Key features include extra thick cushions, a solid steel frame, foldable basket, adjustable chain, maintenance-friendly polyester cover, floor-protecting anti-slip caps, high load capacity up to 160 kg, and an included protective cover.

SAFETY INSTRUCTIONS

To ensure safe operation and prevent injury or damage, please observe the following safety guidelines:

- **Maximum Load Capacity:** Do not exceed the maximum weight limit of **160 kg (352 lbs)**. Overloading can cause instability and lead to injury.
- **Assembly:** Assemble the chair strictly according to the instructions. Ensure all components are securely fastened before use.
- **Placement:** Place the chair on a flat, stable, and level surface. Avoid uneven ground or slopes.
- **Clearance:** Ensure adequate clearance around the chair to prevent collisions with walls, furniture, or other objects during swinging.
- **Children and Pets:** Keep children and pets away from the chair during assembly. Supervise children closely when they are near or using the chair.
- **Inspection:** Regularly inspect all parts, especially the frame, chain, spring, and connections, for wear, damage, or loose fasteners. Do not use the chair if any part is damaged or worn.
- **Weather Conditions:** For outdoor use, protect the chair from extreme weather conditions (strong winds, heavy rain, snow) using the provided protective cover or by storing it indoors.
- **Modifications:** Do not modify the chair or use non-original replacement parts. This may compromise safety and void the warranty.
- **Intended Use:** This chair is designed for relaxation and light swinging. Avoid excessive or aggressive swinging.

4. Hang the Seat Basket:

Carefully unfold the seat basket. Attach the basket to the adjustable chain using the provided hook or carabiner. Ensure the basket hangs freely and securely.

5. Place Cushions:

Position the thick seat cushion inside the basket. Place the head cushion for added comfort. The cushions are designed to fit precisely for optimal seating comfort.

OPERATION

Your tectake Ariane Hanging Egg Chair is designed for comfortable relaxation. Here are some operational guidelines:

- **Adjusting Seat Height:** The steel chain allows for height adjustment. To change the seat height, carefully lift the basket, adjust the chain length by hooking it to a different link on the spring mechanism, and then gently lower the basket. Always ensure the chain is securely hooked before sitting.
- **Swinging Motion:** The robust spring provides a comfortable and gentle swinging motion. Avoid aggressive or
