## FABATO FAQU011

# FABATO Queen Size Bed Frame with LED Headboard Instruction Manual

Brand: FABATO | Model: FAQU011

## 1. IMPORTANT SAFETY INFORMATION

---

Please read and understand all instructions and safety warnings before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Weight Capacity:** Do not exceed the maximum weight capacity of 800 pounds (approximately 360 kg) for this bed frame. Exceeding this limit can cause the frame to collapse or become unstable.
- **Electrical Safety:** The integrated USB ports and LED lights require proper electrical connection. Ensure all connections are secure and follow local electrical safety guidelines. Do not expose electrical components to moisture.
- **Pinch Points:** Be cautious of pinch points, especially around the under-bed storage areas and moving parts during assembly and use.
- **Assembly:** This product requires assembly by two adults. Ensure all parts are correctly aligned and fasteners are tightened as instructed to prevent instability.
- **Sharp Edges:** Handle all components with care during assembly to avoid injury from potential sharp edges or points.
- **No Box Spring Required:** This bed frame is designed for use with a mattress directly on the slats. A box spring is not necessary.

## 2. PRODUCT OVERVIEW

---

The FABATO Queen Size Bed Frame offers a modern industrial design with enhanced functionality for your bedroom. It features a sturdy metal platform, an LED-illuminated headboard, and convenient charging ports.

### Key Features:

- **LED Headboard:** Integrated LED lighting with 20 static colors and 22 dynamic modes, controllable via remote.
- **Charging Station:** Built-in USB and Type-C ports on the headboard for convenient device charging.
- **Ample Storage:** 10.4 inches (26.4 cm) of under-bed clearance provides significant space for storage.
- **Sturdy Construction:** Durable metal frame with 13 robust metal supports and 9 strong legs for stability and mattress

longevity.

- **Squeak-Resistant:** Designed with anti-slip strips and rubber caps to minimize noise.
- **Easy Assembly:** Comes with detailed instructions, all necessary tools, and numbered parts for quick setup.

## 3. PACKAGE CONTENTS

Before beginning assembly, ensure all parts listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

## Cama de calidad superior

Tu colchón se lo merece

### Dimensiones

Tamaño Queen: 220cm x 150 cm x 34.5 cm

Cabecera: 3D

Capacidad de peso: 360k

Material: MDF y metal

Color: Color nuez y marco negro

*Image: Diagram showing FABATO Queen Size Bed Frame dimensions, materials, and weight capacity.*

### Components:

- Headboard panels (wood/MDF)
- Bed frame side rails and support beams (metal)
- Headboard frame (metal)
- Bed slats (wood)
- Support legs
- LED light strip and power adapter
- Remote control for LED lights

### Hardware & Tools:

- Various screws (M8x14, M8x30, M8x40, M8x55, ST4.2x10)
- Allen wrench
- Wrench
- Plastic pads for floor protection

*Note: The exact quantity of each screw type and component is detailed in the included physical instruction manual.*

## 4. SETUP & ASSEMBLY

Assembly typically takes approximately 1 hour with two people. Follow the numbered steps carefully. Do not fully tighten screws until instructed.

### Assembly Video Guide:

*Video: Official assembly guide for the FABATO Bed Frame, demonstrating step-by-step installation. (Note: Video shows a grey frame, but the assembly process is identical for the coffee color.)*

### Step-by-Step Instructions:

1. **Prepare Headboard Panels:** Attach the metal brackets to the wooden headboard panels using the specified screws. (Refer to

video steps 1-2 for grey frame, or video steps 1-3 for coffee frame).

2. **Assemble Headboard Frame:** Connect the headboard frame components. Secure the LED light strip and charging station into the designated slots on the headboard. (Refer to video steps 3-4 for grey frame, or video steps 1-3 for coffee frame).
3. **Attach Headboard to Side Rails:** Connect the assembled headboard to the bed frame side rails. Ensure all connections are secure but do not fully tighten yet. (Refer to video steps 5-7 for grey frame, or video steps 4-7 for coffee frame).
4. **Assemble Footboard:** Attach the footboard to the side rails. (Refer to video step 8 for grey frame, or video step 8 for coffee frame).
5. **Install Center Support Beams:** Place and secure the central support beams across the frame. (Refer to video step 9 for grey frame, or video step 9-10 for coffee frame).
6. **Install Under-Bed Storage (if applicable):** Assemble the under-bed storage baskets/drawers and attach them to the frame as shown. (Refer to video steps 14-19 for coffee frame, or if your model includes these).
7. **Install Bed Slats:** Lay the wooden slats across the frame, ensuring they are evenly spaced and secured. (Refer to video step 18 for grey frame, or video step 13 for coffee frame).
8. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws.

## 5. OPERATING INSTRUCTIONS

---

### LED Headboard Lights:

The LED lights are controlled by the included remote control. Ensure the power adapter is plugged into a wall outlet and connected to the headboard.

- **Power On/Off:** Use the power button on the remote to turn the LED lights on or off.
- **Color Selection:** Choose from 20 static colors using the color buttons on the remote.
- **Dynamic Modes:** Select from 22 dynamic modes to create various lighting effects.
- **Brightness Adjustment:** Adjust the brightness of the lights using the designated buttons.

### USB/Type-C Charging Ports:

The headboard includes integrated USB and Type-C charging ports (5V/2A) for your electronic devices. Ensure the bed frame is properly connected to a power source.

- Simply plug your device's charging cable into the appropriate USB or Type-C port.
- The ports provide power for charging phones, tablets, and other compatible devices.

*Video: Frequently asked questions and operational guide for the LED lights and charging features of the FABATO Bed Frame. (Note: Video shows a black headboard, but the functionality is identical.)*

## 6. MAINTENANCE

---

Regular maintenance helps prolong the life and appearance of your bed frame.

- **Cleaning:** Wipe the metal frame with a soft, damp cloth. For the headboard panels, use a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Check:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.

- **Slats Inspection:** Inspect the wooden slats for any signs of damage or wear. Replace any broken slats to ensure proper mattress support.
- **Electrical Components:** Keep the LED light strip and charging ports free from dust and debris. Ensure cables are not pinched or damaged.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your bed frame, refer to the following common problems and solutions:

- **Squeaking Noise:**
  - Ensure all bolts and screws are fully tightened.
  - Check that the anti-slip strips and rubber caps are correctly installed on the slats and frame connections.
  - Verify that the mattress is properly seated on the slats.
- **LED Lights Not Working:**
  - Confirm the power adapter is securely plugged into a working wall outlet and connected to the headboard.
  - Check the remote control battery.
  - Ensure there are no visible damages to the LED strip or wiring.
- **USB/Type-C Ports Not Charging:**
  - Verify the bed frame's power connection to the wall outlet.
  - Test with a different device and charging cable to rule out device-specific issues.
  - Ensure the cable is fully inserted into the port.
- **Bed Frame Feels Unstable:**
  - Re-check all assembly steps to ensure every fastener is tightened.
  - Confirm that all support legs are making firm contact with the floor.
  - Ensure the bed frame is on a level surface.

## 8. SPECIFICATIONS

---
