## MAINTENANCE

---

To maintain the appearance of your JEKCA model, dust it regularly with a soft, dry cloth. For more thorough cleaning, gently wipe the blocks with a damp cloth and mild soap solution, then dry immediately. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.

## TROUBLESHOOTING

---

### Missing or Damaged Pieces

If you find any missing or damaged pieces upon opening your kit, please refer to the contact information in the Support section to request replacements. It is recommended to check all contents against the parts list in the instruction manual before beginning assembly.

### Difficulty with Assembly

Ensure you are following the steps precisely as outlined in the included building manual. The JEKCA system requires careful alignment and proper use of the pin driver to secure connections. If a piece does not fit, double-check its orientation and the preceding steps.
