SAFETY INFORMATION

Warning:

Do not exceed the weight limit for the desktop or the drawer. Ensure the desk is stable and level, especially when using it at its highest settings, to prevent tipping. Always engage the wheel locks when the desk is in a stationary position to prevent unintended movement. Keep small parts and assembly hardware away from children and pets.

COMPONENTS LIST

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

SETUP AND ASSEMBLY

Assembly of the Tribesigns Portable Desk is straightforward and typically requires one person. Please follow the detailed steps provided in the included Assembly Guide for best results. Ensure you have a clear, flat workspace.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratches.
2. Attach the adjustable metal frame legs to the desktop panel using the provided hardware. Ensure all screws are tightened securely.
3. Install the bottom storage shelf between the metal frame legs.
4. Screw the four lockable caster wheels into the designated holes at the bottom of the metal frame.

5. Once assembled, gently lift and place the desk in its desired location.

OPERATING INSTRUCTIONS

Height Adjustment

The desk's height can be adjusted to suit both sitting and standing positions, ranging from 27.5 inches to 41.3 inches. To adjust the height, loosen the adjustment knobs on each leg, slide the leg to the desired height, and then securely tighten the knobs. Ensure both legs are adjusted to the same height for stability.

MAINTENANCE

To maintain the appearance and longevity of your Tribesigns Portable Desk, follow these simple care instructions:

- Wipe the surfaces with a damp cloth to remove dust and spills.
- Immediately follow with a dry cloth to prevent water spots or moisture damage.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- Periodically check and tighten all assembly hardware to ensure stability.

TROUBLESHOOTING

If you encounter any issues with your Tribesigns Portable Desk, please refer to the common solutions below:

- **Drawer does not slide smoothly:**

Ensure the drawer slides are properly aligned and free of obstructions. Check if all assembly screws for the drawer and its runners are securely tightened. Applying a small amount of furniture wax or silicone spray to the drawer runners may improve smoothness.

- **Desk feels wobbly:**

Verify that all height adjustment knobs are fully tightened. Check all assembly bolts and screws throughout the frame and desktop, tightening any that are loose. Ensure the desk is on a flat, even surface.

- **Caster wheels not locking:**

Ensure the locking lever on each wheel is fully engaged. Clear any debris that might be preventing the locking mechanism from functioning correctly.
