Fire-Boltt BSW106

Fire-Boltt Sphere Smartwatch User Manual

Model: BSW106

INTRODUCTION

Welcome to the user manual for your new Fire-Boltt Sphere Smartwatch. This rugged outdoor smartwatch is designed for durability and performance, featuring a 1.6-inch HD display, Bluetooth calling, and comprehensive health tracking. This manual provides essential information on setting up, operating, maintaining, and troubleshooting your device to ensure optimal performance and longevity.

1. SETUP

1.1 Unboxing

Upon opening the package, ensure all components are present:

- 1U Fire-Boltt Sphere Smartwatch
- 1U Charging Cable
- 1U User Manual
- 1U Warranty Card

1.2 Charging the Smartwatch

Before first use, fully charge your smartwatch. Connect the provided charging cable to the charging port on the back of the watch and plug the other end into a USB power adapter (not included). A full charge typically takes approximately 2 hours. The 600 mAh battery provides an impressive 8-day lifespan in classic mode, 25 days on standby, and 5 days during Bluetooth calling sessions.

1.3 Power On/Off

- **Power On:** Press and hold the Power button (usually the top right button) until the screen illuminates.
- **Power Off:** Press and hold the Power button, then select 'Power Off' on the screen.

1.4 Pairing with Your Smartphone

To unlock the full functionality of your Fire-Boltt Sphere, pair it with your smartphone via Bluetooth.

1. Download the official Fire-Boltt application from your smartphone's app store (Google Play Store for Android, Apple App

Store for iOS).

2. Ensure Bluetooth is enabled on your smartphone.
3. Open the Fire-Boltt application and follow the on-screen instructions to add your device.
4. Select "Fire-Boltt Sphere" from the list of available devices to initiate pairing.
5. Confirm the pairing request on both your smartphone and the smartwatch.

2. OPERATING YOUR SMARTWATCH

2.1 Display and Navigation

The Fire-Boltt Sphere features a vibrant 1.6-inch HD screen with a resolution of 400x400 pixels and 600 NITS peak brightness, ensuring clear visibility even in bright conditions. Navigate the interface using the touchscreen and the physical buttons on the side.

2.2 Bluetooth Calling

With built-in microphone and speaker, the smartwatch allows you to make and receive calls directly from your wrist when connected to your smartphone. Access call logs and manage calls conveniently.

2.3 Health Tracking

The Fire-Bolt Sphere provides comprehensive health monitoring features:

- **Heart Rate Tracking:** Monitor your heart rate throughout the day.
- **Sleep Tracking:** Analyze your sleep patterns (deep, shallow, wake).
- **SpO2 Tracking:** Measure your blood oxygen levels.

Disclaimer: This device is not a medical device and should not be used for medical diagnosis or treatment. Consult a healthcare professional for any health concerns.

2.4 Multi-Sports Modes

Elevate your fitness journey with various pre-set multi-sports modes. These modes are customized for different workout routines, allowing you to track and enhance your performance effectively, including steps, calories, and distance.

2.5 Intelligent Functionalities

The smartwatch offers additional smart features for convenience and productivity:

- Camera Control
- Alarm Clock Reminders
- Weather Updates
- Sedentary Reminders
- Find Phone
- Music Player Control
- Notifications (calls, texts, app alerts)

3. MAINTENANCE

3.1 Cleaning and Care

To maintain your smartwatch's appearance and functionality, regularly wipe it with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

3.2 Water and Dust Resistance (IP68)

The Fire-Boltt Sphere is rated IP68, meaning it is resistant to dust and can withstand immersion in water up to 1.5 meters for 30 minutes. While it offers robust protection, avoid prolonged exposure to water, hot water, or steam. It is not suitable for diving or high-pressure water activities.

Figure 3.1: IP68 Water Resistance. This image visually confirms the smartwatch's IP68 rating, demonstrating its resistance to water, which is crucial for outdoor and active use.

3.3 Rugged and Shockproof Design

Encased in a durable full metal body with a dual chamfered crown, the smartwatch is designed to be shockproof, providing resilience against accidental knocks and bumps, making it ideal for active lifestyles.

4. TROUBLESHOOTING

If you encounter issues with your Fire-Boltt Sphere Smartwatch, refer to the following common troubleshooting steps:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charging cable and a power source for at least 30 minutes.
- **Cannot pair with smartphone:**
 - Ensure Bluetooth is enabled on both devices.
 - Make sure the smartwatch is within the Bluetooth range of your phone.
 - Restart both the smartwatch and your smartphone.
 - Clear the Bluetooth cache on your phone (if applicable).
 - Try unpairing and re-pairing the device through the Fire-Boltt app.

- **Inaccurate health data:**

- Ensure the watch is worn snugly on your wrist, not too loose or too tight.
- Clean the sensors on the back of the watch.
- Update the smartwatch firmware via the app.

- **Short battery life:**

- Reduce screen brightness.
- Disable unnecessary notifications.
- Limit continuous heart rate monitoring if not needed.
- Ensure the watch is fully charged each time.

- **Display not responding:** Restart the smartwatch. If the issue persists, contact customer support.

For further assistance, please refer to the official Fire-Boltt support resources or contact their customer service.

5. SPECIFICATIONS

Feature	Specification
Brand	Fire-Boltt
Model Name	Sphere
Model Number	BSW106

6. WARRANTY AND SUPPORT

6.1 Warranty Information

Your Fire-Boltt Sphere Smartwatch comes with a **1-Year Warranty** from the date of purchase. Please retain your purchase receipt and the warranty card included in the box for any warranty claims. The warranty covers manufacturing defects but typically excludes damage caused by misuse, accidents, unauthorized repairs, or normal wear and tear.

6.2 Customer Support

For technical support, service, or warranty inquiries, please contact Fire-Boltt customer service. You can usually find contact information on the official Fire-Boltt website or on the warranty card provided with your product. When contacting support, please have your product model number (BSW106) and purchase details ready.
