- **Spherical Head:** Ideal for large muscle groups like arms, back, hips, and legs.
- **Bullet Head:** Designed for pinpoint deep tissue massage, suitable for joints, palms, and soles.
- **Flat Head:** Versatile for all parts of the body, providing a general relaxing massage.
- **U-shaped Head:** Best for massaging around the spine, neck, and Achilles tendon.

MAINTENANCE

- Clean the massage heads with a damp cloth after each use.
- Store the device and all attachments in a cool, dry place.
- Do not immerse the device in water or any liquids.
- Ensure the device is fully charged before long-term storage to maintain battery health.

TROUBLESHOOTING

If you encounter any issues with your cotsooco Massage Gun, please refer to the following common solutions:

- **Device not turning on:** Ensure the battery is fully charged. Press and hold the power button for 2-3 seconds.
- **Weak massage intensity:** Adjust to a higher speed level. Ensure the massage head is firmly attached.
- **Unusual noise:** Check if the massage head is properly attached. Ensure no foreign objects are obstructing the vibrating part.
- **Short battery life:** Ensure the device is fully charged. Avoid using it while charging for optimal battery performance.
