Homary White Lift Top Coffee Table

INSTRUCTION MANUAL - MODEL GY-0JJ65584N3S

1. Product Overview

This Homary Lift Top Coffee Table is a versatile furniture piece designed for modern living spaces. It features a lift-top mechanism that transforms it into a temporary workspace or dining area, hidden storage compartments, and four accompanying stools. The table is equipped with casters for easy mobility.

Key Features:

- **Lift-Top Mechanism:** Easily converts from a coffee table to a raised surface for dining or working.
- **Hidden Storage:** Integrated compartments and drawers provide ample space for organization.
- **Integrated Stools:** Includes four stools that can be stored neatly within the table structure.
- **Casters:** Equipped with wheels for convenient movement and repositioning.
- **Material:** Constructed from engineered wood.

2. Important Safety Information

Please read and understand all instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- **Two-Person Assembly:** Assembly is recommended for two people to ensure safety and proper construction.
- **Secure Fasteners:** Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as needed.
- **Weight Capacity:** Do not exceed the recommended weight capacity for the table surface or storage compartments.
- **Children and Pets:** Keep small parts away from children and pets during assembly. Ensure the table is stable and secure to prevent tipping.
- **Proper Use:** Use the lift-top mechanism carefully. Avoid placing hands or fingers in pinch points.
- **Surface Protection:** Use coasters or placemats to protect the table surface from heat, moisture, and scratches.

3. Parts List

Before beginning assembly, verify that all components and hardware are present and undamaged. Refer to the assembly video for visual identification of parts.

Components:

- Tabletop panels
- Side panels
- Bottom panel with casters
- Drawer components
- Stool frames and cushions (4 sets)
- Lift-top mechanism (2 units)

Hardware:

- Various screws (e.g., for hinges, casters, general assembly)
- Dowel pins
- Drawer slides
- Hinges for stools
- Casters (4 units)

Note: An Allen Key and Screwdriver are recommended for assembly, and these tools are included.

4. Assembly Instructions

Follow these steps carefully for proper assembly. It is highly recommended to watch the official assembly video for visual guidance.

Step-by-Step Guide:

- 1. Prepare Panels:** Lay out all panels and hardware. Insert cam bolts and dowel pins into the designated holes on the main table panels (A, C, D, E, F).
- 2. Assemble Stool Bases:** Connect the side panels for each of the four stools using cam locks and dowel pins. Attach the hinges to the stool tops (E) and then secure them to the assembled stool bases.
- 3. Assemble Drawer Box:** Attach the drawer slides (FF1) to the side panels (I, J) of the main drawer box. Connect the drawer box panels (G, H, I, J, K) using cam locks and dowel pins to form the central structure.
- 4. Attach Casters:** Secure the four casters (MM, NN) to the bottom panel (L) of the main table using screws.
- 5. Assemble Main Table Base:** Attach the central drawer box assembly to the bottom panel (L) with casters. Secure with screws.
- 6. Assemble Drawers:** Construct the two drawers (O, P) by connecting their side panels and bottom. Attach the remaining drawer slides (FF2) to the sides of the drawers.
- 7. Install Lift Mechanism:** Secure the two lift-top mechanisms (JJ1, JJ2) to the main table structure, ensuring they are oriented correctly towards the drawer side.
- 8. Attach Tabletop:** Carefully place the main tabletop panel (R) onto the lift mechanisms and secure it with screws.
- 9. Insert Stools:** Place the assembled stools into their designated compartments on either side of the main table structure.

5. Operating Instructions

This multi-functional table offers several modes of use:

Lift-Top Function:

- To raise the tabletop, gently lift the front edge of the main tabletop. The air pressure lifter mechanism will assist in smoothly raising it to a comfortable height for working or dining.
- To lower the tabletop, apply gentle downward pressure on the front edge until it fully retracts into the coffee table position. Ensure no objects are obstructing the mechanism.

Storage Access:

- **Hidden Compartments:** The two side sections with upholstered tops serve as hidden storage. Lift the hinged tops to access the compartments.
- **Drawers:** The central section features two pull-out drawers for additional storage.

Stool Usage:

- The four stools are stored within the side compartments. Simply pull them out when needed.
- After use, push the stools back into their compartments for a tidy appearance.

Mobility:

- The table is equipped with casters for easy movement. Unlock the casters if they are locked before moving.
- To secure the table in place, engage the locks on the casters.

6. Maintenance and Care

Proper care will extend the life and appearance of your coffee table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that can damage the finish.
- **Spills:** Clean spills immediately to prevent staining, especially on the engineered wood surfaces.
- **Heat and Moisture:** Protect the table from direct heat sources and excessive moisture. Use coasters for drinks and placemats for hot dishes.
- **Hardware:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary.
- **Casters:** Keep casters free of debris to ensure smooth movement. Lubricate if needed.

7. Troubleshooting

If you encounter any issues with your coffee table, refer to the following common problems and solutions:

- **Difficulty with Assembly:** If pieces do not seem to fit, double-check the instruction manual and video for correct orientation and part identification. Ensure all dowel pins and cam bolts are fully inserted.
- **Lift-Top Mechanism Not Smooth:** Ensure no objects are obstructing the mechanism. Check that all screws securing the lift mechanism are properly tightened. If the issue persists, contact customer support.
- **Drawers Sticking:** Verify that the drawer slides are installed correctly and are free of debris. Ensure the drawer box is assembled squarely.
- **Casters Not Rolling:** Check for debris caught in the wheels. Ensure the caster locks are disengaged.
- **Damaged or Missing Parts:** If any parts arrived chipped, damaged, or missing, do not proceed with assembly. Contact Homary customer support immediately for assistance.
