3. Setup

Follow these steps to set up your Christmas Snowman Decoration:

1. **Unpacking:** Carefully remove the ornament from its packaging. Inspect for any visible damage.
2. **Hanging:** Use the attached golden rope to hang the ornament. Securely place it on a Christmas tree branch, a decorative hook, or any other desired location. Ensure the hanging point is stable and can support the lightweight ornament.

4. Operating

This product is a static decorative item and does not require active operation. Once hung, the ornament is ready for display.

5. Maintenance

To ensure the longevity and appearance of your decoration, follow these maintenance guidelines:

- **Cleaning:** Gently wipe the ornament with a soft, dry, lint-free cloth to remove dust or smudges. Do not use abrasive cleaners, solvents, or harsh chemicals, as these may damage the acrylic material or painted details.
- **Storage:** When not in use, store the ornament in a cool, dry place away from direct sunlight and extreme temperatures. It is recommended to store it in its original packaging or a protective container to prevent scratches or damage.

6. Troubleshooting

If you encounter any minor issues with your decoration, consider the following:

- **Ornament appears dull or dusty:** Gently wipe with a soft, lint-free cloth as described in the Maintenance section.
- **Ornament falls from hanging point:** Ensure the rope is securely tied or attached, and the branch or hook used is strong enough to hold the ornament without swaying.
