UGREEN 35491

UGREEN Foldable MagSafe Charger Stand Instruction Manual

Model: 35491

1. Introduction

Thank you for choosing the UGREEN Foldable MagSafe Charger Stand. This stand is designed to securely hold your MagSafe charger and compatible iPhone models (iPhone 12/13/14/15 series) or AirPods, providing a stable and adjustable viewing experience. Its foldable design ensures portability and convenience for various uses, including desk work, bedside charging, and travel.

2. Package Contents

- UGREEN Foldable MagSafe Charger Stand (Model: 35491)
- Instruction Manual

Note: MagSafe charger and iPhone are not included and must be purchased separately.

3. Setup Instructions

1. **Unfold the Stand:** Gently unfold the stand from its compact, folded position. The hinges are designed to be firm to maintain stability at various angles.

Image 3.1: The stand in its compact, folded state, ready for unfolding.

2. **Insert MagSafe Charger:** Locate the circular recess on the stand's magnetic head. Carefully insert your Apple MagSafe charger into this recess. Ensure the charger is seated firmly and the cable is routed through the designated channel for a tidy setup. The recess features internal silicone protection to prevent scratches to your MagSafe charger.

Image 3.2: Demonstrates the correct method for inserting the MagSafe charger into the stand's head.

3. **Position the Stand:** Place the stand on a flat, stable surface. The base is equipped with anti-slip pads to prevent movement.

Image 3.3: A detailed view of the stand's stable base and integrated anti-slip features.

4. Operating Instructions

1. **Attach Your Device:** Bring your MagSafe-compatible iPhone (iPhone 12/13/14/15 series) or AirPods charging case close to the MagSafe charger embedded in the stand. The magnetic connection will securely hold your device in place.

2. **Adjust Viewing Angle:** The stand features adjustable hinges, allowing you to customize the viewing angle for optimal comfort. You can adjust both the height and the tilt of your device. The stand supports 180-degree angle adjustment.

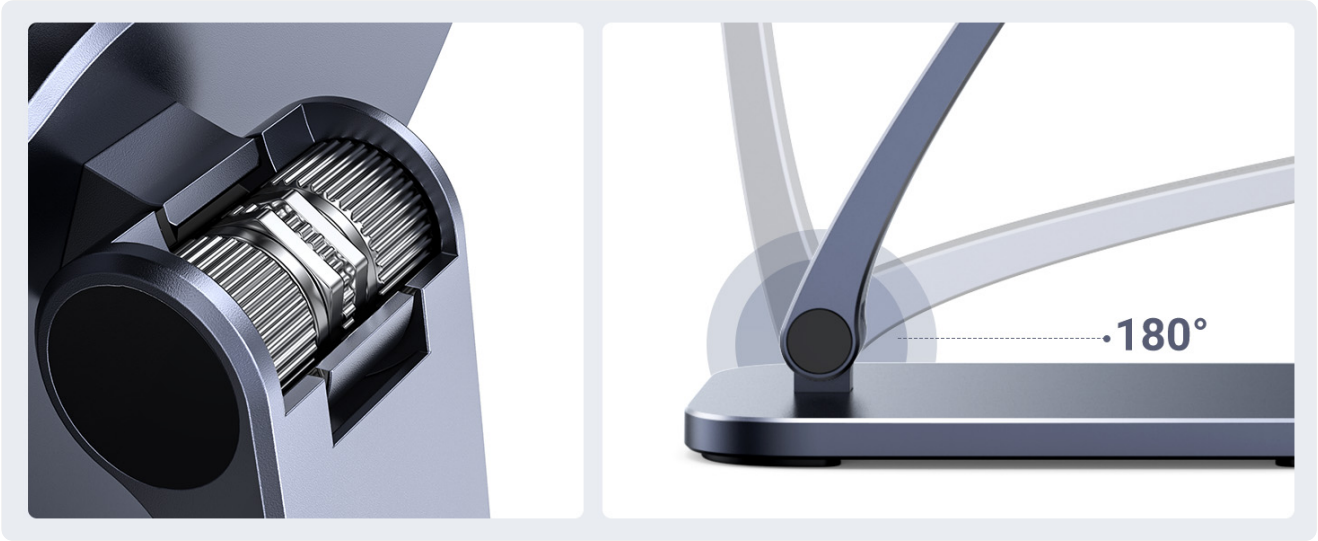

Image 4.2: Illustration of the stand's adjustable hinges, allowing for a wide range of viewing angles.

3. **Utilize StandBy Mode:** When an iPhone running iOS 17 or later is placed horizontally on the stand while charging, it will automatically enter StandBy mode, displaying useful information like clocks, widgets, or photos.

Image 4.3: An iPhone displayed in StandBy mode while charging on the UGREEN stand.

4. **Charging AirPods:** The stand can also be used to charge AirPods with a MagSafe-compatible charging case. Simply place the AirPods case onto the MagSafe charger.

Image 4.4: AirPods charging case placed on the MagSafe stand.

5. Maintenance

- Clean the stand regularly with a soft, dry cloth.
- Avoid using abrasive cleaners or solvents, as these may damage the finish.
- Ensure the MagSafe charger is properly seated and its cable is not pinched or damaged.

6. Troubleshooting

- **Device not charging:**
  - Ensure your MagSafe charger is correctly inserted into the stand and connected to a power source.
  - Verify that your iPhone or AirPods case is MagSafe compatible and properly aligned with the charger.
  - Check if the charging cable is securely connected to both the MagSafe charger and the power adapter.
- **Stand feels unstable:**
  - Ensure the stand is placed on a flat and stable surface.
  - Check that the hinges are tightened sufficiently to hold the desired angle.
- **MagSafe charger detaches when removing phone:**
  - This can occur if the MagSafe charger is not firmly seated in the stand's recess. Press it in securely.
  - When removing your phone, slide it sideways off the MagSafe charger rather than pulling it directly away, which can help keep the charger in place.

7. Specifications

Model Number	35491
Brand	UGREEN
Material	Aluminum alloy
Finish	Matte

Dimensions (Folded)	Approximately 14 x 7 x 2.4 cm (5.5 x 2.8 x 0.9 inches)
