SpaceAid Bamboo Drawer Dividers User Manual

Model: 14ZZB-04BT-4LB

Brand: SpaceAid

PRODUCT OVERVIEW

The SpaceAid Bamboo Drawer Dividers are designed to help organize various drawers in your home, kitchen, office, or dressers. These adjustable and expandable dividers provide a customizable solution for decluttering spaces.

Key features include:

- **4 Drawer Dividers:** A set of four dividers to customize your drawer organization.
- **30 Label Stickers Included:** For easy identification of drawer contents.
- **Adjustable & Expandable:** Each divider expands from 17 inches to 22 inches in length.
- **Secure Fit:** Strong spring-loaded design with non-slip rubber pads ensures stability and protects drawers.
- **Bamboo Material:** Constructed from natural bamboo for durability and aesthetic appeal.

SETUP AND INSTALLATION

Installing your SpaceAid Bamboo Drawer Dividers is a straightforward process. Follow these steps to achieve optimal organization:

1. **Measure Your Drawer:** Before installation, measure the internal length of your drawer to ensure the dividers will fit. These dividers are designed to expand from 17 inches to 22 inches.
2. **Adjust Divider Length:** Gently compress one end of the divider to shorten its length. Position it inside your drawer where you want to create a partition.
3. **Secure in Place:** Release the compressed end, allowing the spring-loaded mechanism to expand the divider until it firmly presses against the drawer walls. The non-slip rubber pads on each end will help keep the divider securely in position and protect your drawer from scratches.
4. **Repeat for Additional Dividers:** Use the remaining dividers to create additional compartments as needed, customizing your drawer layout.

OPERATING INSTRUCTIONS

Once installed, your SpaceAid Bamboo Drawer Dividers are ready to help you maintain an organized space. Utilize the included label stickers for enhanced efficiency.

- **Organize Contents:** Arrange your items within the newly created compartments. The dividers are suitable for various items, from kitchen utensils and office supplies to clothing and bathroom essentials.
- **Apply Labels:** Use the 30 included label stickers to clearly identify the contents of each section. Write directly on the label with a pen or marker.
- **Attach Labels:** Peel the backing from the label sticker and adhere it to the top edge of the divider, facing outwards, for quick visual reference. The preprinted arrow on the label can assist in identifying the direction of contents if desired.

MAINTENANCE

To ensure the longevity and appearance of your SpaceAid Bamboo Drawer Dividers, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the bamboo surface with a damp cloth. For stubborn spots, a mild soap solution can be used, followed by wiping with a clean, damp cloth.
- **Drying:** Always dry the dividers thoroughly after cleaning to prevent moisture damage to the bamboo.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the bamboo finish.
- **Storage:** If removing dividers for storage, ensure they are clean and dry. Store them in a cool, dry place.

TROUBLESHOOTING

If you encounter any issues with your SpaceAid Bamboo Drawer Dividers, refer to the following common solutions:

- **Divider Does Not Fit:**
 - Ensure your drawer's internal length is between 17 and 22 inches. If it is outside this range, the divider may not fit properly.
 - Verify that the spring mechanism is fully compressed when inserting and fully released when in position.
- **Divider Slips or Moves:**
 - Check that the non-slip rubber pads on both ends of the divider are intact and clean. Dirt or debris can reduce

grip.

- Ensure the divider is fully expanded and firmly pressed against the drawer walls. If the drawer is slightly larger than 22 inches, the divider may not achieve a tight fit.

• **Labels Do Not Stick:**

- Ensure the surface of the divider where the label is applied is clean and dry.
- Press the label firmly onto the divider for several seconds after application.

SPECIFICATIONS

Feature	Detail
