

LEVN LE-HS017

LEVN Open Ear Headphones User Manual

Brand: LEVN

Model: LE-HS017

1. INTRODUCTION

The LEVN Open Ear Headphones (Model LE-HS017) are designed to provide a comfortable and innovative audio experience, keeping your ears open to your surroundings while delivering clear sound. This headset is ideal for various activities including work, driving, running, and workouts, offering both audio enjoyment and situational awareness.

- **Open Ear Design:** Ensures comfort and awareness of surroundings.
- **AI Noise-Canceling Microphone:** Effectively blocks background noise for clear calls.
- **Lightweight & Comfortable:** Weighs only 29 grams with skin-friendly silicone ear pads.
- **Bluetooth 5.3 & Multipoint Pairing:** Offers stable connections and simultaneous device pairing.
- **Multi-function Button:** Easy control for calls and music.

3. SETUP

3.1 Power On/Off

To power on the headset, press and hold the multi-function button until you hear the "Power On" voice prompt. To power off, press and hold the multi-function button until you hear "Power Off".

3.2 Bluetooth Pairing

The LEVN Open Ear Headphones utilize Bluetooth 5.3 for fast and stable connections. They support multipoint pairing, allowing connection to two devices simultaneously.

1. Ensure the headset is powered off.
2. Press and hold the multi-function button until the LED indicator flashes blue and red, indicating pairing mode.
3. On your device (smartphone, tablet, PC), enable Bluetooth and search for "LE-HS017".

4. Select the headset to connect. Once connected, the LED will flash blue slowly, and you will hear a "Connected" voice prompt.
5. To pair a second device, disconnect from the first device (refer to your device's Bluetooth settings), then repeat steps 2-4 for the second device. Once the second device is paired, reconnect to the first device from its Bluetooth settings. The headset will now be connected to both.

4. OPERATING INSTRUCTIONS

4.1 Wearing the Headset

The headset is designed for open-ear comfort. Place the ear hooks over your ears, ensuring the speakers rest gently near your ear canals without entering them. The flexible band goes behind your head, providing a secure and stable fit.

Open Ear-All Day Comfort

Designed ergonomically and 29g lightweight, brings you superior comfort for wearing a whole day without ear fatigue

4.2 Controls

The headset features intuitive controls for managing calls and media:

- **Multi-function Button (MFB):**
 - Press once to Play/Pause music or Answer/End calls.
 - Press and hold to Power On/Off.
- **Volume Buttons:** Use the dedicated volume up (+) and volume down (-) buttons to adjust audio levels.
- **Mute Button:** The microphone boom includes a dedicated mute button for privacy during calls.

Safety & Connection

Stay in contact with your clients and team while staying aware of your surroundings in the workplace to avoid potential dangers

Connect 2 Devices at the Same Time

Fast pairing with smartphones, tablets, and computers compatible with most Bluetooth devices

Figure 5: The AI noise-canceling microphone ensures clear communication during calls.

5. CHARGING

The LEVN Open Ear Headphones come with a magnetic induction charger for convenient and secure charging.

- Connect the magnetic charger to the charging port on the headset. The magnetic connection ensures proper alignment.
- Plug the USB end of the charger into a compatible USB power source (e.g., computer, wall adapter).
- The LED indicator on the headset will show charging status (e.g., red for charging, blue for fully charged).
- A full charge takes approximately 2 hours.
- The headset provides up to 14 hours of battery life for continuous use.

Figure 6: The magnetic charging port ensures easy and secure connection for recharging.

6. MAINTENANCE

To ensure the longevity and optimal performance of your LEVN Open Ear Headphones, follow these maintenance guidelines:

- **Cleaning:** Wipe the headset with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the headset in a cool, dry place away from extreme temperatures and direct sunlight.
- **Water Resistance:** The headset is sweatproof, making it suitable for workouts. However, it is **not water resistant** and should not be submerged in water or exposed to heavy rain.
- **Avoid Physical Damage:** Do not bend, twist, or drop the headset excessively.

7. TROUBLESHOOTING

If you encounter issues with your headset, try the following solutions:

Problem	Possible Solution
Headset won't turn on.	Ensure the headset is fully charged. Press and hold the multi-function button for at least 3 seconds.
Cannot pair with device.	Make sure the headset is in pairing mode (flashing blue/red LED). Turn off and on your device's Bluetooth. Ensure the headset is within 15 meters of your device.
No sound or low volume.	Adjust the volume on both the headset and your connected device. Ensure the headset is properly positioned on your ears.
Microphone not working.	Check if the microphone is muted. Ensure the microphone boom is positioned correctly towards your mouth.
Intermittent connection.	Move closer to your device. Avoid obstacles between the headset and device. Disconnect and re-pair the headset.
