## Coanto 6-Row Automatic Self-Pushing Drink Organizer

# Coanto 6-Row Automatic Self-Pushing Drink Organizer Instruction Manual

Model: 6-Row Automatic Self-Pushing Drink Organizer

## INTRODUCTION

Thank you for choosing the Coanto 6-Row Automatic Self-Pushing Drink Organizer. This innovative dispenser is designed to streamline your beverage storage, keeping your drinks neatly organized and easily accessible in your refrigerator, pantry, or cabinet. Its automatic self-pushing mechanism ensures that a fresh drink is always at the front, ready for you.

## PACKAGE CONTENTS

Please ensure all components are present before assembly:

- T-Rails (Base components)
- Metal Dividers (Side rails for each row)
- Glide Lanes with Spring Pushers (Individual rows for drinks)

## SETUP INSTRUCTIONS

Assembly of your Coanto Drink Organizer is quick and requires no tools. Follow these steps:

1. **Prepare the Base:** Place the two T-rails parallel to each other on a flat, stable surface. Ensure they are properly aligned.
2. **Attach Metal Dividers:** Take a metal divider and align its clips with the slots on the T-rails. Press down firmly to fasten the metal divider onto the T-rail. Repeat this for all metal dividers, creating the individual rows.
3. **Install Glide Lanes:** For each row, take a glide lane with its spring pusher. Align it with the assembled T-rails and metal dividers. Press down to securely fasten the glide lane into place.

4. **Complete Assembly:** Repeat steps 2 and 3 for all six rows until the entire organizer is assembled.

**Important Note:** Before purchasing, measure the length and width of your refrigerator's interior to ensure a perfect fit. The T-rails may be initially stuck together and can be carefully pulled apart by hand.

## EASY TO ASSEMBLE

Image: A visual guide demonstrating the four simple steps to assemble the Coanto drink organizer, showing how to connect the T-rails, metal dividers, and glide lanes.

## OPERATING INSTRUCTIONS

The Coanto Drink Organizer is designed for effortless use:

- **Loading Drinks:** Place your cans or bottles into the individual glide lanes from the back. The spring-loaded pusher will automatically move them forward.
- **Automatic Dispensing:** When you remove a drink from the front, the spring-loaded pusher will automatically advance the next drink to the front, ensuring continuous easy access.
- **Adjustable Width:** The metal dividers between rows can be adjusted to accommodate various drink sizes, including 12 oz, 16 oz, 16.9 oz, and 20 oz cans or bottles. This flexibility allows you to store different types of beverages efficiently.
- **Versatile Placement:** This organizer is suitable for use in refrigerators, kitchen cabinets, or even as a

