## SISESOL B0CP4YY751

# SISESOL 2-Drawer Mobile Lateral Filing Cabinet with Lock and Shelf - Instruction Manual

## PRODUCT OVERVIEW

---

The SISESOL 2-Drawer Mobile Lateral Filing Cabinet with Lock and Shelf (Model B0CP4YY751) is designed for efficient organization in home or office environments. This heavy-duty metal cabinet offers secure storage for various document sizes and features convenient mobility.

A full view of the SISESOL 2-Drawer Mobile Lateral Filing Cabinet in black, featuring two drawers, an open storage shelf, and casters for mobility. One drawer is partially open, revealing internal storage space.

## IMPORTANT SAFETY INFORMATION

---

- Always assemble the cabinet on a stable, level surface.
- Keep the cabinet away from heat sources.
- Do not place heavy objects on the top shelf.
- Use caution when moving the cabinet to prevent tip-over.
- Always follow the assembly instructions carefully to avoid injury.

## PACKAGE CONTENTS

---

The package includes the necessary components for assembly, including shelves and all required hardware.

## ASSEMBLY INSTRUCTIONS

---

Your SISESOL filing cabinet requires simple assembly. Please follow these steps carefully. An installation video is available on the product details page for visual guidance.

### Step-by-Step Guide:

1. **Prepare Components:** Unpack all components and verify against the parts list in the manual. Ensure all pieces are free from damage.
2. **Assemble the Frame:** Attach legs with screws. Tighten using the provided tool. Connect side panels to the back panel using dowels and cam locks.
3. **Install Shelves:** Insert shelves into pre-drilled holes within the cabinet frame.
4. **Assemble Drawers:** Construct the drawer boxes according to the manual. Attach drawer slides to the cabinet frame and the drawer boxes.
5. **Attach Doors/Drawer Fronts:** Attach doors (if applicable) using hinges and screws. For drawers, ensure the front panels are securely attached.
6. **Final Checks:** Ensure all screws are tightened and the cabinet is stable. Test drawer functionality.

## PRODUCT FEATURES

---

### Heavy-Duty Construction

The file cabinet is constructed with an all-metal design, ensuring sturdiness and durability. It features an electrostatic phosphorus-free epoxy spray coating for rust resistance. The top surface can support up to 150 pounds, making it suitable for long-term use.

### Ample Storage Space

Deep and spacious drawers offer sufficient room for Letter, Legal, and A4 size documents. The drawers feature fully extended, smooth, and silent rails for easy access. Removable and adjustable hanging rods are included to accommodate various filing needs.

## Enhanced Mobility

Equipped with four swivel casters, two of which are lockable, the cabinet can be easily moved and secured in place. The casters are designed to roll smoothly, prevent scratches, and protect flooring, making it ideal for various environments.

## Versatile Use

Beyond office use, this cabinet functions as a sideboard, hallway cabinet, or general storage in homes and classrooms. Its robust structure resists deformation and is easy to clean.

Detailed images highlighting key features of the SISESOL file cabinet, including a stable metal shelf, 360-degree swivel casters (two lockable), four external hooks for extra storage, and a secure locking mechanism.

## USAGE AND OPERATION

### Opening and Closing Drawers

Gently pull the handles to open the drawers. The smooth silent rails ensure effortless operation. Push the drawers back until they are fully closed.

### Locking Mechanism

To secure your documents, use the integrated lock. Insert the key into the lock cylinder located on the top drawer and turn to engage the locking mechanism. This will secure both drawers simultaneously. Ensure the drawers are fully closed before locking.

### Mobile Functionality

To move the cabinet, unlock the two lockable casters. Guide the cabinet to your desired location and then re-engage the caster locks to stabilize it.

## MAINTENANCE

To clean the cabinet, wipe surfaces with a damp cloth. Avoid abrasive cleaners that may damage the finish. Regularly check screws and connections for tightness to ensure continued stability.

## TROUBLESHOOTING

### Drawers not opening/closing smoothly:

- Check for any obstructions in the drawer slides.
- Ensure the cabinet is on a level surface.
- Verify that the drawer slides are properly installed and secured.

### Lock not engaging:

- Ensure all drawers are fully closed before attempting to lock.
- Check if the key is fully inserted and turned correctly.

### Stability issues:

- Confirm all assembly screws are tightened.
- Ensure the casters are locked when the cabinet is stationary.

### Missing parts or assembly difficulties:

Refer to the installation video on the product details page or contact SISESOL customer support for assistance.

## PRODUCT SPECIFICATIONS

Feature	Detail
Brand	SISESOL
Model	Drawer with Shelf A (B0CP4YY751)
