phthalates, sulfates, talc, mineral oil, GMOs, synthetic fragrance, or BHA. Cruelty-free.

Key Ingredients:

- **Plant-Derived Glycerin:** A powerful humectant that helps to increase the skin's natural moisture level,

3. Application Methods:

- **Alone:** Apply directly to skin for a natural, dewy finish.
- **As a Primer:** Apply evenly to the face before foundation or tinted SPF for an illuminating base.
- **Mixed with Makeup:** Blend a few drops into your foundation or tinted SPF for an all-over glow.
- **Over Makeup:** Gently pat onto high points of the face (cheekbones, brow bone, bridge of nose) for a targeted highlight. Can also be used on the chest, collarbones, shoulders, or legs for body glow.

4. **Blending:** Gently blend into the skin using fingertips, a brush, or a sponge until desired effect is achieved.

4. USAGE TIPS

- For a subtle, all-over radiance, apply a thin layer to your entire face after skincare.

- To enhance specific features, dab a small amount onto the high points of your face and blend gently.
- Mix with a matte foundation to transform it into a more dewy finish.
- The Starglow shade provides a universal champagne glow, suitable for various skin tones.

Item Form	Gel
Color	Starglow

Attribute	Detail
Coverage	Full
Skin Tone	Medium (Universal)
Includes	Full Size (1 fl oz) + Mini Size (0.5 fl oz)

7. CARE AND STORAGE

- **Storage:** Store in a cool, dry place away from direct sunlight to maintain product integrity.
- **Hygiene:** Ensure hands are clean before application. Close the cap tightly after each use to prevent contamination and drying.
- **Shelf Life:** Refer to the PAO (Period After Opening) symbol on the product packaging, typically indicated by an open jar icon with a number (e.g., 12M for 12 months), for recommended usage duration after opening.

8. TROUBLESHOOTING

- **Uneven Application:** If the product appears streaky or uneven, try applying a smaller amount and blending thoroughly. Ensure your skin is well-prepped and moisturized before application.
- **Too Much Shine:** If the glow is too intense, reduce the amount of product used or mix it with a matte foundation to tone down the luminosity.
- **Skin Sensitivity:** While formulated with clean ingredients, discontinue use if irritation, redness, or discomfort occurs. Consult a dermatologist if symptoms persist.
- **Product Consistency:** If the product's texture changes, ensure it has been stored correctly. Extreme temperatures can affect cosmetic formulations.

9. WARRANTY AND SUPPORT

Specific warranty information for the Saie Glow Super Gel is not provided in the product details. For any product-related inquiries, concerns, or support, please contact Saie customer service directly through their official website or the retailer from which the product was purchased.
