ASSEMBLY INSTRUCTIONS

Assembly of the Epiphyllum Flower Bouquet is straightforward with the provided detailed instructions. Two instruction books are included to guide you through the process step-by-step.

1. Unpack all components and organize them by color and shape to facilitate easier assembly.
2. Refer to the first instruction book to begin constructing the vase base.
3. Follow the diagrams carefully to assemble the individual flower components, including petals, centers, and buds.

4. Attach the assembled flowers and leaves to the stem pieces as indicated in the manual.
5. Once all floral elements are complete, insert them into the assembled vase, arranging them to achieve the desired aesthetic.
6. Ensure all connections are secure to maintain the structure of the bouquet.

CARE AND MAINTENANCE

The EDUCIRO Epiphyllum Flower Bouquet requires minimal maintenance due to its artificial nature.

- **Cleaning:** To remove dust, gently wipe the surfaces of the blocks with a soft, dry cloth. For more stubborn dirt, a slightly damp cloth can be used, followed by immediate drying.
- **Storage:** If disassembling for storage, keep all pieces in a secure container to prevent loss.
- **Avoid Direct Sunlight:** While durable, prolonged exposure to direct sunlight may cause slight fading over many years.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or harsh chemicals, as these can damage the plastic material.

TROUBLESHOOTING

Problem	Solution
Missing parts upon opening.	Carefully check all packaging materials. If parts are genuinely missing or faulty, refer to the Warranty and Support section for replacement information.
Difficulty connecting blocks.	Ensure blocks are aligned correctly. Apply firm, even pressure. Refer to the instruction manual for specific connection points.
Assembled structure is unstable.	Double-check all connections to ensure they are fully engaged. Review the assembly steps in the manual to confirm no steps were missed or incorrectly performed.
