2. SAFETY INFORMATION

Please observe the following safety guidelines:

- **Choking Hazard:** This set contains small parts and is not suitable for children under 3 years of age.
- **Age Recommendation:** Recommended for ages 8 and up. Adult supervision is advised for younger builders.
- **Handling:** Handle all building blocks with care to prevent damage or injury.
- **Storage:** Keep all unused parts in a safe place, away from small children and pets.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should contain:

- Approximately 918 building block pieces.
- One full-color instruction manual.
- Sticker decals for detailing.
- Rubber tires and metal-modified wheel hubs.

If any parts are missing or damaged, please refer to the [Support](#) section for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included physical full-color manual. The assembly process is designed to be intuitive, but careful attention to detail is required.

1. **Preparation:** Unpack all building blocks and sort them by color and type. This will simplify the assembly process.
2. **Follow the Manual:** Refer to the physical instruction manual for detailed, illustrated steps. Each step will show which pieces to use and where to place them.
3. **Base Construction:** Begin by building the chassis and foundational structure of the sport car.
4. **Engine and Interior:** Proceed to assemble the internal components, including the engine details and cockpit.
5. **Bodywork:** Attach the exterior body panels, ensuring proper alignment and secure connections.
6. **Wheels and Suspension:** Install the suspension components, rubber tires, and metal-modified wheel hubs.
7. **Functional Elements:** Assemble and integrate movable parts such as the scissor doors, steering mechanism, and rear spoiler.
8. **Final Details:** Apply sticker decals as indicated in the manual for aesthetic enhancements.

5. FEATURES AND OPERATION

The PinkBee 1:14 Scale Sport Car model includes several functional and detailed features:

- **Scissor Doors:** The doors are designed to open upwards, mimicking the style of real sport cars. Gently lift the doors to open and push down to close.
- **Steering:** The steering wheel is linked to the front wheels, allowing for manual steering control.
- **Front and Rear Suspension:** The model features functional suspension for a realistic appearance.
- **Rear Spoiler:** The rear spoiler is adjustable.
- **Press-Down Vehicle Head:** The front section of the vehicle can be pressed down, adding to the interactive elements.
- **Metal Modified Wheels:** The wheels feature a detailed design with metal-modified hubs.

6. MAINTENANCE

To ensure the longevity and appearance of your PinkBee Sport Car model, follow these maintenance tips:

- **Cleaning:** Dust the model regularly with a soft, dry cloth. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the assembled model in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic.
- **Handling:** Avoid dropping the model or applying excessive force to its components, as this may cause parts to detach or break.

7. TROUBLESHOOTING

Issue	Possible Cause	Solution
-------	----------------	----------

Issue	Possible Cause	Solution
Missing parts	Packaging error or parts lost during unpacking.	Carefully check all packaging materials. If parts are still missing, contact PinkBee customer support.
Difficulty connecting pieces	Incorrect piece orientation or insufficient force.	Ensure pieces are correctly aligned as per the manual. Apply firm, even pressure. Do not force pieces if they don't fit, as this may cause damage.
Model is unstable or falls apart	Pieces not fully connected or incorrect assembly step.	Review the assembly steps in the manual, paying close attention to connections. Ensure all pieces are securely pressed together.
Stickers not adhering properly	Surface is dusty or oily.	Ensure the surface is clean and dry before applying stickers. Press firmly after application.
