FABATO Double Bed Base with Upholstered Headboard, LED Lights, AC Outlets, and USB Ports User Manual

Model: FAQU041 Y FAFU042

1. INTRODUCTION AND OVERVIEW

This manual provides instructions for the assembly, operation, and maintenance of your FABATO Double Bed Base. This bed base features an upholstered headboard, integrated LED lighting, two AC power outlets, and two USB charging ports for convenience. It is designed with a metal platform for mattress support and includes under-bed storage space.

Please read this manual thoroughly before assembly and use to ensure proper setup and safe operation.

2. SAFETY INFORMATION

- This product does not include safety rails.
- Do not use this bed base with air mattresses or water beds.
- Do not exceed the recommended weight limit of 900 lbs (408 kg).
- Ensure all connections for electrical components (LED lights, AC/USB outlets) are secure before use.
- Keep children away from small parts during assembly.
- Periodically check all bolts and screws to ensure they remain tight.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list in your packaging for detailed identification.

- Headboard (upholstered with integrated LED, AC, and USB components)
- Footboard
- Side Rails
- Metal Slat System (13 sturdy metal bars)
- Support Legs (9 sturdy legs)

- Assembly Hardware (bolts, screws, washers, Allen wrench)
- Remote Control for LED Lights
- Power Cable for Headboard Electronics

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of the FABATO Double Bed Base is designed to be straightforward, typically completed within one hour. All necessary tools and numbered parts are included. Follow the detailed instructions provided in the separate assembly guide included in your package.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Headboard and Footboard:** Attach the side rails to the headboard and footboard using the provided hardware. Ensure all connections are secure.
3. **Install Support Legs:** Attach the 9 support legs to the frame as indicated in the assembly guide. These legs help distribute weight and protect your mattress.
4. **Secure Metal Slats:** Place the 13 sturdy metal bars across the frame. Each bar should be anchored to the side rails to prevent movement and noise.
5. **Connect Power:** Once the frame is fully assembled, connect the power cable from the headboard to a suitable wall outlet.
6. **Final Check:** Ensure all bolts are tightened and the frame is stable before placing your mattress. Plastic pads are included to protect your floor from scratches.

6. MAINTENANCE

- **Cleaning the Upholstered Headboard:** Wipe the upholstered headboard with a damp cloth and mild soap if necessary. Avoid harsh chemicals that may damage the material. The PU leather is designed to be waterproof and easy to clean.
- **Cleaning the Metal Frame:** Use a soft, dry cloth to dust the metal frame. For stubborn marks, a slightly damp cloth can be used, followed by drying thoroughly.
- **Regular Checks:** Periodically inspect all bolts and connections to ensure they are tight. Re-tighten if any looseness is detected to maintain stability and prevent noise.
- **Under-Bed Storage:** The 12.6-inch (32 cm) high storage space under the bed can be used for suitcases and other items. Keep this area tidy for easy access and cleaning.
