ASSEMBLY INSTRUCTIONS (SETUP)

For detailed, step-by-step assembly instructions, please refer to the manual included in your product packaging. The following is a general overview of the assembly process.

1. **Prepare Components:** Unpack all parts and lay them out on a clean, soft surface to prevent scratches. Identify each component using the parts list in your manual.
2. **Assemble the Main Frame:** Attach the side panels to the base and top panels using the provided hardware (e.g., dowels, cam locks, screws). Ensure all connections are secure.
3. **Install Drawer Glides:** Secure the drawer glides to the inner sides of the dresser frame according to the manual's instructions.
4. **Assemble Drawers:** For each drawer, attach the sides, back, and front panels to the drawer bottom. Secure the drawer knobs to the drawer fronts.
5. **Insert Drawers:** Carefully slide the assembled drawers onto the installed glides within the dresser frame.
6. **Attach Back Panel:** Secure the back panel to the rear of the dresser frame.
7. **Install Anti-Tipping Device:** Attach the anti-tipping kit to the back of the dresser and to a wall stud, following the specific instructions provided. This is a critical safety step.

MAINTENANCE

To maintain the appearance and longevity of your DORTALA 3 Drawer Dresser, follow these simple care instructions:

- **Cleaning:** Wipe with a dry cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Promptly wipe up any spills with a soft, dry cloth to prevent staining or damage to the engineered wood.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

TROUBLESHOOTING

- **Drawers are Sticking/Not Sliding Smoothly:**

- Check that the drawer glides are correctly installed and aligned.
- Ensure no objects are obstructing the drawer's path.
- Verify that the drawer is not overloaded, exceeding its weight capacity.

- **Dresser is Wobbly:**

- Ensure all assembly bolts and screws are tightened securely.
- Check that the dresser is placed on a level surface. Adjust the leveling feet if available.
- Confirm the anti-tipping device is properly installed and secured to the wall.

- **Missing Parts or Damaged Components:**

- Refer to the parts list in your manual.
- Contact DORTALA customer support for assistance.
