CAPHAUS POFCHF-CH001XLP-BK

CAPHAUS Oversized Zero Gravity Lounge Chair

Model: POFCHF-CH001XLP-BK

User Instruction Manual

1. INTRODUCTION

Thank you for choosing the CAPHAUS Oversized Zero Gravity Lounge Chair. This manual provides essential information for the safe and effective use of your new chair. Please read it thoroughly before use and retain it for future reference.

This chair is designed for ultimate relaxation, featuring a removable 3.9-inch thick padded cushion, high-elastic bungee ropes for enhanced comfort, and L-shaped non-slip foot covers for stability. It includes a detachable side tray with cup, phone, and tablet holders for convenience. The chair offers a wide-angle adjustment up to 150 degrees, allowing you to find your ideal posture for reading, working, or reclining.

2. SAFETY INFORMATION

- **Weight Capacity:** The recommended user weight capacity is 400 pounds. For optimal relaxation and safety, always use the chair within this recommended capacity. The maximum static weight capacity is 500 pounds.
- **Cushion Care:** The removable cushion pad is **not waterproof**. Exercise caution when using the chair near pools, beaches, or in rainy conditions to prevent water damage to the cushion.
- **Stability:** Ensure the chair is placed on a flat, stable surface before use.
- **Folding Mechanism:** When folding or unfolding the chair, keep hands and fingers clear of moving parts to avoid pinching.
- **Children and Pets:** Keep children and pets away from the chair during assembly and adjustment to prevent accidents.

3. PACKAGE CONTENTS

Upon unpacking, please ensure all components are present:

- 1 x CAPHAUS Oversized Zero Gravity Lounge Chair
- 1 x Removable Thick Padded Cushion
- 1 x Detachable Side Tray

4. SETUP INSTRUCTIONS

The CAPHAUS Oversized Zero Gravity Lounge Chair comes **fully assembled**. No additional assembly is required.

1. **Unfolding the Chair:** Carefully remove the chair from its packaging. Gently pull the frame apart until the chair is fully extended and stable.
2. **Attaching the Cushion:** Place the thick padded cushion onto the chair frame. The cushion is designed

to fit securely.

3. **Attaching the Side Tray:** Locate the attachment points on the side of the chair's armrest. Slide the detachable side tray into place until it clicks securely.

Image: Dimensions of the chair in various configurations.

5. OPERATING INSTRUCTIONS

5.1 Reclining and Locking Position

The chair features a 150-degree wide-angle adjustment for personalized comfort.

1. **To Recline:** Lean back gently while pushing down on the armrests. The chair will smoothly recline to your desired angle.
2. **To Lock Position:** Once you have found your preferred reclining angle, use the locking levers located under the armrests to secure the chair in place. Push the levers forward to lock and pull them back to unlock.
3. **To Return Upright:** Unlock the levers and gently lean forward. The chair will return to an upright position.

5.2 Using the Detachable Side Tray

The side tray provides convenient access to your essentials.

- The tray includes two cup holders, a phone holder, and a tablet holder.
- To remove the tray, simply lift it upwards from its attachment points.

5.3 Adjusting the Headrest

The chair features an adjustable headrest for personalized neck and head support. Slide the headrest up or down along the backrest to find your most comfortable position.

6. MAINTENANCE

- **Cleaning the Frame:** Wipe the metal frame clean with a damp cloth. For stubborn dirt, a mild soap

solution can be used, followed by wiping with a clean, dry cloth.

- **Cushion Care:** The removable cushion is made of PP cotton and is not waterproof. To clean, spot clean with a mild detergent and allow to air dry completely. Do not machine wash or tumble dry. Store the cushion indoors during inclement weather or when not in use to prolong its lifespan.
- **Storage:** When not in use, especially for extended periods or during harsh weather, fold the chair for compact storage. Store in a dry, protected area to prevent rust and wear.
- **Regular Inspection:** Periodically check all screws, bolts, and bungee ropes to ensure they are secure and in good condition. Tighten any loose fasteners and replace worn bungee ropes if necessary.

COMFY SOFT PAD

7. TROUBLESHOOTING

- **Chair does not recline smoothly:** Check if the locking levers are fully disengaged. Ensure there are no obstructions in the reclining mechanism.
- **Chair feels unstable:** Verify that the chair is fully unfolded and all legs are firmly on a flat surface. Check for any loose connections or damaged foot covers.
- **Side tray is loose:** Ensure the side tray is correctly inserted into its attachment points until it is secure.
- **Cushion appears stained after getting wet:** As the cushion is not waterproof, water can cause discoloration or affect the filling. Follow the cleaning instructions in Section 6.2. Avoid prolonged exposure to moisture.

8. SPECIFICATIONS

| Feature | Detail |
|---------|--------|
|---------|--------|

| | |
|-------------------------------|--|
| Brand | CAPHAUS |