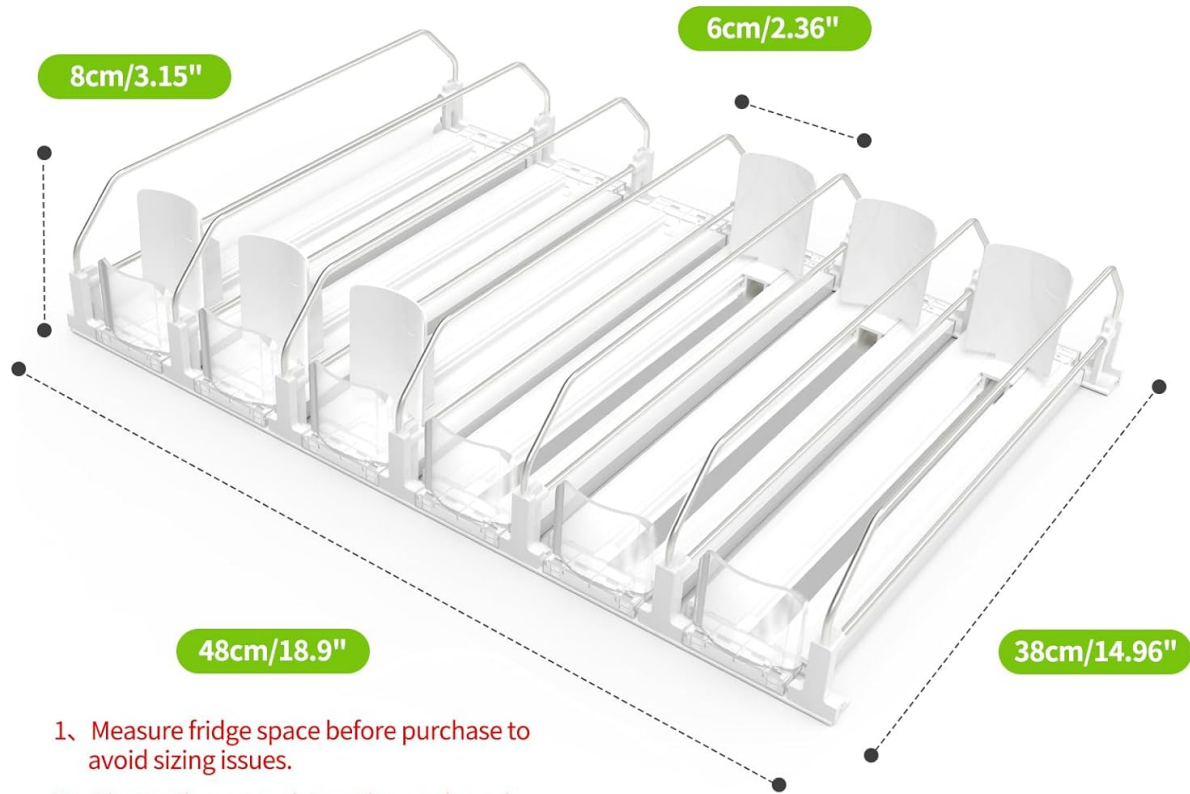

display unit on supermarket shelves.

## SPRING-LOADED PUSHER MAKES DRINKS SLIDE SMOOTHLY FORWARD

Image: A close-up view inside a refrigerator showing a red Coca-Cola can being smoothly pushed forward by the spring-loaded mechanism of the Coanto drink organizer, illustrating its automatic dispensing feature.

# ADJUSTABLE WIDTH FIT DIFFERENT BOTTLE SIZES

1. Measure fridge space before purchase to avoid sizing issues.
2. The t-rails are stuck together and need to be pulled apart by hand.

Juice

Canned beer

Bottled beer

Bottled water

Canned food

Image: A detailed diagram of the Coanto drink organizer highlighting its adjustable width (3.15 inches to 2.36 inches per row) and overall dimensions (18.9 x 14.96 inches). It also shows various drink types like juice, canned beer, bottled beer, bottled water, and canned food that can be stored.

## MULTI-PURPOSE USE

Image: A collage illustrating the multi-purpose use of the Coanto drink organizer. It shows the organizer effectively storing beverages in a refrigerator, a kitchen cabinet, and on supermarket display shelves, demonstrating its versatility.

## MAINTENANCE

To keep your Coanto Drink Organizer in optimal condition:

- **Cleaning:** The organizer features a smooth, waterproof surface. Simply wipe it down with a damp cloth and mild detergent as needed. Avoid abrasive cleaners.
- **Rust Resistance:** The metal partitions are rust-resistant, ensuring long-lasting durability even in humid environments like refrigerators.

## TROUBLESHOOTING

If you encounter any issues with your Coanto Drink Organizer, please refer to the following:

- **Missing or Damaged Parts:** If any parts are missing or damaged upon arrival, please contact Coanto customer service for a quick solution.
- **Improper Fit:** Ensure you have measured your fridge's internal dimensions accurately before ordering to prevent fitment issues. The adjustable dividers allow for flexibility with various drink sizes.

- **Drinks Not Sliding Smoothly:** Check that the glide lanes are free from debris and that the adjustable dividers are set correctly for the size of your beverages. Ensure the spring pushers are not obstructed.
