3. ASSEMBLY INSTRUCTIONS

Your Deolme Wingback Swivel Recliner Chair requires minimal assembly. All necessary accessories and tools are included in the package. Please follow these general steps for quick and easy setup:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches. Verify all components listed in the parts list (not provided in this manual, refer to package insert) are present.
2. **Attach Backrest:** Align the backrest with the seat base and slide it into the designated slots until it clicks securely into place.
3. **Connect Armrests (if separate):** If armrests are separate, attach them to the main body using the provided hardware. Ensure they are firmly tightened.
4. **Install Base:** Secure the swivel and gliding base to the bottom of the chair using the provided bolts and tools. Ensure all connections are tight and stable.
5. **Final Check:** Once assembled, gently rock and swivel the chair to ensure all parts are securely fastened and the chair is stable before use.

Note: For detailed, step-by-step assembly instructions, please refer to the separate assembly guide included in your product packaging.

4. OPERATING INSTRUCTIONS

4.1 Reclining Function

To recline the chair, locate the manual pull handle, typically on the side of the chair. Pull the handle to release the locking mechanism, then lean back to adjust the reclining angle. The chair can be adjusted flexibly from approximately 105° (upright) to 160° (fully reclined). To return to an upright position, push forward with your body weight while simultaneously pushing the footrest down with your legs until the mechanism locks.

90-160 DEGREE RECLINER

Extra wide manual recliner can be adjusted flexibly from 90° to 160° . You can adjust the reclining angle of the recliner to suit your needs.

Image: Visual guide demonstrating the various reclining angles (90°, 105°, 160°) suitable for different activities like reading, watching TV, and sleeping.

4.2 Swivel Function

The chair is equipped with a 360-degree swivel base, allowing you to rotate freely in any direction without moving the entire chair. Simply apply gentle pressure with your feet or body to turn the chair to your desired orientation.

4.3 Gliding Motion

In addition to swiveling, the chair also offers a smooth gliding motion. While seated, gently push off the floor with your feet or lean back and forth to initiate a gentle rocking motion. This feature provides additional relaxation and comfort.

GLIDING MOTION & SWIVEL

Black Metal Base

Our swivel recliner has a black metal base that allows for a smooth and gentle 360 degree swivel, and the features of gliding also make you feel more comfortable.

5. CARE AND MAINTENANCE

Proper care will extend the life and appearance of your recliner chair. Follow these guidelines:

- **Regular Cleaning:** Vacuum the boucle fabric regularly using a soft brush attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. For stubborn stains, use a mild fabric cleaner specifically designed for upholstery, testing on an inconspicuous area first. Do not rub vigorously.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your chair away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or solvents, as these can damage the fabric and frame.
- **Frame Maintenance:** Periodically check all bolts and screws to ensure they are tight. Retighten if necessary to maintain stability.

6. TROUBLESHOOTING

If you encounter any issues with your Deolme Wingback Swivel Recliner Chair, please refer to the following common solutions:

Problem	Possible Cause / Solution
Chair does not recline smoothly.	<ul style="list-style-type: none">◦ Check if the reclining mechanism is obstructed.◦ Ensure the pull handle is fully engaged.◦ Verify all assembly bolts related to the mechanism are securely tightened.
Chair feels wobbly or unstable.	<ul style="list-style-type: none">◦ Check all assembly bolts and screws, especially on the base and backrest, and tighten them if loose.◦ Ensure the chair is placed on a flat, even surface.
Swivel or gliding motion is stiff.	<ul style="list-style-type: none">◦ Ensure no objects are obstructing the base mechanism.◦ The mechanism may require light lubrication with a silicone-based spray (avoid oil-based lubricants on fabric).

If the problem persists after attempting these solutions, please contact customer support.

7. WARRANTY AND SUPPORT

Deolme is committed to providing high-quality products. While specific warranty details are typically provided with your purchase documentation, generally, our products are covered against manufacturing defects for a limited period from the date of purchase.

For any questions, concerns, or assistance with your product, please do not hesitate to contact our customer service team. Our friendly representatives are available to help you within 24 hours.

Customer Service Contact: Please refer to the contact information provided on your purchase receipt or the Deolme official website.

Thank you for choosing Deolme. We hope you enjoy your new Wingback Swivel Recliner Chair.
