FORIOUS FF0043B-SD

FORIOUS FF0043B-SD Matte Black Kitchen Faucet User Manual

Model: FF0043B-SD

1. PRODUCT OVERVIEW

The FORIOUS FF0043B-SD Kitchen Faucet is designed for modern kitchens, featuring a high-arc gooseneck, pull-down sprayer, and an integrated soap dispenser. Constructed from stainless steel with a matte black finish, it offers both durability and aesthetic appeal. This faucet is suitable for 1 or 3-hole sink installations.

Image 1.1: FORIOUS FF0043B-SD Matte Black Kitchen Faucet with Pull-Down Sprayer and Soap Dispenser.

Key Features:

- **High Arch Gooseneck Design:** Provides ample clearance for large pots and pans.
- **Pull-Down Sprayer:** Features an 18-inch extendable hose for extended reach and flexibility.
- **Dual Mode Settings:** Easily switch between a soft stream for filling and a powerful spray for rinsing.
- **Integrated Soap Dispenser:** Conveniently dispenses soap, reducing countertop clutter.
- **Drip-Free Ceramic Valve:** Equipped with a diamond-coated ceramic valve for long-lasting, leak-free performance.
- **Lead-Free Construction:** Made with PEX hose and honeycomb aerator for clean and healthy water.

- **360° Swivel Spout:** Allows for full sink access and versatile use.

2. SETUP AND INSTALLATION

Before beginning installation, ensure all necessary components are present and water supply is turned off. Professional installation is recommended if you are unfamiliar with plumbing procedures.

Components Included:

- Faucet Body
- Deck Plate (for 3-hole installation)
- Soap Dispenser
- Installation Hardware (steel gasket, rubber gasket, mounting nuts)
- Hot and Cold Water Hoses
- Gravity Ball

Installation Steps:

1. **Insert Faucet Body:** Place the faucet body into the countertop hole. If installing on a 3-hole sink, use the included deck plate.
2. **Secure Faucet:** From underneath the sink, locate the steel gasket, rubber gasket, and fixed mounting nuts. Screw the nut onto the faucet shank and tighten it securely with a screwdriver.
3. **Connect Sprayer Hose:** Connect the pull-down sprayer hose to the fast-connect fitting located underneath the faucet. Ensure a secure connection.
4. **Install Gravity Ball:** Attach the gravity ball to the pull-down hose. Position it near the top end of the hose to ensure proper retraction of the sprayer. Avoid placing it where it might rest on pipes or other obstructions.
5. **Flush Water Lines:** Before connecting the faucet hoses, flush the hot and cold water lines for 30 seconds by opening and closing the angle stop valves to remove any debris.
6. **Connect Water Hoses:** Connect the hot and cold water hoses from the faucet to the corresponding angle stop valves. Tighten connections with a wrench, ensuring they are snug but not overtightened. The hoses feature 3/8 inch female threads.

Video 2.1: Official FORIOUS Installation Instructions. This video demonstrates the step-by-step process for installing the kitchen faucet, including securing the faucet body, connecting hoses, and attaching the gravity ball.

Image 2.2: Installation Note for Gravity Ball. This diagram illustrates the correct placement of the gravity ball on the pull-down hose to ensure smooth retraction, emphasizing that it should not be obstructed.

3. OPERATING INSTRUCTIONS

The FORIOUS kitchen faucet is designed for ease of use with intuitive controls for water flow, temperature, and spray modes.

Water Flow and Temperature:

- **Handle Operation:** The single handle controls both water flow and temperature. Lift the handle to turn on the water.
- **Temperature Adjustment:** Move the handle forward for hot water and backward for cold water.
- **Flow Adjustment:** Adjust the handle's height to control the water volume.

Pull-Down Sprayer and Dual Modes:

- **Extendable Hose:** Gently pull down the sprayer head to extend the hose for increased reach. The 18-inch hose allows for cleaning all areas of the sink.
- **Stream Mode:** Ideal for filling pots and general washing.
- **Spray Mode:** Provides a powerful spray for rinsing stubborn food particles from dishes or cleaning the sink basin. Switch between modes using the button on the sprayer head.
- **360° Swivel:** The faucet spout can rotate 360 degrees, offering flexibility for various tasks.

Image 3.1: Pull-Down Sprayer in Use. This image shows the faucet's pull-down sprayer extended, demonstrating its reach and 360-degree swivel capability for comprehensive sink coverage.

Image 3.2: Dual Mode Sprayer. This image illustrates the two distinct water flow modes: a steady stream for filling and a powerful spray for rinsing, accessible via a button on the sprayer head.

Soap Dispenser:

- **Filling:** To refill, lift the dispenser head from the countertop and pour liquid soap directly into the reservoir.
- **Dispensing:** Press down on the dispenser head to release soap.

PRESS LIGHTLY TO GET THE SOAP OUT SMOOTHLY

Keep your countertop more organized and
make life easier.

4. MAINTENANCE AND CARE

Regular maintenance ensures the longevity and optimal performance of your FORIOUS kitchen faucet.

Cleaning:

- Use a soft cloth and mild soap to clean the faucet's exterior.
- Avoid abrasive cleaners, harsh chemicals, or scouring pads, as these can damage the matte black finish.
- Wipe down regularly to prevent water spots and maintain its appearance.

Drip-Free Ceramic Valve:

The faucet features a diamond-coated ceramic valve, tested for over 500,000 cycles, designed to prevent leaks and ensure smooth operation. No specific user maintenance is required for the valve itself.

Image 4.1: Drip-Free Cartridge Technology. This image illustrates the internal ceramic disc valve with diamond coating, highlighting its role in ensuring long-lasting, leak-free performance.

Water Quality and Materials:

The pull-down hose is made of crack-resistant and high-temperature resistant PEX. The faucet's lead-free construction and honeycomb aerator with multi-layer filtration ensure cleaner and healthier water. It is NSF and cUPC certified.

Image 4.2: PEX Water Artery Hose. This image details the construction of the faucet's PEX hose, emphasizing its explosion-proof, flexible, and kink-resistant properties for reliable water delivery.

5. TROUBLESHOOTING

If you encounter any issues with your faucet, refer to the common problems and solutions below.

• Low Water Flow:

- Check if the angle stop valves under the sink are fully open.
- Inspect the aerator at the end of the spout for mineral buildup or debris. Clean if necessary.
- Ensure water supply lines are not kinked or obstructed.

• Leaking from Spout:

- The ceramic valve is designed to be drip-free. If leaking occurs, ensure all connections are tight. If the issue persists, contact customer support.

- **Sprayer Not Retracting Properly:**

- Check the position of the gravity ball on the pull-down hose. It should be positioned correctly and free from obstructions under the sink.
- Ensure the hose is not tangled or caught on other plumbing components.

- **Difficulty Adjusting Temperature:**

- Verify that both hot and cold water supply lines are connected correctly and their respective valves are open.

6. SPECIFICATIONS

Feature	Specification
Brand	FORIOUS
Model Name	Kitchen Faucet with Soap Dispenser
Item Model Number	FF0043B-SD
Color	Matte Black
Material	Stainless Steel
Finish Type	Matte Black
Mounting Type	Deck Mount
Hole Count	1 (or 3 with Deck Plate)
Number of Handles	1
Spout Design	High Arch Gooseneck
